## I. THE SETTLEMENT

5. The relevant facts and allegations are set forth in Plaintiffs' concurrently filed: (i) Memorandum of Law in Support of Plaintiffs' Motion for Final Approval of Class Action Settlement ("Final Approval Brief"); and (ii) Memorandum of Law in Support of Class Counsel's Application for an Award of Attorneys' Fees and Expenses and Service Award to the Named Plaintiffs ("Fee Brief").

6. The settlement of this case reflects a good faith, arms-length, highly efficient effort by all parties to reach an excellent resolution for the Class without wasting the parties or the Court's limited resources, as commanded by Rule 1 of the Federal Rules of Civil Procedure, which states that the "rules . . . should be construed, administered, and employed by the court and the parties to secure the just, speedy, and inexpensive determination of every action and proceeding."

7. To ensure the proposed Settlement was in the best interests of the Class, the Named Plaintiffs and Class Counsel engaged in discovery with Genworth Life Insurance Company and

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 4 of 13 PageID# 1117

Genworth Life Insurance Company of New York ("Genworth" or "Defendants"), including the review and analysis of over 300,000 pages of documents produced by Genworth and interviews with Genworth's key decision-makers regarding the issues in this action.

8. As this Court is aware having presided over the cases of Skochin v. Genworth Fin., Inc., No. 3:19-cv-49 (E.D. Va.), and Halcom v. Genworth Life Ins. Co., 3:21-cv-00019 (E.D.Va.), this action, like Skochin and Halcom, faced considerable risks for the Named Plaintiffs, in light of the fact that numerous prior cases against other long-term care ("LTC") insurers had tried (unsuccessfully) to obtain some relief for policyholders in the face of considerable rate increases. But this case also faced obstacles that were more challenging than Skochin and Halcom. For example, here Genworth would argue that its internal plans for future rate increases on the Class Policies were far less concrete and long-term than they were in the prior cases, obviating any duty to make additional disclosures.<sup>3</sup> While Plaintiffs believe they could have rebutted those arguments, if Genworth were able to demonstrate that their plans for future rate increases did not include specified increases on the Class Policies, then Plaintiffs' claims would likely have been unsuccessful. Thus, the difficulties of proof were significant and far more challenging than the prior litigations. Genworth also would likely renew its argument, including on appeal, that Plaintiffs' claims were barred by the filed rate doctrine. The underlying facts involved the overlap of complicated issues of insurance regulation and actuarial accounting that may be challenging for most laypersons to understand.

9. Further, Genworth would have argued that class certification was unwarranted on either of Plaintiffs' claims because, according to Genworth, fraud claims require proof of reliance.

<sup>&</sup>lt;sup>3</sup> Genworth has denied and continues to deny any liability in connection with its actions related to rate increases and disclosures in the *Skochin* and *Halcom* cases; Plaintiffs are merely acknowledging that, based on Class Counsel's experience and judgment, the facts in those cases were stronger than those in the present case.

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 5 of 13 PageID# 1118

Plaintiffs would have argued that a presumption of reliance was available under *Affiliated Ute Citizens v. United States*, 406 U.S. 128, 153 (1972) (reliance for fraud claim presumed based on materiality of omission), based on arguments that Genworth's omissions were material, and that the rate increase notification letters were all uniform based on template forms, but Genworth would have disputed that and, in any event, would have argued that any presumption would have been rebutted. Genworth also would have argued that the substantial involvement of state insurance rate increase gave rise to numerous defenses, factual and legal.

10. Plaintiffs would have to prevail on all of these issues at class certification and trial, and if they prevailed at both, on the appeals that would likely follow. Thus, there were significant risks to the continued prosecution of this action. Moreover, without settlement, the length of time and the expense required to resolve all of these issues would be considerable. Considering the age of the Members of the proposed Class, any delay in resolving these claims would likely prevent some Class Members from being able to participate at all, even were the case to be successful.

11. Considering the significant obstacles that the Named Plaintiffs and the Class faced in this action, the Settlement obtained here is a testament to the ingenuity, tenacity, and skill of Class Counsel and the Named Plaintiffs. They succeeded in obtaining for the entire Class Disclosures providing material information about Genworth's future plans to seek additional rate increases and the need for those increases to remain solvent, as well as the opportunity to choose from a menu of special election options that could reduce policyholders' premiums, provide substantial monetary damages payments, or enhance the value of their paid-up policy options ("Special Election Options"). Depending on each Class Member's election, individual cash damages payments range between \$1,000 and \$10,000 for each Special Election Option.

12. Indeed, between the two types of benefits achieved for the Class – the Disclosures and the Special Election Options – Class Members will obtain significant and meaningful relief in

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 6 of 13 PageID# 1119

this Settlement, especially when those benefits are compared to the claims the Named Plaintiffs brought against Genworth and the financial damages asserted in this case.

13. The Settlement achieved here is similar in structure and magnitude to the settlements this Court approved as fair, reasonable, and adequate in *Skochin* and *Halcom*. The *Skochin* settlement has been a rousing success, with a claims rate of approximately 30%, one of the highest claims rates ever in a consumer class action and orders of magnitude larger than the median claims rates found by the Federal Trade Commission in a September 2019 published study of consumer class action settlements. *See* ECF No. 28-3. Class Counsel believe that the claims rate for this Settlement will be similarly impressive.

14. Class Counsel are also keenly aware of the importance of providing the Court with a valuation of the Settlement in connection with seeking final approval. In this regard, based on the number of Class Members in this action and the rate of settlement elections made in the *Skochin* settlement, Class Counsel anticipate that total cash damages in this Settlement will likely range between \$224 million and \$6097 million, and that calculation does not even account for the benefits for the thousands of Class Members who may elect to have their non-forfeiture benefits increased by 50% in the Settlement. The foundational basis for this valuation is set forth in more detail in the Sheahon Declaration, filed concurrently herewith as **Exhibit C**.

15. At bottom, there is no question that the Settlement includes substantial relief, and each Class Member gets to choose what relief they prefer. Accordingly, Class Counsel respectfully submit that, in their informed opinions, the Settlement here is fair, reasonable, and adequate to the Class and should be finally approved.

#### II. REACTION OF THE CLASS

16. The fairness and adequacy of the Settlement is further evidenced by the favorable reaction of the Class.

- 6 -

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 7 of 13 PageID# 1120

17. The Notice has been mailed to 352,146 Class Members. *See* Ex. H, Azari Declaration, ¶14. As of September 14, 2022, Class Counsel are aware of only 60 policyholders that have requested to opt-out of the Settlement and only two objections to it. *Id.*, ¶24. Thus far, the response from the Class has been overwhelmingly positive. Indeed, in order to ensure that every Class Member timely receives the information they need about the Settlement and answers to any questions they may have, Class Counsel set up a special Call Center staffed with attorneys whose sole responsibilities are to answer Class Member inquiries and questions. To date, attorneys in the Call Center have spoken to nearly 4,300 Class Members, the *vast* majority of whom expressed their strong approval of the Settlement.

18. Class Members still have until September 30, 2022 to opt-out or object to the Settlement. Class Counsel will update these numbers and address all objections to the Settlement in their reply brief to be filed on or before November 3, 2022.

## III. CLASS COUNSEL'S ATTORNEYS' FEES AND EXPENSES

19. Class Counsel respectfully request that the Court award contingent fees equal to 15% of the cash damages payments triggered by the Special Election Options selected by the Settlement Class, which shall be no greater than \$13,000,000. Class Counsel are not requesting any attorneys' fee for Special Election Options that do not provide for a cash damages payment, nor are they requesting fees relating to the value of the Disclosures obtained in the Settlement.

20. The Fees approved by the Court will not be paid from any Class Member's cash damages payment but will instead be paid separately by Genworth. This is a significant additional benefit Class Counsel achieved for the Class insofar as the genesis for the "common fund" doctrine is "that persons who obtain the benefit of a lawsuit without contributing to its cost are unjustly enriched at the successful litigant's expense." *Boeing Co. v. Van Gemert*, 444 U.S. 472, 478 (1980). Class Counsel believe such a fee is reasonable and appropriate.

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 8 of 13 PageID# 1121

21. Class Counsel further request an award of **\$39,697.92** in litigation expenses and charges in connection with the prosecution of this action. The arguments and authorities supporting the requested fees and expenses are set forth in the Fee Brief.

22. The time and resources in the investigation, institution, and prosecution of this action, as well as the costs and expenses of the litigation are set forth in detail in the Fee Declarations of Class Counsel, which include the following: Fee Declaration of Brian D. Penny filed on behalf of Goldman Scarlato & Penny, P.C., **Exhibit D**; Fee Declaration of Stuart A. Davidson Filed on Behalf of Robbins Geller Rudman & Dowd LLP, **Exhibit E**; Fee Declaration of Glen L. Abramson Filed on Behalf of Berger Montague P.C., **Exhibit F**; and Fee Declaration of Jonathan M. Petty Filed on Behalf of Phelan Petty LLC, **Exhibit G**, submitted herewith. Included with these Declarations are schedules that summarize Class Counsel's lodestar, as well as expenses incurred by category. In the aggregate, through September 1, 2022, Class Counsel have expended **2,215.50** hours working this case for combined lodestar of **\$1,327,404.00**.

23. As set forth in the Fee Brief, Class Counsel worked efficiently and diligently to obtain an excellent result for the Class. The recovery obtained for the Class is the direct result of the significant efforts of attorneys who possess substantial experience in the prosecution of complex consumer class actions and diligent and responsible class representatives.

24. On the other side, Defendants were represented by experienced lawyers from two of the largest and most well-known defense firms: Dentons and McGuireWoods LLP. Genworth itself is a large corporation that was a well-financed and formidable adversary. Class Counsel were fully aware that, if this action could not be settled through mediation, the case would be vigorously defended. The result was obtained, and the requested fee was earned, only through preparation, tenacity, and hard work. The ability of Class Counsel to obtain a favorable settlement in the face of such opposition confirms the quality of their representation.

- 8 -

## Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 9 of 13 PageID# 1122

25. When Class Counsel undertook to represent the Named Plaintiffs and the Class, it was with the expectation that their attorneys and paraprofessionals would have to devote a significant amount of time and effort to the prosecution, and Class Counsel would have to make a substantial commitment to this action. The time spent by Class Counsel on this case was at the expense of the time that they could have devoted to other matters. Class Counsel undertook this case solely on a contingent fee basis, assuming a risk that the case would yield no recovery and leave Class Counsel uncompensated for their considerable work.

26. Unlike counsel for Defendants, who are generally paid an hourly rate and paid for their expenses on a regular basis, Class Counsel have not been compensated for any time or expenses since this case began. To date, Class Counsel have litigated this action without any payment, during which time they:

- researched Genworth rate action filings with insurance commissioners over a tenyear period in at least 20 states;
- surveyed and charted Choice 2 and Choice 2.1 rate action approvals in all 50 states, as well as California CADE, California Reprice, and California Unbundled rate action approvals;
- reviewed the past ten years of Genworth's Securities and Exchange Commission filings, public statements, and financial statements filed with the Delaware Department of Insurance;
- reviewed all correspondence between Genworth and Plaintiffs, including their policies and all rate action letters the Plaintiffs received;
- drafted a detailed Complaint incorporating this information;
- reviewed and analyzed over 300,000 pages of documents produced by Genworth in this litigation;
- interviewed Genworth's Senior Project Manager for In-Force Placement, who was responsible for developing rate increase notification letters sent to the Settlement Class, as well as for providing support for the customer service team following state regulatory decisions on Genworth's rate increase requests;
- interviewed Genworth's Senior Vice President for LTC Inforce, who was responsible for development of rate increase action plans, new LTC products, and

helping to oversee the state regulatory approval process of LTC rate increase requests;

- served Genworth with interrogatories and received and reviewed detailed responses;
- produced documents and answered interrogatories in response to discovery served by Genworth;
- drafted mediation statements and other documents and conducted three in-person mediation sessions with Genworth and Rodney A. Max; and
- reviewed data from the *Skochin* class action settlement and the response of the *Skochin* class to that settlement.
- 27. Class Counsel's experience and advocacy was required in presenting the strengths

of this case in their Complaint and during mediation to achieve the best possible settlement.

28. To that end, Class Counsel assembled a litigation team that included attorneys with significant trial and consumer class action experience that could detail how the Named Plaintiffs would prove their claims before a jury.

29. As detailed in the Fee Brief, in light of the substantial recovery obtained, the complexity of the issues presented, the effort and skill exhibited by Class Counsel, the time expended by Class Counsel and its paraprofessionals, the fee awards in comparable class actions, including *Skochin* and *Halcom*, the contingent nature of Class Counsel's representation, and the Named Plaintiffs' endorsement of the requested fee, Class Counsel believe the requested fee and litigation expense awards are reasonable and appropriate.

### IV. NAMED PLAINTIFFS' SERVICE AWARDS

30. Based upon my and my co-counsel's observation of the time and effort the Named Plaintiffs dedicated to this case, I can confidently declare that they have represented the Class with diligence, passion, skill, and perseverance, and that their representation was more than adequate. Frankly, without their work, this Settlement would not have been possible.

#### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 11 of 13 PageID# 1124

31. During Class Counsel's pre-suit investigation of this case, and since they joined this case as Named Plaintiffs, Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten have understood, and currently understand, that their obligations as class representatives include placing the interests of the Class ahead of their own. They have consistently demonstrated their commitment by pursuing this litigation actively and diligently. That work included, at first, preserving all data and documents potentially relevant to this case in accordance with their obligations. They have since devoted scores of hours to this matter on behalf of the class.

32. They each worked with Class Counsel to draft, review, and edit the Complaint filed in this action. They also reached out to Class Counsel with questions about the allegations and claims advanced to ensure they understood them.

33. They reviewed all of the document requests and interrogatories that Genworth served on them with Class Counsel, and worked with Class Counsel to provide careful, correct answers to the interrogatories and to search for, collect, and produce responsive documents concerning their claims and Genworth's defenses, including extremely sensitive information regarding their financial and medical circumstances.

34. They spoke and corresponded on several occasions with Class Counsel about the attorneys' ongoing mediation efforts with mediator Rodney A. Max to attempt to settlement the litigation. They were each well informed of the negotiations as they progressed and were given the opportunity to comment on and ask questions about the Settlement reached, which they did.

35. Simply put, the Named Plaintiffs ensured that they stayed fully informed throughout the pendency of the case. Class Counsel also sent drafts of all major court filings, communicated case developments with the Named Plaintiffs frequently, and Named Plaintiffs

- 11 -

### Case 3:22-cv-00055-REP Document 43 Filed 09/16/22 Page 12 of 13 PageID# 1125

were fully informed before making a decision whether to accept the proposed Settlement negotiated by Class Counsel and Genworth's counsel.

36. In Named Plaintiffs' opinion, the Settlement with Genworth provides the Class with a fair and well-deserved result following the impact of Genworth's actions. Indeed, the Named Plaintiffs belief that Class Counsel obtained significant and meaningful relief for the Class, especially when that relief is compared to the claims brought and damages sought in this case. In addition, the Named Plaintiffs are aware of and approve Class Counsel's fee and expense application to the Court.

37. As described above and in the Final Approval Brief and the Fee Brief, Class Counsel respectfully submit that the Settlement should be approved as fair and reasonable, and that the Court should award Class Counsel's requested fees and expenses and the service awards to the Named Plaintiffs.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 16th day of September 2022, at Conshohocken, Pennsylvania.

## II. FAMILIARITY WITH THE PRESENT LITIGATION

10. This case is the third in a series of class-action lawsuits filed against Genworth Life Insurance Company and Genworth Life Insurance Company of New York (collectively, "Genworth"). The first was *Skochin v. Genworth Life Ins. Co.*, No. 3:19-cv-00049-REP (E.D. Va.). The second was *Halcom v. Genworth Life Ins. Co.*, No. 3:21-cv-00019-REP (E.D. Va.).

11. I was initially retained as a neutral mediator by counsel for the parties in *Skochin* in August 2019. In my capacity as mediator, I consider myself to be a neutral, representing neither plaintiff nor defendant.

12. Through the mediation I conducted in *Skochin*, the parties settled *Skochin* on December 20, 2019, and this Court granted final approval of the settlement in *Skochin* on November 12, 2020. I understand that no appeals were taken by any objectors to the *Skochin* settlement and that the settlement is now final, with hundreds of millions of dollars in cash and additional long-term care having already been paid out to *Skochin* class members.

13. Thereafter, in light of the parties' success in reaching an amicable resolution of the Skochin matter and the extremely positive reaction the Skochin class was having to that settlement, I was retained by the parties in Halcom. Through the mediation I conducted in Halcom, the parties

reached a settlement in *Halcom* in August 2021, which, as of the signing of this declaration, awaits this Court's decision on whether to grant final approval following a fairness hearing held on February 9, 2022.

14. In the Fall of 2021, I was retained by the parties in this matter for the purpose of mediating the case and to assist in reaching a negotiated resolution. Around the same time, the parties and I agreed to schedule two separate mediation sessions, the first to take place on November 8, 2021 at the offices of Dentons US LLP in New York, New York, and the second to occur in my office in Miami, Florida from Friday, January 14, 2022 through Sunday, January 16, 2022.

15. Prior to mediation, I held separate conference calls with counsel for the plaintiffs and counsel for Genworth to discuss their preliminary thoughts and observations leading up to the scheduled mediation. The parties explained to me their views on the several issues, including: (a) how this matter differed in any respects from *Skochin* and *Halcom*; (b) whether the terms of any proposed settlement of this case should differ from the settlement terms in *Skochin* and *Halcom*; and (c) each party's views on the strengths and weaknesses of this particular case.

## **III. THE MEDIATED SETTLEMENT NEGOTIATIONS**

16. The parties in this case mediated with me all day on November 8, 2021. The purpose of this first mediation session was largely an information-sharing session where the parties were free to exchange facts and arguments about their positions in this case. The parties also spent a considerable amount of time discussing their positions on how this case was similar to, or different from, the prior *Skochin* and *Halcom* cases. During the mediation, plaintiffs' counsel propounded a number of fact questions to Genworth and requested a number of documents and data points from them. I understand that following this first mediation session, Genworth responded to those questions and produced requested information and materials to plaintiffs.

17. After taking time to digest the arguments at the November 8th session, and after reviewing the additional materials Genworth provided to plaintiffs, the parties again mediated with me all day on Friday, January 14, 2022, and again on Saturday, January 15, 2022.

18. The parties spent the better part of the first day of the second mediation session trying to negotiate a resolution of the case. The session concluded with the parties having made substantial progress on a general framework for a negotiated resolution.

19. By the end of the day on January 15, 2022, after three full days of mediating, the parties had reached an agreement, memorialized in a Memorandum of Understanding, setting forth the material terms of an agreement-in-principle to be incorporated into a formal Settlement Agreement for the Court's approval.

20. I never witnessed or sensed any collusiveness between the parties. To the contrary, at each point during these negotiations, the settlement process was conducted at arm's-length and, while professionally conducted and despite having reached two settlements in prior related cases, was quite adversarial. In fact, at several junctures it appeared that a resolution may not be reached.

21. It was only upon reaching an agreement on the substantive terms of a settlement and Class member relief that further consideration was given to a reasonable and appropriate attorneys fee that would be based on a percentage of the cash damages payments actually claimed by the Class, plaintiffs' counsels out-of-pocket costs incurred in prosecuting this case, and the plaintiffs' service awards, all of which were: (a) less than the Court approved in *Skochin*; (b) less than the parties agreed to seek in *Halcom*; and (c) that the parties understood would be subject to Court approval.

22. A review of my records shows that, in total, I personally spent in excess of 39.75 hours coordinating, preparing, pre-mediating, and mediating the resolution of this case.

23. Based on my experience as a mediator for over 30 years, I came away from the mediation process in this case with the same thoughts I did after mediation concluded in both *Skochin* and *Halcom*. First, I firmly believe that this settlement represents a reasonable and fair outcome for the Class given the parties' strongly-held positions throughout negotiations. As such, I strongly support the approval of the settlement in all respects. Second, the advocacy on both sides of the case remained outstanding. Plaintiffs' counsel and Genworth's in-house and outside counsel represented their clients with tremendous effort, creativity, and zeal. All counsel displayed the highest level of professionalism in carrying out their duties on behalf of their respective clients and the settlement is the direct result of all counsel's experience, reputation, and ability in complex class actions.

24. Should the Court have any questions of me or require any additional information regarding the parties' negotiations of the proposed settlement, I am happy to answer and provide the same (subject to the parties' approval of me providing any such information that would otherwise be protected under the settlement or mediation privilege).

I declare under penalty of perjury under the laws of the United States of America, that the foregoing is true and correct.

This Amended Joint Stipulation of Class Action Settlement and Release (the "Settlement Agreement") is made and entered into by and between Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten ("Named Plaintiffs"), on behalf of themselves and the putative class of individuals defined in this Settlement Agreement (collectively, "Plaintiffs"), on the one hand, and Defendants Genworth Life Insurance Company ("GLIC") and Genworth Life Insurance Company of New York ("GLICNY") (together, GLIC and GLICNY, "Genworth" or "Defendants"), on the other hand. Collectively, Plaintiffs and Defendants are referred to herein as the "Parties," and individually, each as a "Party." Subject to Court approval as required by Federal Rule of Civil Procedure ("FRCP") 23, the Parties hereby stipulate and agree that, in consideration of the promises and covenants set forth in this Settlement Agreement and upon entry by the Court of a final order and judgment and resolution of any appeals from that final order and judgment, this action shall be settled and compromised in accordance with the terms of this Settlement Agreement.

#### I. RECITALS

1. WHEREAS, on August 11, 2021, counsel for Plaintiffs provided pre-suit notice of this class action lawsuit to Genworth, alleging a course of conduct similar to that alleged in *Skochin v. Genworth Life Ins. Co.*, No. 3:19-cv-00049-REP (E.D. Va.) ("*Skochin*") and *Halcom v. Genworth Life Ins. Co.*, No. 3:21-cv-00019-REP (E.D. Va.) ("*Halcom*"), but on behalf of policyholders with policies not included in those prior lawsuits;

2. WHEREAS, the Parties have engaged in significant settlement efforts, including three full days of in-person mediation sessions on November 8, 2021, January 14, 2022, and January 15, 2022, before an experienced and highly qualified mediator, Rodney A. Max, who successfully mediated both the *Skochin* and *Halcom* settlements, and numerous additional

discussions through counsel, and this Settlement Agreement is a result of those significant, armslength negotiations;

3. WHEREAS, the Parties have exchanged information and documents concerning the Named Plaintiffs' and putative class claims as a part of the mediation process;

 WHEREAS, the Parties reached a settlement in principal on January 15, 2022, the material terms of which were memorialized in a Memorandum of Understanding ("Memorandum of Understanding");

5. WHEREAS, on January 28, 2022, Named Plaintiffs filed a complaint (the "Complaint") against Defendants for alleged misrepresentations based on the alleged failure to disclose material information in the premium rate increase letters sent for certain long-term care insurance policies issued by GLIC and GLICNY in the action styled *Haney v. Genworth Life Insurance Company*, No. 3:22-cv-00055-REP, in the United States District Court for the Eastern District of Virginia (the "Action"). Named Plaintiffs seek to represent a class of all Policyholders (defined below) who had received such letters in all fifty states and the District of Columbia, and Named Plaintiffs asserted claims for Fraudulent Inducement by Omission and for Declaratory Relief;

6. WHEREAS, Named Plaintiffs seek relief including compensatory, consequential, and general damages in an amount to be determined at trial, injunctive relief, costs and disbursements of the action, pre- and post-judgment interest, reasonable attorneys' fees, and such other and further relief as this Court may deem just and proper;

7. WHEREAS, on January 28, 2022, the Parties filed a Joint Motion for Entry of Scheduling Order, which the Court granted on February 1, 2022;

8. WHEREAS, on February 28, 2022, Defendants filed an Answer to the Complaint denying that Named Plaintiffs are entitled to any of the relief sought in the Complaint and asserting affirmative and other defenses to the Complaint;

9. WHEREAS, on April 1, 2022, the Parties entered into a Joint Stipulation of Class Action Settlement and Release that superseded and replaced the Memorandum of Understanding (the "April 1, 2022 Settlement Agreement") (ECF No. 28-1);

10. WHEREAS, on April 1, 2022, Named Plaintiffs filed a Motion to Direct Notice of the Proposed Settlement to the Class (ECF Nos. 26-28), and on May 2, 2022, the Court issued an Order Granting Preliminary Approval of Settlement and Directing Notice to Class (ECF No. 31);

11. WHEREAS, the Parties wish to enter into this Settlement Agreement with revisions to the Release by Named Plaintiffs and the Class (reflected in Paragraph 50(a) below), an updated Class Notice attached hereto as Appendix E, and other non-material changes;

12. WHEREAS, the Parties have engaged in significant discovery relating to Named Plaintiffs' and putative class claims alleged;

13. WHEREAS, Genworth denies and continues to deny any wrongdoing or legal liability for any alleged wrongdoing, does not admit or concede any actual or potential fault, wrongdoing, or legal liability in connection with any facts or claims that have been or could have been alleged in the Action, and contends that neither Named Plaintiffs nor the putative class have been injured or are entitled to any relief;

14. WHEREAS, Genworth denies that this case is suitable for class treatment other than in the context of a settlement or that Named Plaintiffs would be able to demonstrate on a contested motion that any non-settlement class should be certified;

15. WHEREAS, Named Plaintiffs believe all the claims alleged in the Action have merit and that the Action would be certified as a class action for trial under FRCP 23(b)(1), (b)(2) and (b)(3);

16. WHEREAS, the Parties reached this Settlement Agreement as a compromise of the disputed matters described herein and due to the uncertainties, risks, expenses, and business disruptions of continued litigation;

17. WHEREAS, this Settlement Agreement supersedes and replaces the April 1, 2022 Settlement Agreement and the Memorandum of Understanding;

18. WHEREAS, nothing in the Memorandum of Understanding, the April 1, 2022 Settlement Agreement, this Settlement Agreement, or in the settlement process should be construed as an admission of any liability fault, or wrongdoing by Genworth; and

19. WHEREAS, the Parties and their respective counsel have agreed that the Settlement Agreement is fair, reasonable, and adequate, and in the best interests of Named Plaintiffs and the Class (defined below), and have agreed to settle the Action taking into account the strengths and weaknesses of their respective claims and defenses and the risks of uncertainty absent settlement;

NOW THEREFORE, in consideration of the foregoing facts and of the agreements and consideration set forth below, the Parties mutually agree as follows:

petition for rehearing or reargument, petition for rehearing *en banc*, further appeals at any level, petition for certiorari, or any other form of review, have been finally disposed of in a manner that fully affirms the Final Order and Judgment.

31. <u>Flexible Benefit Option</u>: "Flexible Benefit Option" or "FBO" means an option that allows Class Members to adjust their coverage to a specific set of benefits to mitigate current and/or planned future rate increases and includes a new set premium rate that will not increase until at least January 1, 2025.

32. <u>Fully Paid-Up Status</u>: "Fully Paid-Up Status" means a status whereby a Class Policy is continued in full force and effect and no further premiums are owed. A Class Policy in Fully Paid-Up Status does not include a Class Policy that is in a Non-Forfeiture Status (defined below).

33. <u>Genworth Released Parties</u>: "Genworth Released Parties" means Defendants and each of Defendants' respective affiliates, predecessors, successors, parents, subsidiaries, and, for each of the foregoing, their current, former, and future directors, officers, direct and indirect owners, members, managers, attorneys, representatives, employees, and agents.

A Lapsed policy terminates and cannot be reinstated if it is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium. For purposes of this Settlement Agreement, a policy in Non-Forfeiture Status (defined below) is not a Lapsed policy.

"Non-Forfeiture Options" include, but are not limited to, benefits that may have been made available pursuant to: an optional Non-Forfeiture Benefit Rider; the Limited Benefits Upon Lapse Due to a Substantial

36. <u>Partnership Plan</u>: "Partnership Plan" means the Long-Term Care Partnership Program, which is part of a federally supported, state-operated initiative that allows individuals who purchase qualified long term care insurance policies or coverage to protect a portion of assets that they would typically need to spend down prior to qualifying for Medicaid coverage.

37. <u>Policyholder(s)</u>: "Policyholder(s)" means the policy owner, except:

(a) where a single policy or certificate insures both a policy or certificate owner and another insured person, "Policyholder(s)" means both the policy or certificate owner and the other insured person jointly;

(b) where the Class Policy at issue is certificate 7042CRT, 7044CRT, or any other Class Policy that is a certificate issued under a group long-term care insurance policy, "Policyholder(s)" means the certificate holder.

38. <u>Publication Notice</u>: "Publication Notice" means the notice of the Settlement Agreement recommended by the Settlement Administrator (defined below), subject to approval from the Parties, to be published on one business day in the national editions of *The New York Times, The Wall Street Journal*, and *USA Today*, no later than fifteen (15) days before the deadline for submitting Requests for Exclusion (defined below) from the Class in the form attached hereto as Appendix F.

43. <u>Terminated</u>: "Terminated" means a status whereby a Class Policy is no longer in force and is unable to be automatically reinstated by the Policyholder with payment of past due premium. It includes, for example, a Class Policy that has Lapsed beyond the period permitted for automatic reinstatement, a Class Policy that has been cancelled, or a Class Policy (including a policy in Non-Forfeiture Status) that is no longer in force because all available benefits have been exhausted.

44. Other capitalized terms used in this Settlement Agreement but not defined in Section II shall have the meanings ascribed to them elsewhere in this Settlement Agreement.

# **III. TERMS OF SETTLEMENT**

45. <u>Class Certification</u>:

(a) For purposes of settlement only, Genworth will not oppose Named Plaintiffs' motion seeking certification of the Class under FRCP 23(b)(3) and 23(e). Genworth expressly reserves its rights to oppose class certification if the Settlement Agreement is not approved or is terminated and does not admit that a class could otherwise be certified for trial. If this Settlement Agreement is not completed for any reason, Named Plaintiffs will not offer or use as evidence in

#### Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 14 of 86 PageID# 1147

this Action or in any other proceeding for any reason the fact that Genworth has agreed not to oppose a class for purposes of this Settlement Agreement.

(b) Genworth and its counsel shall have the right to review and comment on the draft motion for final approval of this settlement before such motion is filed with the Court. Plaintiffs will cooperate in good faith with Genworth and will not unreasonably refuse to accept and implement Genworth's suggestions or changes to the draft motion.

(c) Class Notice will be provided to the Class Members in the manner approved by the Court. Class Members will be afforded an opportunity to object to the settlement or opt-out of the Class.

46. <u>Consideration to Class</u>: In consideration for the Releases (paragraph 50 below), Genworth will provide Class Members with certain disclosures and settlement options (described in paragraph 46(a)-(g) below) as approved by the Court, subject to review and/or approval by State Regulators as set forth in paragraph 49 below.

(a) Genworth will send a special election letter ("Special Election Letter") to all
 Class Members providing the disclosures and offering settlement options that will be available to
 each Class Member.

(b) The disclosures in the Special Election Letter will be in the form and substance attached as **Appendix B** (the "Disclosures"). The options offered to Class Members in the Special Election Letter will include maintaining their current benefits at their existing filed rates (subject to any and all future rate increases that may be approved or otherwise permitted) or to elect from a selection of paid-up reduced benefit options and/or reduced benefit options (also subject to any and all future rate increases that may be approved or otherwise permitted) described in **Appendix C** (the "Special Election Options"), some of which also entitle Class Members to damages payments.

(c) Each Class Member may elect only one Special Election Option per Class Policy and, where a Class Policy insures a Class Member and another insured person (whether the other insured person is a Class Member or not), both the Class Member and the other insured person shall sign the form indicating their mutual choice of a Special Election Option.

(d) A template of the Special Election Letter, which will be customized for each Class Member's circumstances, is attached as **Appendix D**. Customization includes situations where not all Special Election Options will be offered to each Class Member, as described in paragraph 46(e)-(g) below.

(e) The specific Special Election Options offered to each Class Member will differ because they will be subject to: (i) the availability of those options based on each Class Member's current policy terms and benefits, (ii) whether the election of the option would result in the loss of Partnership Plan status for Class Policies issued in California, Connecticut, Indiana or New York ("Restrictive Partnership States"), and (iii) any State Regulator's review and input as described in paragraph 49 below. No Class Member shall be eligible to elect a Special Election Option that increases the amount of their current annual premium.

(f) The Special Election Options available to Class Members will be based on the Class Member's policy status and/or benefits at the time he or she makes an election, if any. Thus, in some instances where the Class Member's policy status and/or benefits change between the time his/her Special Election Letter is generated and time the Class Member makes an election, the Special Election Options available to a Class Member may differ from what is reflected in his or her Special Election Letter.

(g) A Class Member can only elect available Special Election Options while the Class Member's policy is in force. If, before electing a Special Election Option, a Class Member's policy Lapses and is outside any period Genworth allows for the policy to be automatically

reinstated with payment of past due premiums, or the policy otherwise Terminates, then Special Election Options will not be available to that Class Member; if a Class Member's policy Lapses but is still in the period where Genworth allows for the policy to be automatically reinstated by paying any past-due premium, then the past due premium must be paid before the Class Member can elect a Special Election Option.

47. <u>Mailing of the Special Election Letter(s)</u>:

(a) The Special Election Letter shall be a mailing separate from the Class Notice.

(b) The Special Election Letter shall be sent after the Final Settlement Date and is subject to paragraph 49 below.

(c) The Special Election Letter will be sent after GLIC and GLICNY have had sufficient time to properly prepare their administration systems for the mailing, processing, and servicing of Special Election Letters and elections, after the Final Settlement Date.

(d) Once the preparation of the administration systems is complete ("Systems Administration Completion") and subject to any ongoing communications with any State Regulator(s) as discussed in paragraph 49, Special Election Letters will be mailed approximately six (6) to nine (9) months before each Class Member's next billing anniversary date for his or her Class Policy following Systems Administration Completion.

(e) Genworth shall have the option to mail additional letters to Class Members, approximately thirty (30) days and approximately sixty (60) days after the mailing of the Special Election Letter, for the purpose of reminding Class Members that they may respond to their Special Election Letters.

48. <u>Return of the Special Election Letter(s)</u>:

(a) Class Members are not required to choose any Special Election Option and can leave their current Class Policy benefits unchanged, in which case they do not have to complete

#### Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 17 of 86 PageID# 1150

or return a special election form. Class Members who wish to select a Special Election Option shall have ninety (90) calendar days after the date the Special Election Letter is mailed to choose a Special Election Option by sending Genworth a completed form indicating their selection of a Special Election Option postmarked for return mailing by that date or, in the alternative, by fax or email received by Genworth by that date.

(b) Class Members who do not communicate a Special Election Option selection to Genworth (by form postmarked for return mailing or, in the alternative, by fax or email) within ninety (90) calendar days forever waive their ability to select a Special Election Option and shall still be members of the Class for purposes of this Settlement Agreement, including, but not limited to, the Released Claims (paragraph 50 below). However, Genworth may, at its option, process late Special Election Option forms. Genworth shall have no obligation to audit postmark return dates.

(c) Once a Class Member communicates a Special Election Option selection to Genworth, he or she will not be allowed to select any other Special Election Option or reverse or change his or her decision.

(d) If a Class Member elects a Special Election Option for which he or she is not eligible at the time of the election (*see, e.g.*,  $\P$  46(f)), Genworth may provide that Class Member an additional ninety (90) days to make an election from available Special Election Options.

49. <u>State Regulatory Review and Conflict Carve-Out:</u>

(a) Genworth shall provide the form of the Special Election Letter preliminarily approved by the Court to each State's State Regulator for review prior to a Special Election Letter being sent to any Class Members whose Class Policy was issued in that State. This submission may, at Genworth's option, be a separate submission from the requirements of 28 U.S.C. § 1715(b).

(b) In connection with preliminary approval, the Parties asked the Court to set a date by which Genworth will report to the Court any concerns or proposed changes to the Disclosures, the Special Election Options, or the Special Election Letter received from State Regulators, if any.

(c) If any State Regulator raises a concern about, objects to, or prohibits all or part of the Special Election Letter or the Disclosures, Genworth, in consultation with Class Counsel, shall have a right to decide: (1) whether to not send the Special Election Letter; and/or (2) whether to modify the Special Election Letter for Class Members whose policies were issued in such State to meet such State Regulator's concerns.

(d) If any State Regulator objects to or prohibits all or part of a particular Special Election Option being offered to Class Members whose Class Policies were issued in that State, Genworth, in consultation with Class Counsel, shall have the right to modify the Special Election Letter and/or Special Election Option in response to the State Regulator's stated concern or objection.

(e) To allow Genworth to conclude its communications with State Regulator(s), Genworth shall also have the option to delay the mailing of the Special Election Letters to Class Members whose Class Policies were issued in any State(s) whose State Regulator(s) has/have raised a concern about or objected to all or part of the Special Election Letter or Disclosures or whose State Regulator(s) have not responded to the Special Election Letter or Disclosures.

(f) Genworth and Class Counsel shall confer about and make good faith efforts to agree upon any modification to the Disclosures, the Special Election Letter or the Special Election Options before final resolution of those issues with any State Regulator(s), but Genworth will have sole discretion to agree to any such resolution with any State Regulator.

(g) Only in the event that a State Regulator objects to or prevents Genworth from providing the substance of the Disclosures contained in **Appendix B** in any form and objects to or refuses to allow Genworth to offer any form of the Special Election Options, then Genworth, in consultation with Class Counsel, will follow such direction from the State Regulator, not send the Special Election Letter, and instead offer the impacted Class Members an election to obtain:

(i) For Class Members whose policies are still premium paying status, a \$100
 credit against future Class Policy premiums; or

(ii) For Class Members whose Class Policies are in Non-Forfeiture Statusonly, a \$100 one-time addition to the Class Member's Non-Forfeiture Option benefit pool.

50. <u>Release by Named Plaintiffs and the Class</u>:

(a) Upon the Final Settlement Date, each Class Member, as well as each Named Plaintiff, forever releases and discharges the Genworth Released Parties of and from any and all known or unknown, contingent or absolute, matured or unmatured, suspected or unsuspected, disclosed or undisclosed, foreseeable or unforeseeable, liquidated or unliquidated, existing or arising in the future, and accrued or unaccrued claims, demands, interest, penalties, fines, and causes of action, that the Named Plaintiffs and Class Members may have from the beginning of time through and including the Final Settlement Date that relate to claims alleged, or that have a reasonable connection with any matter of fact set forth in the Action including, but not limited to, any claims relating to rate increases on Class Policies prior to the Final Settlement Date. This release specifically includes any legal or equitable claim arising from or related to any election or policy change made or not made by any Class Members to his or her policy benefits prior to the Final Settlement Date. Named Plaintiffs and Class Members, subject to the exception set forth below, will further release the Genworth Released Parties and Class Counsel from any claims relating to or arising out of the Disclosures or the Special Election Letters the Class

Members are provided as part of the Settlement Agreement, including (but not limited to) claims specifically relating to any alleged omissions in the Disclosures or the Special Election Letters or to any decision, or non-decision, to maintain, modify, or give up coverage based on the Disclosures, the Special Election Letters, or the Special Election Options offered. Collectively, the claims described in this paragraph shall be referred to as the "Released Claims." A claim that a Class Member was harmed by an express and intentional misrepresentation: in the completed portion of the Disclosures that currently is bracketed in the template Special Election Letter appended as Appendix D to this Settlement Agreement, in the completed portions of the Special Election Options that are made available to that Class Member that currently are bracketed in the template Special Election Letter, or by the Genworth Released Parties or Class Counsel about the Disclosures, shall not be a Released Claim. A Class Member may pursue such a claim in this Court via complaint or petition within three years of the date the Class Member makes a Special Election or three years of the deadline for the Class Member to make a Special Election, whichever is earlier, provided that, before filing any such claim, the Class Member shall first notify the Parties of the basis for the claim and provide them with a reasonable opportunity to investigate and, if appropriate, remedy the alleged harm.

(b) The Released Claims shall not include a Class Member's claim for benefits under his or her Class Policy consistent with his or her policy coverage, nor shall it include a Class Member's challenge or appeal of Genworth's denial of benefits under his or her Class Policy.

Upon the Final Settlement Date, each Class Member and each Named Plaintiff
 expressly waives and releases any and all provisions, rights and benefits conferred by Section
 1542 of the California Civil Code, which reads:

#### A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING

#### THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Each Named Plaintiff and each Class Member similarly waives any and all rights and benefits conferred by any law of any state or territory of the United States or any other jurisdiction or principle of common law, which is similar, comparable or equivalent to Section 1542 of the California Civil Code. Each Named Plaintiff and each Class Member may hereafter discover facts other than or different from those which he or she knows or believes to be true with respect to the Released Claims, but each Named Plaintiff and each Class Member hereby expressly waives and fully, finally, and forever settles and releases, upon the Final Settlement Date, any known or unknown, suspected or unsuspected, contingent or non-contingent claim that would otherwise fall within the definition of Released Claims, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

51. <u>Covenant Not to Sue by Named Plaintiffs and the Class</u>: Class Members and Named Plaintiffs covenant not to sue, directly or indirectly, any of the Genworth Released Parties or Class Counsel with respect to any of the Released Claims. Class Members and Named Plaintiffs shall forever be barred and enjoined from directly or indirectly filing, commencing, instituting, prosecuting, maintaining, joining, or intervening in any action, suit, cause of action, arbitration, claim, demand, or other proceeding in any jurisdiction, or before any tribunal or administrative body (including any State Regulator, State Department of Insurance or other regulatory entity) whether in the United States or elsewhere, on their own behalf or in a representative capacity, that is based upon or arises out of any of the Released Claims. If any Class Member or Named Plaintiff breaches this covenant not to sue, the Genworth Released Parties or Class Counsel, as the case may be, shall be entitled to all damages resulting from that

breach including but not limited to attorneys' fees and costs in defending such an action or enforcing the covenant not to sue.

52. <u>Release by Genworth</u>: Upon the Final Settlement Date, Genworth shall release and discharge Named Plaintiffs, the Class, and Class Counsel from any and all claims that arise out of or relate to the institution, prosecution, or settlement of the claims against Genworth in the Action, except for claims relating to the breach or enforcement of this Settlement Agreement.

53. <u>No Admission Of Liability</u>: This Settlement Agreement is a compromise of disputed claims and the consideration provided for herein is not to be construed as an admission on the part of any Party hereto. Genworth denies any liability or wrongdoing of any kind associated with the claims alleged in this lawsuit and further denies, for any purpose other than that of settling the Action, that this lawsuit is appropriate for class treatment. Genworth shall not make any allegation that this lawsuit was filed in bad faith or was frivolous. Named Plaintiffs and Genworth are settling this case voluntarily after consultation with competent legal counsel. Throughout the course of the litigation, the Parties and their counsel complied with the provisions of FRCP 11. This Settlement Agreement shall not be used for any purpose, including as evidence by any of the Parties in any judicial, administrative, arbitration, or other proceeding, except for this current proceeding and for the purpose of enforcing the rights and obligations created hereby.

54. <u>Potential Tax and Partnership Plan Consequences</u>: Payments made in connection with this Settlement Agreement, any Special Election Option, and/or any decision by a Class Members to modify his or her benefits may have tax consequences and/or consequences on his or her Partnership Plan status, for which he or she is solely responsible.

(a) Each Class Member is solely responsible for assessing his or her potential tax and
 Partnership Plan consequences, and each Class Member's tax obligation is the sole responsibility
 of the Class Member.

(b) Neither Genworth nor Class Counsel shall be responsible or liable for any tax, Partnership Plan, or any other financial consequences of any Special Election Option selected by any Class Members.

(c) Neither Genworth nor Class Counsel express any opinion concerning tax or economic consequences of the settlement or receipt by Class Members of any money as a result of the settlement, and make no warranties or other assurances regarding tax or economic consequences.

(d) Genworth reserves the right to report to federal or State tax authorities, including the IRS, payments made in connection with this Settlement Agreement and the Special Election Options.

55. <u>Payment of Class Counsel's Attorneys' Fees</u>: If approved by the Court, Genworth shall pay Class Counsel's reasonable attorneys' fees and litigation expenses, without reducing the benefits to any Class Members, as follows:

(a) A payment equivalent to 15% or, if the Court orders a lower percentage to be paid to Class Counsel as attorneys' fees, the lower percentage, of the damages payments paid to Class Members who elect any of the following Special Election Options described in Appendix B:
I.A.1, I.B.1.a-c, I.B.2.a, II.1, II.2, and III (the "Contingency Fees"). The amount of the Contingency Fees shall be no greater than \$13,000,000.00.

(b) Payments for Contingency Fees shall be calculated within twenty-one (21) calendar days of the end of the Quarter and paid within fourteen (14) calendar days of that calculation.

56. <u>Payment of Class Counsel's Reasonable Expenses:</u>

(a) Genworth shall pay Class Counsel's reasonable litigation expenses approved by the Court in an amount not to exceed \$50,000.

(b) None of the expenses shall be deducted from the payments to Class Members.

(c) These payments shall be made within seven (7) calendar days of the FinalSettlement Date, or the Final Fee Award, whichever is later.

57. Named Plaintiffs' Service Payments:

(a) Genworth will pay within seven (7) calendar days of the Final Settlement Date a service payment to each of the Named Plaintiffs (or if the Named Plaintiff passes away at any time following the execution of this Settlement Agreement, to Named Plaintiff's estate) in an amount awarded by the Court, not to exceed \$15,000.00 to each Named Plaintiff, and the total cumulative award to all five Named Plaintiffs shall not exceed \$75,000.00.

(b) None of these service payments shall be deducted from the payments to Class Members.

#### 58. <u>Non-Disparagement, Confidentiality, and Public Statements:</u>

(a) Named Plaintiffs, Genworth, Class Counsel, and Genworth's counsel shall not make any statements, orally or in writing, to third parties that disparage, are inimical to, or damage the reputation of the Parties. Disparaging remarks, comments, or statements are those that impugn the character, honesty, integrity, morality, business acumen, motives or abilities of the Parties.

(b) Named Plaintiffs, Genworth, Class Counsel, and Genworth's counsel shall not make public statements regarding the Settlement Agreement at any time except as required by law or with the prior approval of the other Party except that Class Counsel, Genworth, and Genworth's counsel may make any statements necessary to communicate with Class Members in

response to questions they raise after receipt of Class Notice or the Special Election Letter, including, but not limited to, through a call center or toll-free number by Genworth, Class Counsel, or the Settlement Administrator and/or website maintained by Genworth or the Settlement Administrator, and Genworth may make appropriate or necessary statements to their investors, regulators, and in connection with regulatory or required reports and filings.

(c) Named Plaintiffs and Class Counsel shall not advertise, promote, or share news or information concerning or related to the Settlement Agreement at any time with the media or others who are not necessary to effectuate the terms of the Settlement Agreement, except that Class Counsel may, subject to Genworth's prior approval, publish the Settlement Agreement on their law firms' respective websites along with a brief, accurate statement regarding the Settlement Agreement and a link to the settlement website for additional information.

(d) If, at any time, either Genworth, Named Plaintiffs, Class Counsel, or the Settlement Administrator (defined below) receives any subpoena or other request for information or documents concerning this settlement or Settlement Agreement, the recipient of such subpoena or request shall provide within five (5) calendar days of receipt of such subpoena or request, notice to Class Counsel and Genworth's counsel and shall not disclose or produce any information or documents to the subpoenaing or requesting person or entity unless (i) Class Counsel and Genworth's counsel have approved disclosure or production, (ii) Class Counsel, Genworth, and Genworth's counsel have not objected to the subpoena or request within the applicable time to do so, or (iii) the Court or other tribunal with jurisdiction over the subpoena or request has authorized or directed production of such information or documents.

59. <u>Settlement Administrator</u>: Subject to the Court's approval, the Parties shall utilize Epiq Class Action & Mass Tort Solutions, Inc., a neutral third party, as the "Settlement Administrator." The Settlement Administrator shall be responsible for mailing Class Notices (as

further described below), maintaining a settlement website (as to which Genworth and Named Plaintiffs shall agree in good faith on form and substance), receiving and reviewing Requests for Exclusion (defined below), providing regular reports on the administration of the settlement to Class Counsel and Genworth's counsel, and auditing Special Election Options pursuant to paragraph 66 below. Genworth shall pay all costs and expenses relating to the notice and settlement administration plan approved by the Court.

60. <u>Class Notice</u>:

(a) Within sixty (60) calendar days after the Court grants approval to provide the Class Notice, Genworth shall provide to the Settlement Administrator a list of all known Class Members with each Class Member's last-known mailing address from Genworth's records (the "Class List"). Within thirty (30) calendar days of receiving the Class List from Genworth, the Settlement Administrator shall send out the Class Notice by direct mail. There shall not be a claim form included with the Class Notice. The Class Notice is attached as **Appendix E**.

(b) Subject to Court approval, the Settlement Administrator shall also publish the Publication Notice (attached as **Appendix F**), which shall be at least an eighth of a page in size.

61. <u>Websites</u>:

(a) The contents of the Class Notice shall be reproduced on a website maintained by the Settlement Administrator, with the input and oversight of Genworth's counsel and Class Counsel. The website shall include information regarding the nature of the lawsuit, a summary of the substance of the settlement, the Class definition, the procedure and time period to request exclusion from and/or object to the settlement, and the date set for the Final Approval Hearing.

(b) Genworth may also maintain a website with information available for ClassMembers to consult upon receiving the Special Election Letters. Genworth shall provide Class

Counsel with an advance opportunity to review, comment, and make suggestions on the website content. Genworth shall cooperate with and not unreasonably refuse to accept such suggestions.

62. <u>Requests for Exclusion</u>: Class Members must submit any requests to be excluded from the Class ("Requests for Exclusion") to the Settlement Administrator with a postmark on or before sixty (60) calendar days after mailing of the Class Notice, as described in the Class Notice. So-called "mass" or "class" opt outs shall not be allowed. The Settlement Administrator shall promptly provide notice to Class Counsel and Genworth's counsel of any Requests for Exclusion that it receives.

63. <u>Termination</u>:

(a) If more than 10% of Class Members request exclusion from the Class or State Regulators representing 10% or more of the Class Members object to the Disclosures and/or Special Election Options, Genworth shall have the right, but not the obligation, to terminate this Settlement Agreement. Genworth may do so by giving written notice to Class Counsel within thirty (30) calendar days of the Settlement Administrator providing its final report of Requests for Exclusion to Genworth's counsel and Class Counsel. Termination shall void all of the rights, obligations, and Releases under this Settlement Agreement, except the provisions that are necessary to effectuate such termination.

(b) Separately and alternatively, Genworth and/or Named Plaintiffs may terminate this Settlement Agreement if the Court or any appellate court, rejects, modifies, or denies approval of any portion of the Settlement Agreement that the terminating party in its sole judgment and discretion reasonably determines is material, except that Genworth and/or Named Plaintiffs may not terminate because of a reduction in the amount of any award of attorneys' fees, expenses, or Named Plaintiffs' service payments authorized by the Court or any appellate court. Genworth may terminate this Settlement Agreement if the Court or any appellate court

#### Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 28 of 86 PageID# 1161

awards any attorneys' fees, expenses, or Named Plaintiffs' service payment in an amount higher than that specified in this Settlement Agreement and shall not be responsible for or liable to Class Counsel or Named Plaintiffs for any such higher amount.

64. <u>Objections</u>: Class Members must submit any objections to the settlement in writing to the Court with a postmark on or before sixty (60) calendar days after mailing of Class Notice, as described in the Class Notice.

65. <u>Special Election Letter and Option Questions</u>: Genworth may respond to communications and questions from Class Members regarding the Settlement Agreement and Special Election Options. Genworth will operate a call center and may maintain a website. Named Plaintiffs and Class Counsel agree that communications between Genworth and Class Members regarding the administration of the Settlement Agreement and the Special Election Options are expected, appropriate, and not in violation of any rules about communications with Class Members.

66. <u>Audit by Settlement Administrator</u>:

(a) Genworth shall process and track the Special Election Options elected by ClassMembers and sent by those Class Members to Genworth.

(b) Genworth, or its designee, shall generate quarterly reports to be provided to the Settlement Administrator of Genworth's record of Class Members' election of Special Election Options in its policy administration system as follows:

(i) Following the close of the first Quarter in which Genworth receives and records the first Class Member's Special Election Option, Genworth, or its designee, will send to the Settlement Administrator and Class Counsel a report of all elections Genworth has recorded in its policy administration system each Quarter within twenty-one (21) calendar days following the last day of that Quarter (the "Audit Report").

(ii) The Audit Report shall collectively include, for each election, the Class Members' Class Policy number, the Special Election Option selected, the amount of any cash damages to be paid as a result of any Special Election Option selected, the amount of any paidup benefits obtained by the election of a paid-up benefit option (i.e., Appendix C, Option I.A.1 and I.A.2), and the date that Genworth recorded the Class Member's Special Election Option into its policy administration system.

(c) For each Audit Report, the Settlement Administrator will select a random sample of Class Members not to exceed twenty-five (25) if the Audit Report lists one-thousand (1,000) or fewer Special Election Options and not to exceed fifty (50) if the Audit Report lists in excess of one-thousand (1,000) Special Election Options. Collectively, the foregoing information shall be referred to as the "Audit Sample."

(d) With respect to, and within twenty-one (21) calendar days of receiving the Audit Sample from the Settlement Administrator, Genworth, or its designee, will provide to the Settlement Administrator a copy of the written Special Election Options received from the selected Class Members and a spreadsheet or other document reflecting (i) the amount of any claims payments to the Class Members, (ii) the Class Member's (as billed) annual premium prior to the election of the Special Election Option, and (iii) annual premium for the Special Election Option selected. Collectively, the foregoing information shall be referred to as the "Audit Information."

(e) The Settlement Administrator shall, within fourteen (14) calendar days of receipt of the Audit Information, conduct an audit to determine if the Audit Information is consistent with the Audit Report and provide the results of that audit to both Genworth and Class Counsel. Collectively, the foregoing information shall be referred to as the "Audit Results." Genworth will

use good faith efforts to resolve any discrepancies identified by the Settlement Administrator's audit.

(f) If it is determined, whether as a result of an audit or otherwise, that Genworth made an error in processing, implementing, recording or reporting any Class Member's election or the calculation of any cash damages, Genworth shall not be liable to the Class Members or to Class Counsel for any damages or other relief, provided that the error is corrected.

(g) Any and all Audit Reports, Audit Samples, Audit Information, and/or Audit Results shall be treated as Confidential pursuant to the Protective Order in this Action.

67. <u>Defendants' Representations</u>:

(a) <u>Solvency</u>: As of the date of the execution of this Agreement, GLIC and GLICNY represent and warrant that they are solvent as determined by their respective State Regulator(s). GLIC and GLICNY further represent and warrant that, based on their respective current best estimates as of the date of the execution of this Settlement Agreement, the payment of cash damages, Contingency Fees, Class Counsel's litigation expenses, and Named Plaintiffs' service payments (the "Settlement Costs") will not cause GLIC or GLICNY to become insolvent under applicable State insurance rehabilitation, liquidation, and/or receivership laws.

(b) <u>Future Rate Increases</u>: GLIC and GLICNY represent and warrant that they will not use the Settlement Costs as part of the actuarial justification in seeking any additional future rate increases.

68. <u>Calculation of Deadlines</u>: For purposes of the calculation of any deadlines or time periods as detailed in this Settlement Agreement, "calendar days" means each day, not including the day of the act, event, or default from which a designated period of time begins to run, but including the last day of the period, unless it is a Saturday, Sunday, or U.S. federal government

#### Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 31 of 86 PageID# 1164

holiday, in which case the period runs until the end of the next day that is not a Saturday, Sunday, or U.S. federal government holiday.

69. <u>Enforceability</u>: This Settlement Agreement is fully enforceable and binding and is admissible and subject to disclosure in any proceeding to enforce its terms, notwithstanding the settlement and/or mediation confidentiality provisions that otherwise might apply under applicable law. The prevailing Party in any civil action to enforce this Settlement Agreement may petition the court to recover costs and reasonable attorneys' fees incurred in connection with such an enforcement action or motion. The Court shall retain jurisdiction over the Parties to enforce this Settlement Agreement and the Final Order and Judgment.

70. <u>Mutual Full Cooperation</u>: The Parties shall fully cooperate with each other and use their best efforts to accomplish the terms of this Settlement Agreement including, but not limited to, execution of such documents and to take such other actions as may be reasonably necessary to implement the terms of this Settlement Agreement.

71. <u>No Prior Assignments</u>: The Parties represent, covenant, and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action, or rights herein released and discharged except as set forth herein.

72. <u>Construction and Choice of Law</u>: The terms and conditions of this Settlement Agreement are the result of extensive, arm's-length negotiations between the Parties, and all Parties have participated in the drafting of this Settlement Agreement and setting forth its terms, and this Settlement Agreement shall not be construed in favor of or against any Party by reason of the extent to which any Party or their counsel has participated in the drafting of this Settlement Agreement. The law of Virginia shall govern this Settlement Agreement.

73. <u>Modification</u>: This Settlement Agreement may not be changed, altered, or modified except in a writing signed by GLIC, GLICNY, Class Counsel, and each of the Named Plaintiffs (in their individual and representative capacities), the Parties hereto, or as ordered by the Court following a written stipulation between GLIC, GLICNY, Class Counsel, and each of the Named Plaintiffs (in their individual and representative capacities) effectuated through their counsel or the verbal stipulation of counsel for GLIC, GLICNY, Class Counsel, and each of the Named Plaintiffs (in their individual and representative capacities) in open court.

74. <u>Notice</u>: All notices provided for under this Settlement Agreement shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, or by an overnight delivery service or by registered or certified mail, postage pre-paid, return receipt requested, as follows:

75. <u>Entire Agreement</u>: This Settlement Agreement contains the entire agreement between the Parties relating to this lawsuit, the settlement, and the transactions contemplated herein and supersedes all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written, and whether by a Party or such Party's counsel, related to the lawsuit or the settlement.

76. <u>Counterparts</u>: This Settlement Agreement may be executed in counterparts, which, when taken together with other signed counterparts, shall constitute one fully executed agreement that shall be binding upon and effective as to all Parties. # [Genworth Life Insurance Company's ("GLIC's")] [Genworth Life Insurance Company of New York's ("GLICNY's")] Plans for Significant Additional Future Rate Increases

As part of the *Haney* class action settlement, we are providing additional information on our current plans to seek future rate increases on your policy and policies like yours to assist you in evaluating which of the elections best meets your needs going forward. We plan to seek rate increases in most States over the next few years, and [we plan to seek cumulative rate increases of: (1) approximately [%] on policies with lifetime benefits and an Inflation Benefit (other than 1% compound), (2) approximately [%] on policies with lifetime benefits and 1% compound or no Inflation Benefit, (3) approximately [%] on policies with limited benefits and an Inflation Benefit (other than 1% compound), and (4) approximately [%] on policies with limited benefits and 1% compound or no Inflation Benefit in the State where your policy was issued.] < Policies in a category for which no increases are planned but are planned in other categories> [[We do not have immediate plans to seek premium rate increases on Your policy, though future increases are possible.] or [While we do not have immediate plans to seek rate increases on your policy and policies like yours [that previously elected a [Stable Premium Option] [Flexible Benefit Option]] in the State where your policy was issued, future premium increases are possible [after the expiration of your premium rate guarantee period.]] Future rate increases are important to our ability to pay future claims. The inability to obtain future rate increases may impair our ability to do so.

As explained further below, it is possible the actual rate increases we seek will be larger or more numerous than currently planned. As you review your election options, you should know that [A.M. Best, a global credit rating agency focused on evaluating the claims paying ability of insurance companies currently rates [GLIC's] [GLICNY's] financial strength as C++, indicating A.M. Best's view that [GLIC] [GLICNY] has a "marginal ability to meet [its] ongoing insurance obligations."]

These planned rate increases will only take effect as permitted by applicable State insurance

#### Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 53 of 86 PageID# 1186

regulators. Based on our experience, we expect that most States will continue to grant some portion or all of the requested rate increases. However, some States may not grant all or a portion of a requested rate increase and some cap the allowable annual increase on policies issued in their States. In States that do not grant the full increases requested, our current plan is to continue to file for rate increases up to the full amount of our original request. [Again, these rate increases will not affect your policy as your policy is fully paid-up and no more premiums are due.]

<if future rate increases planned> [Importantly, if either the performance of policies and/or economic conditions differ from our projections, our requested rate increases may be higher or lower than our current plans or we may also seek additional future rate increases which are not contemplated in our current plans.]

#### APPENDIX C

#### **SPECIAL ELECTION OPTIONS**

Below are Special Election Options pursuant to paragraph 43 of the Settlement Agreement. Pursuant to paragraph 43(g) of the Settlement Agreement, Special Election Options are only available to Class Members whose policies are in force when the Special Election Option is elected. To the extent that any State Regulator objects to one or more of the options set forth below, that option will not be made available to Class Members whose policies are regulated by that State.

#### I. Special Election Options For Class Members With Policies That Are Not In Non-Forfeiture Status

Class Members who have policies that are **not** in Non-Forfeiture Status, excluding Class Members whose level of benefits are below the level of benefits available in the defined option, will receive the following Special Election Options:

#### A. Paid-Up Benefit Options

- A settlement option consisting of two components: (a) a paid-up benefit equivalent to 100% of the Class Member's paid in premiums less \$10,000 and less claims paid over the lifetime of the policy, and (b) a damages payment of \$10,000. The total paid-up benefit amount available under this option shall not exceed the Class Member's current, actual lifetime maximum at the time his or her election is processed, less the Class Member's damages payment under this option.
- 2. A settlement option consisting of a paid-up benefit option equivalent to 1.5 times the difference between the Class Member's paid-in premiums to date less claims paid to the Class Member to date. The total paid-up benefit amount available under this option is capped at the actual lifetime maximum provided for under the electing Class Member's policy. This option will not include any damages payment.

### **B.** Reduced Benefit Options ("RBOs")<sup>1</sup>

## 1. RBOs For Class Members Who Currently Do Not Have Stable Premium Option ("SPO"), Or Flexible Benefit Option ("FBO") Policies

Class Members who currently have in force policies, *excluding* (1) Class Members who previously elected a SPO, or FBO, and/or (2) Class Members whose level of benefits are below the level of benefits available in the defined option, will have the following options:

- a. For Class Members with a Benefit Inflation Option ("BIO"), a settlement option consisting of two components: (a) a change in the Class Member's policy benefits that removes BIO with a reduction of their Daily/Monthly Benefit Amount ("D/M BA") to their original D/M BA (*i.e.*, the D/M BA that he or she had prior to any BIO increases)<sup>2</sup> for a reduced annual premium, and (b) a damages payment of \$6,000.
- b. For Class Members with BIO, a settlement option consisting of two components: (a) a change in the Class Member's policy benefits that reduces his/her BIO benefit to 1% compound inflation and recalculates his/her D/M BA by applying 1% compound inflation to his/her original benefit amount,<sup>3</sup> and (b) a damages payment of \$6,000.
- c. A settlement option consisting of two components: (a) a change in the Class Member's policy benefits that removes BIO (for those Class Members who have BIO), retains the Class Member's D/M BA, and for Class Members with a benefit period that is greater than three (3) years (four (4) years for shared policies), reduces the existing benefit period to three (3)

<sup>&</sup>lt;sup>1</sup> RBOs may be available to Class Members with Partnership Plans, subject to all other requirements, even if those options may result in the loss of Partnership Status. However, Reduced Benefit Options may not be available to Partnership Plans issued in California, Connecticut, Indiana, or New York ("Restrictive Partnership States") if those options may result in the loss of Partnership Status.

<sup>&</sup>lt;sup>2</sup> In some cases, Class Members may have made changes to their policies resulting in a recalculated original D/M BA, in which case, the recalculated original D/M BA will be used in connection with this Special Election Option.

<sup>&</sup>lt;sup>3</sup> In some cases, Class Members may have made changes to their policies resulting in a recalculated original D/M BA, in which case, the recalculated D/M BA will be used in connection with this Special Election Option.

years (four (4) years for Class Members with shared policies), and (b) a damages payment of \$6,000.

## 2. RBOs For Class Members Who Currently Are Not Eligible For The RBOs In Section I.B.1 Above (Except For Class Members With FBO Policies)

Class Members who currently are not eligible for the RBOs in Section I.B.1 above (except for Class Members with FBO Policies) will have an option that maintains their SPO status (if any) and consists of two additional components: (a) a reduction of the Class Member's D/M BA by 25%, and (b) a damages payment of \$1,000.

### II. Special Election Options For Class Members In Fully Paid-Up Status

- A settlement option consisting of two components: (a) a paid-up benefit equivalent to 100% of the Class Member's paid in premiums less \$10,000 and less claims paid over the lifetime of the policy, and (b) a damages payment of \$10,000. The total paid-up benefit amount available under this option shall not exceed the Class Member's current, actual lifetime maximum at the time his or her election is processed less the Class Member's damages payment under this option.
- 2. A settlement option consisting of two components: (a) a reduction of the Class Member's existing benefit period to the next lowest benefit option available (in the case for Class Members in a Fully Paid-Up Status that have unlimited benefit period policies, a six (6) year benefit period) and a reduction to his or her current D/M BA (after benefit inflation) by 25%, and (b) a damages payment equal to \$6,000.<sup>4</sup>

### III. Special Election Option For Class Members In Non-Forfeiture Status

 Class Members who were on Non-Forfeiture Status after January 1, 2014 but prior to making an election in this settlement will be provided with an option to elect a damages payment of \$1,000 and retain their current paid-up benefit.

<sup>&</sup>lt;sup>4</sup> This RBO may be available to Class Members with Partnership Plans, subject to all other requirements, even if those options may result in the loss of Partnership Status. However, RBOs may not be available to Partnership Plans issued in Restrictive Partnership States if those options may result in the loss of Partnership Status.

## IV. Special Election Options For Class Members In States That Do Not Allow The Disclosures Or Any Applicable Special Election Options To Be Provided

To the extent that any State refuses to allow any form of the Disclosures and the Special Election

Options agreed to in the underlying Agreement, the Class Members in that State will be offered:

1. For Class Members whose policies are still in force, an option to elect a \$100 credit against future

Class Policy premiums.

 For Class Members whose Class Policies are in Non-Forfeiture Status only, an option to elect a \$100 one-time credit to the Class Members' current benefit pool. Case 3:22-cv-00055-REP Document 43-2 Filed 09/16/22 Page 58 of 86 PageID# 1191

## **APPENDIX D**

## SPECIAL ELECTION LETTER

#### TEMPLATE

## **IMPORTANT SETTLEMENT INFORMATION**

You could get a cash payment up to \$[X.XX] and reduce or eliminate your premiums by adjusting your policy's coverage offered below.

To elect a Special Election Option, your response is required by [], 202[]. No response is required if you wish to maintain your policy as is.

#### Dear[Name],

Your long term care insurance policy is part of the class action settlement in *Haney et al. v. Genworth Life Insurance Company et al.*, Case No. 3:22-CV-00055-REP pending in the United States District Court for the Eastern District of Virginia. This letter includes information about your rights under the settlement. It is not a rate increase notice.

#### <if inforce with NFO >

[You have previously elected a paid-up option that required no further premium payments. As part of this settlement, you can elect a cash payment of \$1,000, and retain your current paid-up benefit. Nothing about your current coverage will change if you elect to receive the payment.]

#### <if in Fully Paid-Up Status>

[Your policy is fully paid-up and requires no further premium payments. As part of this settlement, we are making options available to you that allow you to reduce your current level of benefits in return for a damages payment. Please keep in mind that you are not required to choose any of these options to reduce your benefits, and you may keep your policy as is and not be required to make any further premium payments. Before making an election or deciding to keep your policy as is, we strongly encourage you to discuss the settlement options and the valuable coverage offered by your fully paid-up policy with your financial advisor, family members, or a member of our Customer Service Team by calling [800 883.1127]].

#### <if inforce, NOT with NFO>

[As a result of the settlement, we are making special settlement options available for you to reduce or eliminate future premiums in return for adjusting your policy's benefits, while still providing meaningful coverage. Most options also provide for a one-time cash payment to you. <u>You are not</u> required to choose any of these options, and you may instead keep your policy as is. Before making an election or deciding to keep your policy as is, we strongly encourage you to discuss the settlement options and the valuable coverage offered by your policy with your financial advisor, family members, or a member of our Customer Service Team by calling [800 883.1127].]

#### <if additional increases planned>

[As you evaluate these choices, please be aware that as of [mm/dd/yyyy], we plan to seek cumulative rate increases of (1) approximately [%] on policies with lifetime benefits and an Inflation Benefit (other than 1% compound), (2) approximately [%] on policies with lifetime benefits and 1% compound or no Inflation Benefit, (3) approximately [%] on policies with limited benefits and an Inflation Benefit (other than 1% compound), and (4) approximately [%] on policies with limited benefits and 1% compound or no Inflation Benefit in the State where your policy was issued. <Policies in a category for which no increases are planned but are planned in other categories> [We do not have immediate plans to seek premium rate increases on Your policy, though future increases are possible.] [Any future premium rate increase will be subject to approval by the State in which the [policy] was issued and, if approved,

may be approved for less than the amount requested by Genworth. If you decide to keep your existing coverage, or if you decide to select a settlement option that requires you to continue paying premium, your policy will be subject to premium rate increases in the future. Please also review the important disclosures provided as part of the settlement about our premium rate increase plans and our reasons for seeking such increases later in this letter.]

#### <if no additional increases planned or SPO or FBO>

[As you evaluate these choices, please be aware that we do not have immediate plans to seek premium rate increases on your [policy] and policies like yours <if SPO> [that have a Stable Premium Option] <if FBO> [that have a Flexible Benefit Option] in the State where your [policy] was issued, although future premium rate increases are possible <if SPO or FBO> [after the expiration of your premium rate guarantee period]. Any future premium rate increase will be subject to approval by the State in which the policy was issued and, if approved, may be approved for less than the amount requested by Genworth. If you decide to keep your existing coverage or if you decide to select a settlement option that requires you to continue paying premium, your policy may be subject to premium rate increases in the future.]

## <if Class Member has not already been notified of a new approved scheduled rate increase and one is pending and/or if a previous increase is being phased>

[In addition to the future rate increase plans, you should also consider that a new XX% premium rate increase is scheduled to take effect on your policy on XX/XX/XXXX [and will be phased in over X years].] [You should note that future rate increase plans are in addition to any previous increase that has already taken effect and is currently being phased in over a number of years for your policy.]

#### <if a paid-up option available>

[Any future premium rate increases would not be applicable if you choose a settlement option with a reduced paid-up benefit (Option 1 [or [Option 2]].)]

Your options are outlined below and are only available to you in this settlement. These options are separate and different from any reduced benefit options that may be available in connection with a premium rate increase. As you evaluate these options, you should consider if your circumstances have changed since you purchased your policy and review the Important Information about Your Settlement Options included with this letter.

#### <representative template options to be shown, if available>

#### <for Class Members with Class Policies that are not in Non-Forfeiture or Fully Paid-up Status> [Options 1 and 2:

Pay no more premiums and receive a reduced paid-up benefit amount, which would be available for future claim payments. **Option 1** provides a lower *basic* paid-up benefit (consisting of 100% of your paid-in premiums less \$10,000 and less any claims payments made to you to date), *plus* a one-time cash payment of \$10,000. **Option 2** includes an *enhanced* paid-up benefit equal to 1.5 times the difference between the total amount of premiums you have paid and the amount of claims payments made to you, if any. For details on these paid-up benefits, see the Important Information about your Settlement Options included with this letter. If you choose either of these paid-up benefit options, you will not be subject to any future premium payments or rate increases.]

#### Options [3, 4 and 5]:

<For Class Members who have not previously elected a SPO or FBO, have BIO, and whose benefits are above the level of benefits in the following defined options >

These options provide for a **one-time \$6,000 cash payment** to you. They may also provide for reduced premiums in return for certain reductions to your policy's current benefits. Although your premiums and benefits will be reduced under these options, your new reduced premiums would still be subject to future rate increases.

**[Option [3]** provides a change in your policy that removes your inflation benefit and reduces your [Daily][Monthly] Benefit Amount ("[D][M]BA") to your original ("[D][M]BA (i.e., the ("[D][M]BA that you had prior to any BIO increases)<sup>1</sup> for a reduced annual premium, *plus* a cash payment of \$6,000. **Option [4]** provides a change to your policy that reduces your BIO benefit to 1% compound inflation and recalculates your ("[D][M]BA by applying 1% compound inflation to your original benefit amount,<sup>2</sup> *plus* a cash payment of \$6,000. **Option [5]** provides a change to your policy that removes BIO, retains your current ("[D][M]BA, and reduces your existing benefit to [three (3) years] <if shared policy> [four (4) years], *plus* a cash payment of \$6,000.]

## <For Class Members who have not previously elected a SPO or FBO, do not have BIO, and whose level of benefits are above the level of benefits in following defined option>

<For Class Members who previously elected a SPO and/or Class Members whose level benefits are below the level of benefits in the defined options, except for Class Members with FBO Policies>

[**Option 3** will provide a reduction of your [Daily][Monthly] Benefit Amount by 25%, <if SPO> [allow you to maintain your Stable Premium Option status], *plus* a cash payment of \$1,000.]

#### <For Class Members in Fully Paid-Up Status>

**[Option 1** provides a *basic* paid-up benefit equivalent to 100% of your premiums paid to date, less \$10,000 and less any claims payments made to you to date, if any, *plus* a one-time cash payment of \$10,000. For details on this paid-up benefit, see the Important Information about your Settlement Options included with this letter. If you choose this option, you will remain in paid-up status and not be subject to any future premium payments or rate increases.

**Option 2** provides a change to your policy that reduces your existing benefit period to <for Class Members with limited benefit period policies> [the next lowest benefit option available] <for Class Members with unlimited benefit period policies> [a six (6) year benefit period] and reduces your current [D][M]BA (after any benefit inflation) by 25%, *plus* a cash payment of \$6,000.]

If you wish to choose one of the special settlement options you MUST sign and return by mail (postmarked by the return deadline), fax, or email the completed enclosed form indicating your choice by: [MONTH DAY, YEAR]. Once you send us a signed request to select a settlement option, you cannot reverse your selection. If you want to keep your policy as is, you need not do anything. \*Benefits, premiums and payment amounts in this chart are subject to confirmation and may change based on changes you make to your policy, including, for example, your receipt of any claim payments, your payment of any additional premium, or changes you make to your benefits. For more details, see the Important Information about your Settlement Options included with this letter.

\*\*Applicable to facility care benefits. Other benefits may also be subject to and/or based on the [Daily][Monthly] Benefit Amount.

\*\*\* This is the amount available to you for future claim payments. It is the Total Lifetime Benefit less past claims paid under the policy.

\*\*\*\*We will refund any premiums you have paid on your Class Policy that correspond to the time period after your new reduced paid-up benefit becomes effective, if any. Such refunded premium will not be used to calculate your new reduced paid-up benefit, and, as a result, your actual reduced paid-up benefit may be less than the reduced paid-up benefit amount stated above.

[Reducing benefits is an important decision that affects the amount of benefits available to you to pay for future

care. This is particularly true with respect to the Paid-Up Benefit Options, which may significantly reduce available benefits.]

Settlement options are only available to you if your policy is still in force or in non-forfeiture status at the time your election is postmarked for mailing or sent to us by fax or email. If your policy lapses but is still in the period during which your policy can be automatically reinstated by paying any past-due premium, you will need to reinstate your policy by paying the past-due premium before you may select one of these options.

## We encourage you to discuss the options with your financial advisor, family members, or a member of our Customer Service Team by calling [800.883.1127].

## **IMPORTANT SETTLEMENT INFORMATION**

[Genworth Life Insurance Company's ("GLIC's")] [Genworth Life Insurance Company of New York's ("GLICNY's")] Plans for Significant Additional Future Rate Increases

As part of the *Haney* class action settlement, we are providing additional information on our current plans to seek future rate increases on your policy and policies like yours to assist you in evaluating which of the elections best meets your needs going forward. We plan to seek rate increases in most States over the next few years, and [we plan to seek cumulative rate increases of: (1) approximately [%] on policies with lifetime benefits and an Inflation Benefit (other than 1% compound), (2) approximately [%] on policies with lifetime benefits and 1% compound or no Inflation Benefit, (3) approximately [%] on policies with limited benefits and an Inflation Benefit (other than 1% compound), and (4) approximately [%] on policies with limited benefits and 1% compound or no Inflation Benefit in the State where your policy was issued.] <Policies in a category for which no increases are planned but are planned in other categories> [We do not have immediate plans to seek premium rate increases on Your policy, though future increases are possible.]. *or* [While we do not have immediate plans to seek rate increases on your policy and policies like yours [that previously elected a [Stable Premium Option] [Flexible Benefit Option]] in the State where your policy was issued, future premium increases are possible [after the expiration of your premium rate guarantee period.] Future rate increases are important to our ability to pay future claims. The inability to obtain future rate increases may impair our ability to do so.

As explained further below, it is possible the actual rate increases we seek will be larger or more numerous than currently planned. As you review your election options, you should know that [A.M. Best, a global credit rating agency focused on evaluating the claims paying ability of insurance companies currently rates [GLIC's] *[*GLICNY's] financial strength as C++, indicating A.M. Best's view that GLIC[NY] has a "marginal ability to meet [its] ongoing insurance obligations."]

These planned rate increases will only take effect as permitted by applicable State insurance regulators. Based on our experience, we expect that most States will continue to grant some portion or all of the requested rate increases. However, some States may not grant all or a portion of a requested rate increase and some cap the allowable annual increase on policies issued in their States. In States that do not grant the full increases requested, our current plan is to continue to file for rate increases, which may exceed the full amount of our original request. [Again, these rate increases will not affect your policy as your policy is fully paid-up and no more premiums are due.]

<if future rate increases planned> [Importantly, if either the performance of policies and/or economic conditions differ from our projections, our requested rate increases may be higher or lower than our current plans or we may also seek additional future rate increases which are not contemplated in our current plans.]

Sincerely,

Genworth Life Genworth Life of New York Administrative Office: 3100 Albert Lankford Drive Lynchburg, VA 24501

#### Definitions

These are summary definitions of terms used in the accompanying *Haney* class action settlement letter, the Coverage Options Form, and this important information document. Please see your policy for complete definitions and details.

Cash Payment	The payment you will receive as a result of selecting a special Settlement Option that provides for a cash payment. The payment arises from the class action settlement and is not a policy benefit.
[Annual] Premium	This is the amount you must pay [every year], [twice a year], [each quarter], <i>or</i> [each month] in a timely manner to keep your policy in effect. If you select a settlement option with reduced premiums, your new premium will generally take effect as of the beginning of the next policy month after we receive your signed selection. Each policy month generally begins on the same day of the month as your policy anniversary date. Any future rate increases will be based on your new reduced premium amount. <if a="" fully="" in="" is="" non-forfeiture="" or="" paid-up="" policy="" status=""> [Since your policy is paid-up [under a non-forfeiture benefit], premiums are not required and future increases will not apply to your policy.]</if>
[Daily][Monthly]Ben efit Amount [(DBA)][(MBA)]	The [daily][monthly] limit on the combined total for all benefit payments subject to the [Daily][Monthly] Benefit Amount. [It is called the "Daily Maximum" or "Daily Payment Maximum" in the policy.][It is called the "Monthly Maximum" in the policy.]
Inflation Benefit	A benefit that increases your policy's benefits each year as shown in your policy. In the policy, it is called a "Benefit Increases" provision.
Insured Person	The policyholder named in the policy schedule, and another insured person, if any, who is also named in the policy schedule.
Elimination Period	This is generally the number of days for which each Insured Person must incur expenses that qualify for payments under [policy] benefits subject to the Elimination Period, before we will commence paying benefits. [. See your [policy] for complete details on the Elimination Period.]
Benefit Period	This is generally the minimum period of years your policy will provide coverage. While the Benefit Period is not a policy definition, it is used to determine your policy's Total Lifetime Benefit.
Total Lifetime Benefit	The combined total amount we will pay as benefits under this policy. It is called the "Lifetime Maximum" or "Lifetime Payment Maximum" in the policy.

#### Benefit values are approximate

Benefit values presented in the accompanying letter and Coverage Options Form are approximate due to rounding and certain timing considerations. If you select one of the settlement options, you will receive a written confirmation from us showing your new benefit values. Covered benefits payable at the time of a claim will be calculated in accordance with your policy.

#### Considerations related to adjusting your coverage

All of the settlement options available to you may not be of equal value.

<If Partnership State> [If you have a Partnership policy, reducing your coverage may affect your Partnership Status. For example, it may result in a change in your asset protection type and may reduce your overall protection.] 
Where applicable >[We understand that electing any of the available settlement options will result in the loss of Partnership status[.][, except for the settlement option that includes a reduction of your Inflation Benefit to 1% compound, which we understand will to continue to qualify for Partnership Status.] You can contact your Partnership Plan for additional information.

Benefits are payable only when you meet the terms and conditions for receiving benefits under your policy.

If you remove an Inflation Benefit from your policy, your [Daily][Monthly] Benefit Amount and Total Lifetime Benefit will not increase.

Your Benefit Period is the period of time that is used to calculate the Total Lifetime Benefit. Your coverage is based on this Total Lifetime Benefit, not a certain period of time. If your

[Daily][Monthly] Benefit Amount and/or the Benefit Period are reduced, the Total Lifetime Benefit payable under your policy will automatically be reduced because the policy maximum is a function of the [Daily][Monthly] Benefit Amount and the Benefit Period. In addition, other benefit amounts may be reduced.

#### Adjustment to premium

If you select a settlement option that eliminates an Inflation Benefit or otherwise reduces your coverage, for all options other than a reduced paid-up benefit option, your new premium will be determined as follows: Your new premium will be the same as what it would have been (at the time your settlement option becomes effective and including all premium increases) if your policy had included the reduced benefits since it first took effect. This premium is subject to change in accordance with the terms of your policy.

#### Premium payments by automatic withdrawal/third-party account/online banking

If you are using automatic withdrawals, the new required premium will be automatically deducted from your bank checking account. If you are using a third-party account, or online banking to pay your premiums, please be sure to make the proper adjustments and arrangements for paying the new required premium amount.

#### Total Lifetime Benefit is reduced by benefit payments

Any benefits paid or payable are deducted from the reduced Total Lifetime Benefit. This means the combined maximum policy benefits available for all insureds under the policy will be the new Total Lifetime Benefit less claims paid under the policy. Therefore, if you have previously been on claim, carefully consider whether reducing your benefits is appropriate for your circumstances. [(Note that the new Total Lifetime Benefit for any reduced paid-up option will already reflect the reduction of past claims.)]

#### <if in premium paying status> Selecting a Paid-up Benefit

If you select a settlement option with a reduced paid-up benefit, your Total Lifetime Benefit will be reduced, any Inflation Benefit provision will be removed from your policy, and you will no longer have to pay policy premiums. Both the enhanced and basic reduced paid-up benefit options are types of Nonforfeiture Benefits, and will be treated as such under the terms of your policy or policies.

For the settlement option that includes the enhanced reduced paid-up benefit, and no cash payout, the new Total Lifetime Benefit will equal 150% of the difference between the sum of all premiums paid under the policy (excluding any waived premium), and the amount of all benefits paid or payable under the policy for expenses incurred prior to the date the settlement option takes effect. The total paid-up benefit available under this option shall not exceed the Class Member's actual lifetime benefit at the time the election is processed.

[For the settlement option that includes the basic reduced paid-up benefit, as well as a cash payout, the new Total Lifetime Benefit will equal 100% of the sum of all premiums paid under the policy (excluding any waived premium) minus \$10,000.00, minus the amount of all benefits paid or payable under the policy for expenses incurred prior to the date the settlement option takes effect]. The total paid-up benefit amount available under this option is capped at the Class Member's current actual lifetime benefit at the time the election is processed less the Class Member's damages payment under this option. This option will include a \$10,000 cash payment.

Continuation of the policy under the enhanced reduced paid-up benefit [or the basic reduced paid-up benefit] is subject to the following conditions: (a) the policy will be continued under a paid-up status (with no further premium becoming due), subject to all of the terms and conditions of the policy; (b) except as stated below, and subject to the reduced Total Lifetime Benefit, the policy will have the same benefits, Elimination Period, and other policy limits in effect on the date the settlement option takes effect, (c) any Inflation Benefit that was in effect under the policy will no longer apply, which means Daily/Monthly Benefit Amounts and the new Total Lifetime Benefit will not increase, (d) any survivorship benefit, restoration of benefits, or return of premium benefit will no longer apply to the policy and (e) coverage will end and the policy will terminate when the total benefits paid under the policy after the settlement option takes effect equals the Total Lifetime Benefit for the reduced paid-up benefit as of the date the settlement option takes effect.

#### Please note: selecting a reduced paid-up benefit will reduce the policy benefits available to you.

#### <if in Fully Paid-Up Status> Selecting a Basic Reduced Paid-up Benefit

If you select a settlement option with a paid-up benefit, your Total Lifetime Benefit will be reduced and any Inflation Benefit provision will be removed from your policy. The reduced paid-up benefit option is a type of Nonforfeiture Benefit, and will be treated as such under the terms of your policy or policies. If you select a settlement option with a reduced paid-up benefit, other Nonforfeiture Benefits or similar benefits in your policy will no longer be available to you.

The new Total Lifetime Benefit will equal 100% of the sum of all premiums paid under the policy (excluding any waived premium) minus \$10,000.00, minus the amount of all benefits paid or payable under the policy for expenses incurred prior to the date the settlement option takes effect. The total paid-up benefit amount available under this option is capped at the Class Member's current actual lifetime benefit at the time the election is processed less the Class Member's damages payment under this option. This option will include a \$10,000 cash payment.

Continuation of the policy under the basic reduced paid-up benefit is subject to the following conditions: (a) the policy will be continued under a paid-up status (with no further premium becoming due), subject to all of the terms and conditions of the policy; (b) except as stated below, and subject to the reduced Total Lifetime Benefit, the policy will have the same benefits, Elimination Period, and other policy limits in effect on the date the settlement option takes effect, (c) any Inflation Benefit that was in effect under the policy will no longer apply, which means

Daily/Monthly Benefit Amounts and the new Total Lifetime Benefit will not increase, (d) because the policy will be in a Nonforfeiture Benefit status, any survivorship benefits, restoration of benefits, or return of premium benefit provisions that were a part of your policy will no longer apply to the policy, and (e) coverage will end and the policy will terminate when the total benefits paid under the policy after the settlement option takes effect equals the Total Lifetime Benefit for the reduced paid-up benefit as of the date the settlement option takes effect.

#### Selections of a special settlement option cannot be reversed

Once you send us a signed request to select a settlement option, you cannot reverse your selection. This means we will process any premium and/or benefit reductions for the settlement option and you will not be able to revert back to the premium and benefits you had before your selection. For policies that insure both the policyowner and another Insured Person, the selection of a settlement option cannot be reversed once both the policyowner and other Insured Person send us a signed request to select the settlement option. Because a settlement option cannot be reversed once selected, please carefully consider whether it is right for you before you send us your selection.

#### Taxes

Your policy, including any reduced benefits associated with the selection of a settlement option, is intended to be a federally tax qualified long term care insurance contract under Section 7702B(b) of the Internal Revenue Code of 1986, as amended.

It is your responsibility to assess any potential tax consequences of selecting a settlement option, including, for example, whether any cash payment you receive is taxable. Please consult with your tax advisors. Genworth cannot provide tax advice.

#### **Unearned Premium**

We will refund any premiums you have paid on your Class Policy that corresponds to the time period after your new reduced paid-up benefit becomes effective, if any. Such refunded premium will not be used to calculate your new reduced paid-up benefit, and, as a result, your actual reduced paid-up benefit may be less than the reduced paid-up benefits in your Special Election Letter.

## **CLASS NOTICE**

## NOTICE OF PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT

## Haney, et al. v. Genworth Life Insurance Company, et al.

United States District Court for the Eastern District of Virginia (Richmond Division), Case No. 3:22-cv-00055-REP

**TO:** POLICYHOLDERS OF GENWORTH LIFE INSURANCE COMPANY ("GLIC") AND GENWORTH LIFE INSURANCE COMPANY OF NEW YORK ("GLICNY") (collectively GLIC and GLICNY are referred to as "Genworth") LONG-TERM CARE INSURANCE POLICIES ON POLICY FORMS OR CERTIFICATES IDENTIFIED IN THE ATTACHED APPENDIX 1 (the "Class Policies") IN FORCE ON OR AFTER JANUARY 1, 2013, WHOSE POLICIES HAVE NOT LAPSED OR BEEN TERMINATED (AND NOT REINSTATED) ON OR BEFORE JANUARY 1, 2014.

YOU ARE HEREBY NOTIFIED that a proposed settlement of the above-entitled class action lawsuit ("the Class Action") pending in the United States District Court for the Eastern District of Virginia (the "Court") has been reached between Genworth and Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten ("Named Plaintiffs"), on behalf of themselves and the putative class of individuals defined as "Class Members" below (collectively, "Plaintiffs") (together, Genworth and Plaintiffs are referred to as the "Parties"), and on May 2, 2022, the settlement was granted preliminary approval by the Court supervising the lawsuit.

THE PURPOSE OF THIS NOTICE is to describe the Class Action, to inform you of the proposed settlement terms, and to inform you of your potential rights and options in connection with the settlement. You are encouraged to visit the settlement website at **www.Choice2LongTermCareInsuranceSettlement.com** for the precise terms and conditions of the settlement, the complete Settlement Agreement, pleadings and documents on file in this case, and other information about this settlement, including important dates, and a full description of the settlement options you may be offered if the Court approves the settlement.

The settlement will resolve all claims in the above-entitled Class Action. A court hearing concerning the fairness of the settlement (the "Final Approval Hearing") will be held on November 17, 2022 at 10:00 a.m. at the following address: The Spottswood W. Robinson III and Robert R. Merhige, Jr., Federal Courthouse, 701 East Broad Street, Richmond, VA 23219, Richmond Court Room 7400 to determine whether the settlement should be given final approval by the Court. You are <u>not</u> required to attend the hearing in order to participate in the settlement. BECAUSE YOUR RIGHTS MAY BE AFFECTED, IT IS EXTREMELY IMPORTANT THAT YOU READ THIS ENTIRE NOTICE CAREFULLY.

## A. DESCRIPTION OF THE CLASS ACTION

On January 28, 2022, five individuals with GLIC or GLICNY Choice 2, Choice 2.1, California CADE, California Reprice, and/or California Unbundled long term care insurance policies, Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten, filed a Class Action Complaint against Genworth in the United States District Court for the Eastern District of Virginia, alleging that Genworth intentionally withheld material information from Policyholders with respect to the full scope and magnitude of Genworth's rate increase action plans and its reliance on Policyholders paying increased rates to pay future claims (the "Complaint"). The Named Plaintiffs' Complaint alleged that they did not challenge Genworth's right to increase premiums under the policies or Genworth's justification for rate increases. Instead, the Complaint asserted claims for Fraudulent Inducement by Omission and for Declaratory Relief.

Genworth denies any wrongdoing or legal liability for any alleged wrongdoing in connection with any facts or claims that have been or could have been alleged in Named Plaintiffs' lawsuit, whether on behalf of the Named Plaintiffs or Class Members. Genworth contends that the Named Plaintiffs' and Class Members' claims challenged Genworth's right to increase premiums and thus are barred by the filed-rate doctrine, and that neither Named Plaintiffs nor the putative Class has been injured or is entitled to any relief. The Court has not ruled on the merits of the claims or defenses.

All Parties believe in the merits of their respective claims and defenses. Nevertheless, due to the uncertainties, risks, expenses, and business disruption of continued litigation, the Parties have agreed to settle the lawsuit after voluntary mediation proceedings involving a mediator. The Parties have entered into a Joint Stipulation of Class Action Settlement and Release, which the Court has preliminarily approved as fair and reasonable, and which was amended and superseded by an Amended Joint Stipulation of Class Action Settlement and Release on [DATE], 2022 ("Settlement Agreement"). The principal terms of the Settlement Agreement are summarized in this Notice. The full Settlement Agreement is on file with the Court and available at:

## www.Choice2LongTermCareInsuranceSettlement.com

The attorneys for Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten have been designated by the Court as "Class Counsel" to represent all Class Members affected by the Settlement Agreement. Class Counsel believes that the Settlement Agreement summarized by this Notice is fair, reasonable, and adequate and in the best interests of the Class Members.

## B. CLASS MEMBERS

The "Class Members" for purposes of this settlement are defined as all Policyholders<sup>1</sup> of GLIC and GLICNY long-term care insurance Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policies, and State variations of those policies in force at any time during the Class Period and issued in any of the fifty (50) States of the United States or the District of Columbia (the "States")<sup>2</sup> excluding: (1) those Policyholders whose policies went into

<sup>&</sup>lt;sup>1</sup> "Policyholder(s)" means the policy owner, except: (a) where a single policy or certificate insures both a policy or certificate owner and another insured person, "Policyholder(s)" means both the policy or certificate owner and the other insured person jointly; (b) where the Class Policy at issue is certificate 7042CRT, 7044CRT, or any other Class Policy that is a certificate issued under a group long-term care insurance policy, "Policyholder(s)" means the certificate holder.

 $<sup>^{2}</sup>$  A list of Class Policy forms is attached hereto as **Appendix 1**.

Non-Forfeiture Status<sup>3</sup> or a Fully Paid-Up Status<sup>4</sup> prior to January 1, 2014; (2) those Policyholders whose Class Policy is Lapsed<sup>5</sup> and is outside any period Genworth allows for the Class Policy to be automatically reinstated with payment of past due premium, or whose Class Policy has otherwise Terminated,<sup>6</sup> as of the date of the Class Notice; and those Policyholders whose Class Policy is Lapsed and is outside any period Genworth allows for the Class Policy to be automatically reinstated with payment of past due premium or has otherwise Terminated, as of the date the Special Election Letter<sup>7</sup> would otherwise be mailed to the Policyholder; (3) those Policyholders who are deceased at any time prior to sending their Special Election Option to Genworth; (4) Genworth's current officers, directors, and employees as of the date Class Notice is mailed; and (5) Judge Robert E. Payne and his immediate family and staff.

Changes to your policy status or coverage (including, for example, whether your policy lapses or is terminated) may also impact whether you are in the proposed settlement class. If your policy lapses after the date of this notice, it must be reinstated within your applicable auto-reinstatement period if you wish to exercise rights and options in the settlement.

<sup>&</sup>lt;sup>3</sup> "Non-Forfeiture Status" means a policy status where the Policyholder (defined below) has exercised a "Non-Forfeiture Option." "Non-Forfeiture Options" include, but are not limited to, benefits that may have been made available pursuant to: an optional Non-Forfeiture Benefit Rider; the Limited Benefits Upon Lapse Due to a Substantial Premium Increase (also called a Contingent Non-forfeiture Benefit); the Limited Non-Forfeiture Option; the Optional Limited Benefit Endorsement; or the Limited Benefit with Payment for Partial Policy Disposition.

<sup>&</sup>lt;sup>4</sup> "Fully Paid-Up Status" means a status whereby a Class Policy is continued in full force and effect and no further premiums are owed. A Class Policy in Fully Paid-Up Status does not include a Class Policy that is in a Non-Forfeiture Status.

<sup>&</sup>lt;sup>5</sup> "Lapse" or "Lapsed" means a status whereby a policy is no longer in force because premium was not paid as required. A Lapsed policy terminates and cannot be reinstated if it is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium. For purposes of this Settlement Agreement, a policy in Non-Forfeiture Status is not a Lapsed policy.

<sup>&</sup>lt;sup>6</sup> "Terminated" means a status whereby a Class Policy is no longer in force and is unable to be automatically reinstated by the Policyholder with payment of past due premium. It includes, for example, a Class Policy that has Lapsed beyond the period permitted for automatic reinstatement, a Class Policy that has been cancelled, or a Class Policy (including a policy in Non-Forfeiture Status) that is no longer in force because all available benefits have been exhausted.

<sup>&</sup>lt;sup>7</sup> A "Special Election Letter" is an individualized letter to be sent to all Class Members who have not opted-out providing certain disclosures and settlement options available to that Class Member.

## C. <u>YOUR OPTIONS</u>

As a Class Member, you have several options and you should read this entire Notice carefully before acting.

**OPTION #1:** If you do not oppose the settlement of the lawsuit, then simply do nothing. You do not need to send any documents to the Settlement Administrator. IF YOU DO NOTHING, YOU WILL BE BOUND BY THE TERMS OF THE SETTLEMENT, INCLUDING THE RELEASE. If you do nothing, you will not have the right to pursue your own action for the claims covered by the Class Action Release. If the Settlement Agreement is approved by the Court, you will then be sent another correspondence with options to elect to receive benefits under the Settlement Agreement.

**OPTION #2:** If you do NOT want to be bound by the Settlement Agreement and wish to retain the right to proceed against GLIC and/or GLICNY on your own as to the claims that were alleged, or that have a reasonable connection with any matter of fact set forth in the Class Action, subject to any defenses that may be available to GLIC and/or GLICNY to any claims you may have, including, but not limited to, statutes of limitation and statutes of repose, then you must notify the Settlement Administrator that you wish to exclude yourself from the Settlement Agreement and the Class (also known as "opting out").

To do so, you must send a signed letter to the Settlement Administrator, which includes: (1) your name, (2) your address, (3) if available, your policy number, (4) a statement that you are "requesting exclusion" from the Settlement Agreement, (5) the name of the case and case number (*Haney, et al. v. Genworth Life Insurance Company, et al.*, Case No. 3:22-cv-00055-REP), and (6) your signature.

Opt-out letters can be mailed to the Settlement Administrator at the following mailing address: P.O. Box 2860, Portland, OR 97208-2860.

The letter requesting exclusion must be postmarked no later than [DATE]. Any request for exclusion received with a postmark after that date will be invalid.

## IF YOU CHOOSE TO EXCLUDE YOURSELF, YOU WILL <u>NOT</u> RECEIVE THE SETTLEMENT AGREEMENT POLICY ELECTION OPTIONS OR OTHER RELIEF AND THE TERMS OF THE SETTLEMENT WILL NOT APPLY TO YOU.

OPTION #3: If you want to remain in the Settlement Agreement and be bound by its terms, but you oppose any aspect of the Settlement Agreement, or Class Counsel's application for an award of fees and expenses, you may object to the Settlement Agreement.

In order to object, you must file a written Objection with the Clerk of United States District Court for the Eastern District of Virginia, located at 701 East Broad Street, Richmond, VA 23219, and you must serve a copy of the written Objection on the Settlement Administrator at the following address: P.O. Box 2860, Portland, OR 97208-2860.

A written Objection must include: (1) your full name, (2) your current address, (3) the name of the case and the case number (*Haney et al. v. Genworth Life Insurance Company et al.*, Case No. 3:22-cv-00055-REP), (5) the basis or reason(s) for your objection(s), (6) your signature, and (7) if you (or someone on your behalf such as an attorney) intends to appear at the Final Approval Hearing, a statement stating that you (or someone on your behalf) intend to appear at the Final Approval Hearing.

Any written Objection must be filed with the Court <u>and</u> sent to the Settlement Administrator with a postmark no later than [DATE]. Any written Objection filed and/or mailed with a postmark after this deadline will be invalid.

You may be permitted to appear personally (or through an attorney) at the Final Approval Hearing to present your objections directly to the Court **if you first timely file and serve a written Objection and do not submit a request for exclusion**. A written Objection must state whether you (or someone on your behalf, such as an attorney) intends to appear at the Final Approval Hearing. If you wish to have an attorney represent you in connection with any written Objection, including to appear at the Final Approval Hearing, you will be responsible for any fees or expenses of that attorney. If you submit a written Objection, you will remain a Class Members and, if the Court rejects your objection(s), you will still be bound by the terms of the Settlement Agreement, including the Release.

## D. <u>SUMMARY OF PROPOSED SETTLEMENT TERMS</u>

This Settlement Agreement is conditioned upon the Court entering an order granting final approval of the Settlement Agreement as fair, reasonable, and adequate and in the best interests of the Class. Subject to the Settlement Agreement becoming final, the terms of the Settlement Agreement are as follows:

- Special Election Disclosures and Options: In consideration for a Release as described in Paragraph D.2, and as a direct result of the Class Action and the Settlement Agreement, Genworth will send a special election letter ("Special Election Letter") to all Class Members after the Settlement has been finally approved. The Special Election Letter will contain, subject to approval by the Court and being approved by and/or not objected to by State insurance regulators:
  - (a) Disclosure of certain information about GLIC's and/or GLICNY's future rate increase plans and need for future rate increases (the "Disclosures"); and
  - (b) Class Members' right to make an election of either (1) maintaining current benefits at existing filed rates (subject to the future approved rate increases), or (2) electing from

a selection of reduced paid-up benefit options or reduced benefit options (the "Special Election Options"), subject to the availability of those options depending on each Class Member' current policy terms and benefits and certain State Partnership Plan ("Partnership Plan") requirements. Special Election Options that may be available could increase the amount of your current non-forfeiture paid-up benefit or entitle you to cash damages pay-outs. The actual Special Election Options available to you will depend upon many factors including, but not limited to, your current policy status and benefits, final court approval, and State regulatory review and comment.

- (c) Please visit the settlement website,
   www.Choice2LongTermCareInsuranceSettlement.com, for a full description of these options and a sample of the Special Election Letter.
- 2. <u>Release</u>: Each member of the Class who does not timely and validly opt out of the Class, will forever release and discharge GLIC and GLICNY (collectively "Genworth") and each of those entities' respective affiliates, predecessors, successors, parents, subsidiaries, and, for each of the foregoing, their current, former, and future directors, officers, direct and indirect owners, members, managers, attorneys, representatives, employees, and agents (the "Genworth Released Parties") of and from any and all known or unknown, contingent or absolute, matured or unmatured, suspected or unsuspected, disclosed or undisclosed, foreseeable or unforeseeable, liquidated or unliquidated, existing or arising in the future, and accrued or unaccrued claims, demands, interest, penalties, fines, and causes of action, that the Named Plaintiffs and Class Members may have from the beginning of time through and including the Final Settlement Date that relate to claims alleged, or that have a reasonable connection with any matter of fact set forth in the Class Action including, but not limited to, any claims relating to rate increases on Class Policies prior to the Final Settlement Date. This release specifically includes any legal or equitable claim arising from or related to any election or policy change made or not made by any Class Members to his or her policy benefits prior to the Final Settlement Date. Named Plaintiffs and Class Members, subject to the exception set forth below, will further release the Genworth Released Parties and Class Counsel from any claims relating to or arising out of the Disclosures or the Special Election Letters the Class Members are provided as part of the Settlement Agreement, including (but not limited to) claims specifically relating to any alleged omissions in the Disclosures or the Special Election Letters or to any decision, or non-decision, to maintain, modify, or give up coverage based on the Disclosures, the Special Election Letters, or the Special Election Options offered. A claim that a Class Member was harmed by an express and intentional misrepresentation: in the completed portion of the Disclosures that currently is bracketed in the template Special Election Letter appended as Appendix D to the Settlement Agreement, in the completed portions of the Special Election Options that are made available to that Class Member that currently are bracketed in the template Special

Election Letter, or by the Genworth Released Parties or Class Counsel about the Disclosures, shall not be a Released Claim. A Class Member may pursue such a claim in the Court via complaint or petition within three years of the date the Class Member makes a Special Election or three years of the deadline for the Class Member to make a Special Election, whichever is earlier, provided that, before filing any such claim, the Class Member shall first notify the Parties of the basis for the claim and provide them with a reasonable opportunity to investigate and, if appropriate, remedy the alleged harm.

This Release will not prevent a Class Member from making a claim for benefits under his or her long-term care insurance policy consistent with his or her policy coverage, nor shall it include a Class Member's challenge or appeal of Genworth's denial of benefits under his or her Class Policy.

This Class Notice only contains a summary of the actual benefits and release language contained in the Stipulation of Settlement, which is on file with the Court and available for your review, including on the settlement website described below. If the Settlement Agreement is not approved by the Court or does not become final for any reason, the Class Action will continue, this Release will not be binding, and the Special Election Options will not be available.

3. <u>Attorneys' Fees and Litigation Expenses</u>: As part of the request for Final Approval of the Settlement Agreement, Class Counsel will file a request seeking to be paid a contingent payment of 15% of certain amounts related to Special Election Options selected by the Class, which shall be no greater than \$13,000,000.00. None of the attorneys' fees will be deducted from payments made by Genworth to Class Members.

Class Counsel will also file a request for an award of reasonable litigation expenses in this case. These expenses will be no more than \$50,000.

These are the only attorneys' fees and litigation expenses that Class Counsel will be paid as a result of the Settlement. Class members will not be required to separately pay Class Counsel for any other attorneys' fees or expenses. Genworth has agreed to pay all fees and expenses separately. The actual amounts of attorneys' fees and litigation expenses to be paid to Class Counsel will be determined by the Court, and these amounts will be paid by Genworth directly to Class Counsel.

This Class Notice only contains a summary of the actual Attorneys' Fees and Litigation Expenses provisions contained in the Settlement Agreement, which is on file with the Court and available for your review, including on the settlement website described below.

4. <u>Class Representative Service Payment:</u> Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten have been appointed as class

representatives by the Court. As part of the request for Final Approval of the Settlement Agreement, Class Counsel will request that service payments be awarded to each class representative in an amount of up to \$15,000 for each of them for the time, work, and risk they undertook in bringing this Class Action and achieving a settlement on behalf of all Class Members. None of the service payments approved by the Court will be deducted from payments made by Genworth to Class Members.

## E. FINAL APPROVAL HEARING ON PROPOSED SETTLEMENT

The Final Approval Hearing on the fairness and adequacy of the Settlement Agreement will be held on [DATE], 202[], at [TIME] in Courtroom [#] in The Spottswood W. Robinson III and Robert R. Merhige, Jr., Federal Courthouse, 701 East Broad Street, Richmond, VA 23219. You are not required to attend the Final Approval Hearing in order to participate in the Settlement Agreement, although you are free to do so if you choose. The Court, in its discretion, may continue the Final Approval Hearing to a later date, in which case no additional written notice will be sent to Class Members, so it is incumbent upon you to check the settlement website regarding the Final Approval Hearing date and time if you wish to attend.

## F. ADDITIONAL IMPORTANT INFORMATION

The Special Election Options described in this notice still require final approval by the Court and are subject to review by State insurance regulators.

You should also consider the following additional information, which may impact the availability of Special Election Options under this settlement:

- 1. If you currently have a long-term care policy with Genworth, you must continue to pay premiums (unless they have been waived) to keep your policy in force so that it is eligible for Special Election Options under this settlement. Your premiums also remain subject to any rate increases that may be approved or otherwise permitted.
- 2. Changes to your policy status or coverage (including lapse or termination) may impact whether you are in the proposed settlement class and/or whether Special Election Options will be available to you.
  - If your policy lapses after the date of this notice but is still in the period during which your policy can be automatically reinstated by paying any past-due premium, you will need

to reinstate your policy by paying the past-due premium to exercise any rights and options under the settlement.

- If, before you are sent a Special Election Letter, your policy lapses and is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium, or terminates for any other reason, then you will be excluded from the Settlement Class and the Special Election Options will not be available to you.
- If, after you have been sent a Special Election Letter, your policy lapses and is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium, or terminates for any other reason, then you will remain in the Settlement Class and release your claims, but you will no longer be eligible for the Special Election Options.
- 3. If you reduce your coverage, including in response to a rate increase on your policy, your reduction in coverage may affect the Special Election Options that otherwise may become available to you under this settlement. As a Policyholder, you have options to reduce your coverage that are separate from the Special Election Options that may become available to you under this settlement. For example, if there is a premium rate increase on your policy, you will have options for reducing your coverage. Those options will be different from any Special Election Options that may become available under this settlement and do not include the possibility of a cash damages payout. If you select an option to reduce your coverage separate from the Special Election Options that may be available under this settlement, you may eliminate or reduce the availability of any future Special Election Options or the value of any corresponding cash damages payments that may be available. Whether one of these options or any Special Election Option will best meet your needs will depend on your specific circumstances.

This Notice is only a summary of the Settlement Agreement. For the precise terms and conditions of the settlement, the complete Settlement Agreement, pleadings and documents on file in this case, and other information about this settlement including important dates, PLEASE

## Genworth Long-Term Care Insurance Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled Class Action

Do you own a Choice 2, Choice 2.1, California CADE, California Reprice, or California Unbundled long-term care insurance policy issued by Genworth Life Insurance Company or Genworth Life Insurance Company of New York? If so, you may be part of a class action settlement. Genworth has agreed to settle a proposed class action involving certain Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled long-term care policies.

In January 2022, five policyholders brought a lawsuit on behalf of a class alleging that Genworth should have included certain additional information in letters sent to Genworth Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policyholders about premium rate increases. Genworth denies all allegations and maintains that its disclosures to policyholders were reasonable, appropriate and truthful.

Pending final Court approval and subject to certain conditions, impacted policyholders may receive certain disclosures and policy options, including potential payments or credits. If you are a class member, you may be entitled to obtain this relief, and you may have other rights relating to the proposed settlement. To learn more about the settlement (including whether you are a class member and how to be excluded from or object to the settlement), you may visit this website, www.Choice2LongTermCareInsuranceSettlement.com, or call the Settlement Administrator at [].

## DECLARATION OF NICHOLAS SHEAHON IN SUPPORT OF PLAINTIFFS' MOTION FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT

I, Nicholas Sheahon, declare as follows:

1. I currently am the Interim Leader for LTC In Force and Vice President & Actuary for Long Term Care Strategy and Analytics for Genworth Life Insurance Company ("GLIC") and Genworth Life Insurance Company of New York ("GLICNY," GLIC and GLICNY together, "Genworth"). I have been employed by Genworth Financial, Inc. for the last seven (7) years and previously was employed for eight (8) years at Employers Reassurance Corp working in various long-term care reinsurance actuarial roles including valuation, experience analysis, assumption setting, modeling, and projections. I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I have been employed as a professional actuary for over fifteen (15) years, with a focus on long-term care insurance for at least the last fourteen (14) years.

2. I lead the team of actuaries at Genworth responsible for determining assumptions related to actuarially justified rate increases and corresponding benefit reductions, developing benefit reduction options and product alternatives for policyholders, the modeling and governance that supports long-term care insurance ("LTCI") rate increase filings and approvals, and LTCI-related data and analytics efforts.

3. I submit this declaration in support of Plaintiffs' Motion for Final Approval of Class Action Settlement. This declaration is based both on my personal knowledge and upon a review of records that Genworth maintains in the ordinary course of business.

4. I have been asked to analyze the potential value of the cash damages payments ("Cash Damages") that will be offered to the class (the "Class" or "Class Members") as part of the proposed settlement (the "Settlement") of this case. For this purpose, Genworth has calculated potential Cash Damages based on hypothetical scenarios in which the percentage of Class Members who elect the Special Election Option is 30%, 20%, or 10% of the total Class, as shown

1

in the chart in Paragraph 5 below. For each of these scenarios, Genworth has made two assumptions: (1) that the same percentage of eligible Class Members will elect each of these five Special Election Options so that, for example, in the scenario where 30% of Class Members elect these Special Election Options, assuming that 6% of eligible Class Members will elect each of the five Special Election Options shown below; and (2) that approximately 75% of Class Members who are already in Non-Forfeiture Status<sup>1</sup> (i.e., 32,250 out of 43,000 Class Members) will elect the Special Election Option available to them that provides a \$1,000 Cash Damages payment and allows them to maintain their current non-forfeiture benefit.<sup>2</sup> As shown in the below chart, using such assumptions results in hypothetical total Cash Damages ranging from \$224,806,000 to \$609,900,000, assuming overall 30%, 20%, or 10% take rates for Options 1-5 and assuming that

<sup>&</sup>lt;sup>1</sup> "Non-Forfeiture Status" means a policy status where the Class Member has exercised a "Non-Forfeiture Option." "Non-Forfeiture Options" include, but are not limited to, benefits that may have been made available pursuant to an optional Non-Forfeiture Benefit Rider; the Limited Benefits Upon Lapse Due to a Substantial Premium Increase (also called a Contingent Non-forfeiture Benefit); the Limited Non-Forfeiture Option; the Optional Limited Benefit Endorsement; or the Limited Benefit with Payment for Partial Policy Disposition.

<sup>&</sup>lt;sup>2</sup> As of September 15, 2022, in the settlement reached in *Skochin, et al. v. Genworth Life Insurance Co., et al.*, Case No. 3:19-CV-00049-REP (E.D.V.A.) (the "*Skochin* Settlement"), 99% of the *Skochin* Settlement has been fully implemented, meaning that 99% of *Skochin* Class Members have received a Special Election Letter and their time to make an election has fully run. Of that population of the *Skochin* Class, approximately 28% of *Skochin* Class Members in premium-paying status have made an election. Of the *Skochin* Class Members in premium paying status have made an election. Of the *Skochin* Class Members in premium paying status, 9% elected the "Reduced Basic Paid-Up Benefit Option," 7% elected the "Enhanced Paid-Up Benefit Option," and 2% elected the Reduced Benefit Option that removed inflation benefits and reverted to the Class Member's original daily benefit amount. Of the *Skochin* Class Members in Non-Forfeiture Status, approximately 75% elected a Special Election Option.

75% of *Haney* Class Members already in Non-Forfeiture Status elect the option whereby they receive a \$1,000 Cash Damages payment and retain their current non-forfeiture benefit.<sup>3</sup>

5. The figures in the below chart below are not intended to project the actual results of the *Haney* Settlement because Genworth cannot predict to a reasonable degree of certainty how many Class Members will elect the Special Election Options, or what percentage of Class Members will elect any particular Special Election Option. This is uncertain for several reasons, including but not limited to, because the Special Election Options: (1) have Cash Damages or other components that have not been previously made available to these Class Members, (2) will be accompanied by Disclosures that did not accompany previous rate increases and coverage-adjustment communications, and (3) typically will not be sent in conjunction with a specific rate increase facing the Class Member. Additionally, it cannot be assumed that elections in the Settlement of this case will be made at the same rate as the elections in the *Skochin* Settlement, whether across all Special Election Options or with respect to certain Options.

<sup>&</sup>lt;sup>3</sup> A Class Member will be eligible to elect particular Special Election Options based on whether the Special Election Option can be made available to them based on their policy terms at the time that they make their election. As of September 15, 2022, approximately 85% of Class Members would be eligible for Option 1, approximately 85% of Class Members would be eligible for Option 2, approximately 64% would be eligible for Option 3, approximately 61% of Class Members would be eligible for Option 4, and approximately 51% of Class Members would be eligible for Option 5 as described in the chart shown in Paragraph 5.

Subject to these caveats:

		Option 1 Reduced Basic Paid-Up Benefit with Cash Payment	Benefit	Option 3 Remove Inflation Benefit & Revert to Original	Option 4 Reduce Inflation Benefit to 1% Compound & Recalculate	Option 5 Remove Inflation Benefit & Reduce Benefit	Option for Class Members with NFO Status Class Members in Non- Forfeiture Status Elect a \$1,000 Cash	Total
				Daily Benefit Amount <i>Plus</i> Cash Payment		Period, <i>Plus</i> Cash Payment	Payment

Cal. 2011). Mr. Goldman also prosecuted a number of insider trading cases brought against company insiders who, in violation of Section 16(b) of the Securities Exchange Act of 1934, engaged in short swing trading, and currently represents victims of Ponzi schemes seeking to hold financial institutions accountable for aiding and abetting the perpetrators of the schemes. *Gregory v. ### PRACTICE AREAS AND SERVICES

### Securities Fraud

As recent corporate scandals demonstrate clearly, it has become all too common for companies and their executives – often with the help of their advisors, such as bankers, lawyers, and accountants – to manipulate the market price of their securities by misleading the public about the company's financial condition or prospects for the future. This misleading information has the effect of artificially inflating the price of the company's securities above their true value. When the underlying truth is eventually revealed, the prices of these securities plummet, harming those innocent investors who relied upon the company's misrepresentations.

Robbins Geller is the leader in the fight to protect investors from corporate securities fraud. We utilize a wide range of federal and state laws to provide investors with remedies, either by bringing a class action on behalf of all affected investors or, where appropriate, by bringing individual cases.

The Firm's reputation for excellence has been repeatedly noted by courts and has resulted in the appointment of Firm attorneys to lead roles in hundreds of complex class-action securities and other cases. In the securities area alone, the Firm's attorneys have been responsible for a number of outstanding recoveries on behalf of investors. Currently, Robbins Geller attorneys are lead or named counsel in hundreds of securities class action or large institutional-investor cases. Some notable current and past cases include:

- In re Enron Corp. Sec. Litig., No. H-01-3624 (S.D. Tex.). Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street's biggest banks, and successfully obtained settlements in excess of \$7.2 billion for the benefit of investors. This is the largest securities class action recovery in history.
- Jaffe v. Household Int'l, Inc., No. 02-C-05893 (N.D. Ill.). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of \$1.575 billion after 14 years of litigation, including a sixweek jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury's verdict that defendants made false or misleading statements of material fact about the company's business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants "made" certain false statements, whether those false statements caused plaintiffs' losses, and the amount of damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the seventh-largest settlement ever in a post-PSLRA securities fraud case. According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

- In re Valeant Pharms. Int'l, Inc. Sec. Litig., No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that Vanity Fair reported as "the corporate scandal of its era" that had raised "fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations." The settlement resolves claims that defendants made false and misleading statements regarding Valeant's business and financial performance during the class period, attributing Valeant's dramatic growth in revenues and profitability to "innovative new marketing approaches" as part of a business model that was low risk and "durable and sustainable." Valeant is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- In re Am. Realty Cap. Props., Inc. Litig., No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP's manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and the Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.
- In re UnitedHealth Grp. Inc. PSLRA Litig., No. 06-CV-1691 (D. Minn.). Robbins Geller represented the California Public Employees' Retirement System ("CalPERS") and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. The Firm obtained an \$895 million recovery on behalf of UnitedHealth shareholders, and former CEO William A. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders, bringing the total recovery for the class to over \$925 million, the largest stock option backdating recovery ever, and a recovery that is more than four times larger than the next largest options backdating recovery. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company's board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.
- Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.), No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom's bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm's attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- Luther v. Countrywide Fin. Corp., No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.
- In re Wachovia Preferred Sec. & Bond/Notes Litig., No. 09-cv-06351 (S.D.N.Y.). On behalf of investors in bonds and preferred securities issued between 2006 and 2008, Robbins Geller and co-

counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company and Wachovia auditor KPMG LLP. *The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history*. The settlement is also one of the biggest securities class action recoveries arising from the credit crisis. The lawsuit focused on Wachovia's exposure to "pick-a-pay" loans, which the bank's offering materials said were of "pristine credit quality," but which were actually allegedly made to subprime borrowers, and which ultimately massively impaired the bank's mortgage portfolio. Robbins Geller served as co-lead counsel representing the City of Livonia Employees' Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

- In re Cardinal Health, Inc. Sec. Litig., No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors on behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund. At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit.
- AOL Time Warner Cases I & II, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner's disastrous 2001 merger with Internet high flier America Online. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents' case pending in California state court was scheduled to go to trial. The Regents' gross recovery of \$246 million is the largest individual opt-out securities recovery in history.
- In re HealthSouth Corp. Sec. Litig., No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA.
- Jones v. Pfizer Inc., No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfonds obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.
- In re Dynegy Inc. Sec. Litig., No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynegy investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynegy, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Most notably, the settlement agreement provides that Dynegy will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynegy's stockholders.

- In re Quest Commc'ns Int'l, Inc. Sec. Litig., No. 01-cv-1451 (D. Colo.). In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Quest's financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Quest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Quest during large portions of the class period.
- Fort Worth Emps.' Ret. Fund v. J.P. Morgan Chase & Co., No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation.
- Smilovits v. First Solar, Inc., No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in Smilovits v. First Solar, Inc. The settlement, which was reached after a long legal battle and on the day before jury selection, resolves claims that First Solar violated §\$10(b) and 20(a) of the Securities Exchange Act of 1934 and SEC Rule 10b-5. The settlement is the fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.
- NECA-IBEW Health & Welfare Fund v. Goldman Sachs & Co., No. 1:08-cv-10783 (S.D.N.Y.). As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs' shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit's decision rejected the concept of "tranche" standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities.
- Schuh v. HCA Holdings, Inc., No. 3:11-cv-01033 (M.D. Tenn.). As sole lead counsel, Robbins Geller obtained a groundbreaking \$215 million settlement for former HCA Holdings, Inc. shareholders the largest securities class action recovery ever in Tennessee. Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action.
- In re AT&T Corp. Sec. Litig., MDL No. 1399 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased AT&T common stock. The case charged defendants AT&T and its former Chairman and CEO, C. Michael Armstrong, with violations of the federal securities laws in connection with AT&T's April 2000 initial public offering of its wireless tracking stock, one of the largest IPOs in American history. After two weeks of trial, and on the eve of scheduled testimony by Armstrong and infamous telecom analyst Jack Grubman, defendants agreed to settle the case for \$100 million.

- *Silverman v. Motorola, Inc.*, No. 1:07-cv-04507 (N.D. Ill.). Robbins Geller attorneys and lead plaintiff City of Pontiac General Employees' Retirement System achieved a \$160 million settlement in a securities class action case arising from allegations published by *The New York Times* in an article released on April 21, 2012 describing an alleged bribery scheme that occurred in Mexico. The case charged that Wal-Mart portrayed itself to investors as a model corporate citizen that had proactively uncovered potential corruption and promptly reported it to law enforcement, when in truth, a former in-house lawyer had blown the whistle on Wal-Mart's corruption years earlier, and Wal-Mart concealed the allegations from law enforcement by refusing its own in-house and outside counsel's calls for an independent investigation. Robbins Geller "achieved an exceptional [s]ettlement with skill, perseverance, and diligent advocacy," said Judge Hickey when granting final approval.
- Bennett v. Sprint Nextel Corp., No. 2:09-cv-02122 (D. Kan.). As co-lead counsel, Robbins Geller obtained a \$131 million recovery for a class of Sprint investors. - *In re LendingClub Sec. Litig.*, No. 3:16-cv-02627 (N.D. Cal.). Robbins Geller attorneys obtained a \$125 million settlement for the court-appointed lead plaintiff Water and Power Employees' Retirement, Disability and Death Plan of the City of Los Angeles and the class. - *Hsu v. Puma Biotechnology*, No. SACV15-0865 (C.D. Cal.). After a two-week jury trial, Robbins Geller attorneys won a complete plaintiffs' verdict against both defendants on both claims, with the jury finding that Puma Biotechnology, Inc. and its CEO, Alan H. Auerbach, committed securities fraud. The Puma case is only the fifteenth securities class action case tried to a verdict since the Private Securities Litigation Reform Act was enacted in 1995.
- *Marcus v. J.C. Penney Co., Inc.*, No. 13-cv-00736 (E.D. Tex.). Robbins Geller attorneys obtained a \$97.5 million recovery on behalf of J.C. Penney shareholders. The result resolves claims that J.C. Penney and certain officers and directors made misstatements and/or omissions regarding the company's financial position that resulted in artificially inflated stock prices. Specifically, defendants failed to disclose and/or misrepresented adverse facts, including that J.C. Penney

would have insufficient liquidity to get through year-end and would require additional funds to make it through the holiday season, and that the company was concealing its need for liquidity so as not to add to its vendors' concerns.

- Monroe County Employees' Retirement System v. The Southern Company, No. 1:17-cv-00241 (N.D. Ga.). As lead counsel, Robbins Geller obtained an \$87.5 million settlement in a securities class action on behalf of plaintiffs Monroe County Employees' Retirement System and Roofers Local No. 149 Pension Fund. The settlement resolves claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant in Kemper County, Mississippi. Plaintiffs alleged that these misstatements caused The Southern Company's stock price to be artificially inflated during the class period. Prior to resolving the case, Robbins Geller uncovered critical documentary evidence and deposition testimony supporting plaintiffs' claims. In granting final approval of the settlement, the court praised Robbins Geller for its "hardfought litigation in the Eleventh Circuit" and its "experience, reputation, and abilities of [its] attorneys," and highlighted that the firm is "well-regarded in the legal community, especially in litigating class-action securities cases

- Luna v. Marvell Tech. Grp., Ltd., No. 3:15-cv-05447 (N.D. Cal.). In the Marvell litigation, Robbins Geller attorneys represented the Plumbers and Pipefitters National Pension Fund and obtained a \$72.5 million settlement. The case involved claims that Marvell reported revenue and earnings during the class period that were misleading as a result of undisclosed pull-in and concession sales. The settlement represents approximately 24% to 50% of the best estimate of classwide damages suffered by investors who purchased shares during the February 19, 2015 through December 7, 2015 class period.
- Garden City Emps.' Ret. Sys. v. Psychiatric Sols., Inc., No. 3:09-cv-00882 (M.D. Tenn.). In the *Psychiatric Solutions* case, Robbins Geller represented lead plaintiff and class representative Central States, Southeast and Southwest Areas Pension Fund in litigation spanning more than four years. Psychiatric Solutions and its top executives were accused of insufficiently staffing their in-patient hospitals, downplaying the significance of regulatory investigations and manipulating their malpractice reserves. Just days before trial was set to commence, attorneys from Robbins Geller achieved a \$65 million settlement that was the fourth-largest securities recovery ever in the district and one of the largest in a decade.
- Plumbers & Pipefitters Nat'l Pension Fund v. Burns, No. 3:05-cv-07393 (N.D. Ohio). After 11 years of hard-fought litigation, Robbins Geller attorneys secured a \$64 million recovery for shareholders in a case that accused the former heads of Dana Corp. of securities fraud for trumpeting the auto parts maker's condition while it actually spiraled toward bankruptcy. - Villella v. Chemical and Mining Company of Chile Inc., No. 1:15-cv-02106 (S.D.N.Y.) Robbins Geller attorneys, serving as lead consel, obtained a \$62.5 million settlement against Sociedad

Química y Minera de Chile S.A. ("SQM"), a Chilean mining company. The case alleged that SQM violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Depositions are considered unlawful in the country of Chile, so Robbins Geller successfully moved the court to compel SQM to bring witnesses to the United States.

- In re BHP Billiton Ltd. Sec. Litig., No. 1:16-cv-01445 (S.D.N.Y.). As lead counsel, Robbins Geller obtained a \$50 million class action settlement against BHP, a Australian-based mining company that was accused of failing to disclose significant safety problems at the Fundão iron-ore dam, in Brazil. The Firm achieved this result for lead plaintiffs City of Birmingham Retirement and Relief System and City of Birmingham Firemen's and Policemen's Supplemental Pension System, on behalf of purchasers of the American Depositary Shares ("ADRs") of defendants BHP Billiton Limited and BHP Billiton Plc (together, "BHP") from September 25, 2014 to November 30, 2015.
- In re St. Jude Med., Inc. Sec. Litig., No. 0:10-cv-00851 (D. Minn.). After four and a half years of litigation and mere weeks before the jury selection, Robbins Geller obtained a \$50 million settlement on behalf of investors in medical device company St. Jude Medical. The settlement resolves accusations that St. Jude Medical misled investors by utilizing heavily discounted end-of-quarter bulk sales to meet quarterly expectations, which created a false picture of demand by increasing customer inventory due of St. Jude Medical devices. The complaint alleged that the risk of St. Jude Medical's reliance on such bulk sales manifested when it failed to meet its forecast guidance for the third quarter of 2009, which the company had reaffirmed only weeks earlier.
- Deka Investment GmbH v. Santander Consumer USA Holdings Inc., No. 3:15-cv-02129 (N.D. Tex.). The complaint also alleged that SCUSA and two of its officers violated \$\$10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 as a result of their fraud in issuing misleading statements in the IPO Offering Documents as well as in subsequent statements to investors.
- Snap Inc. Securities Cases, JCCP No. 4960 (Cal. Super. Ct., Los Angeles Cnty). Robbins Geller, along with co-counsel, reached a settlement in the Snap, Inc. securities class action, providing for the payment of \$32,812,500 to eligible settlement class members. The case alleged that Snap, certain Snap officers and directors, and the underwriters for Snap's Initial Public Offering ("IPO") were liable for materially false and misleading statements and omissions in the Registration Statement for the IPO, related to trends and uncertainties in Snap's growth metrics, a potential patent-infringement action, and stated risk factors.

Robbins Geller's securities practice is also strengthened by the existence of a strong appellate department, whose collective work has established numerous legal precedents. The securities practice also utilizes an

extensive group of in-house economic and damage analysts, investigators, and forensic accountants to aid in the prosecution of complex securities issues.

# Shareholder Derivative and Corporate Governance Litigation

The Firm's shareholder derivative and corporate governance practice is focused on preserving corporate assets and enhancing long-term shareowner value. Shareowner derivative actions are often brought by institutional investors to vindicate the rights of the corporation injured by its executives' misconduct, which can effect violations of the nation's securities, anti-corruption, false claims, cyber-security, labor, environmental, and/or health & safety laws.

Robbins Geller attorneys have aided Firm clients in significantly enhancing shareowner value by obtaining hundreds of millions of dollars in financial clawbacks and successfully negotiating corporate governance enhancements. Robbins Geller has worked with its institutional clients to address corporate misconduct such as options backdating, bribery of foreign officials, pollution, off-label marketing, and insider trading and related self-dealing. Additionally, the Firm works closely with noted corporate governance consultants Robert Monks and Richard Bennett and their firm, ValueEdge Advisors LLC, to shape corporate governance practices that will benefit shareowners.

Robbins Geller's efforts have conferred substantial benefits upon shareowners, and the market effect of these benefits measures in the billions of dollars. The Firm's significant achievements include:

- City of Westland Police & Fire Ret. Sys. v. Stumpf (Wells Fargo Derivative Litigation), No. 3:11-cv-02369 (N.D. Cal.). Prosecuted shareholder derivative action on behalf of Wells Fargo & Co. alleging that Wells Fargo's executives allowed participation in the mass-processing of home foreclosure documents by engaging in widespread robo-signing, *i.e.*, the execution and submission of false legal documents in courts across the country without verification of their truth or accuracy, and failed to disclose Wells Fargo's lack of cooperation in a federal investigation into the bank's mortgage and foreclosure practices. In settlement of the action, Wells Fargo agreed to provide \$67 million in homeowner down-payment assistance, credit counseling, and improvements to its mortgage servicing system. The initiatives will be concentrated in cities severely impacted by the bank's foreclosure practices and the ensuing mortgage foreclosure crisis. Additionally, Wells Fargo agreed to change its procedures for reviewing shareholder proposals and a strict ban on stock pledges by Wells Fargo board members.
- In re Ormat Techs., Inc. Derivative Litig., No. CV10-00759 (Nev. Dist. Ct., Washoe Cnty.). Robbins Geller brought derivative claims for breach of fiduciary duty and unjust enrichment against the directors and certain officers of Ormat Technologies, Inc., a leading geothermal and recovered energy power business. During the relevant time period, these Ormat insiders caused the company to engage in accounting manipulations that ultimately required restatement of the company's financial statements. The settlement in this action includes numerous corporate governance reforms designed to, among other things: (i) increase director independence; (ii) provide continuing education to directors; (iii) enhance the company's internal controls; (iv) make the company's board more independent; and (iv) strengthen the company's internal audit function.
- In re Alphatec Holdings, Inc. Derivative S'holder Litig., No. 37-2010-00058586 (Cal. Super. Ct., San Diego Cnty.). After obtaining a reversal of the district court's order dismissing the complaint for failing to adequately allege that a pre-suit demand was futile, Robbins Geller lawyers successfully prosecuted the derivative claims to resolution obtaining over \$15 million in financial clawbacks for Finisar. Robbins Geller attorneys also obtained significant changes to Finisar's stock option granting procedures and corporate governance. As a part of the settlement, Finisar agreed to ban the repricing of stock options without first obtaining specific shareholder approval, prohibit the retrospective selection of grant dates for stock options and similar awards, limit the number of other boards on which Finisar directors may serve, require directors to own a minimum amount of Finisar shares, annually elect a Lead Independent Director whenever the position of Chairman and CEO are held by the same person, and require the board to appoint a Trading Compliance officer responsible for ensuring compliance with Finisar's insider trading policies.

# **Consumer Fraud and Privacy**

In our consumer-based economy, working families who purchase products and services must receive truthful information so they can make meaningful choices about how to spend their hard-earned money. When financial institutions and other corporations deceive consumers or take advantage of unequal bargaining power, class action suits provide, in many instances, the only realistic means for an individual to right a corporate wrong.

Our attorneys have taken a leading role in many of the largest federal and state consumer fraud, privacy, environmental, human rights, and public health cases throughout the United States. The Firm is also actively involved in many cases relating to banks and the financial services industry, pursuing claims on behalf of individuals victimized by abusive telemarketing practices, abusive mortgage lending practices, market timing violations in the sale of variable annuities, and deceptive consumer credit lending practices in violation of the Truth-In-Lending Act. Below are a few representative samples of our robust, nationwide consumer and privacy practice.

The case was settled with Tenet changing its practices and making refunds to patients.
- Pet Food Products Liability Litigation. Robbins Geller served as co-lead counsel in this massive,

100+ case products liability MDL in the District of New Jersey concerning the death of and injury to thousands of the nation's cats and dogs due to tainted pet food. The case settled for \$24 million.

# Human Rights, Labor Practices, and Public Policy

Robbins Geller attorneys have a long tradition of representing the victims of unfair labor practices and violations of human rights. These include:

- Does I v. The Gap, Inc., No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: Does I v. Advance Textile Corp., No. 99 0002 (D. N. Mar. I.), which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and UNITE v. The Gap, Inc., No. 300474 (Cal. Super. Ct., San Francisco Cty.), which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team's efforts at bringing about the precedent-setting settlement of the actions.
- Liberty Mutual Overtime Cases, No. JCCP 4234 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller attorneys served as co-lead counsel on behalf of 1,600 current and former insurance claims adjusters at Liberty Mutual Insurance Company and several of its subsidiaries. Plaintiffs brought the case to recover unpaid overtime compensation and associated penalties, alleging that Liberty Mutual had misclassified its claims adjusters as exempt from overtime under California law. After 13 years of complex and exhaustive litigation, Robbins Geller secured a settlement in which Liberty Mutual agreed to pay \$65 million into a fund to compensate the class of claims adjusters for unpaid overtime. The Liberty Mutual action is one of a few claims adjuster overtime actions brought in California or elsewhere to result in a successful outcome for plaintiffs since 2004.
- *Veliz v. Cintas Corp.*, No. 5:03-cv-01180 (N.D. Cal.). Brought against one of the nation's largest commercial laundries for violations of the Fair Labor Standards Act for misclassifying truck drivers as salesmen to avoid payment of overtime.
- *Kasky v. Nike, Inc.*, 27 Cal. 4th 939 (2002). The California Supreme Court upheld claims that an apparel manufacturer misled the public regarding its exploitative labor practices, thereby violating California statutes prohibiting unfair competition and false advertising. The court rejected defense contentions that any misconduct was protected by the First Amendment, finding the heightened constitutional protection afforded to noncommercial speech inappropriate in such a circumstance.

Shareholder derivative litigation brought by Robbins Geller attorneys at times also involves stopping antiunion activities, including:

- *Southern Pacific/Overnite*. A shareholder action stemming from several hundred million dollars in loss of value in the company due to systematic violations by Overnite of U.S. labor laws.
- *Massey Energy*. A shareholder action against an anti-union employer for flagrant violations of environmental laws resulting in multi-million-dollar penalties.
- *Crown Petroleum*. A shareholder action against a Texas-based oil company for self-dealing and breach of fiduciary duty while also involved in a union lockout.

# Environment and Public Health

Robbins Geller attorneys have also represented plaintiffs in class actions related to environmental law. The Firm's attorneys represented, on a *pro bono* basis, the Sierra Club and the National Economic Development and Law Center as *amici curiae* in a federal suit designed to uphold the federal and state use of project labor agreements ("PLAs"). The suit represented a legal challenge to President Bush's Executive Order 13202, which prohibits the use of project labor agreements on construction projects receiving federal funds. Our *amici* brief in the matter outlined and stressed the significant environmental and socio-economic benefits associated with the use of PLAs on large-scale construction projects.

Attorneys with Robbins Geller have been involved in several other significant environmental cases, including:

- *Public Citizen v. U.S. D.O.T.* Robbins Geller attorneys represented a coalition of labor, environmental, industry, and public health organizations including Public Citizen, The International Brotherhood of Teamsters, California AFL-CIO, and California Trucking Industry in a challenge to a decision by the Bush administration to lift a Congressionally-imposed "moratorium" on cross-border trucking from Mexico on the basis that such trucks do not conform to emission controls under the Clean Air Act, and further, that the administration did not first complete a comprehensive environmental impact analysis as required by the National Environmental Policy Act. The suit was dismissed by the United States Supreme Court, the court holding that because the D.O.T. lacked discretion to prevent crossborder trucking, an environmental assessment was not required.
- *Sierra Club v. AK Steel.* Brought on behalf of the Sierra Club for massive emissions of air and water pollution by a steel mill, including homes of workers living in the adjacent communities, in violation of the Federal Clean Air Act, the Resource Conservation Recovery Act, and the Clean Water Act.
- *MTBE Litigation*. Brought on behalf of various water districts for befouling public drinking water with MTBE, a gasoline additive linked to cancer.
- *Exxon Valdez*. Brought on behalf of fisherman and Alaska residents for billions of dollars in damages resulting from the greatest oil spill in U.S. history.
- *Avila Beach*. A citizens' suit against UNOCAL for leakage from the oil company pipeline so severe it literally destroyed the town of Avila Beach, California.

Federal laws such as the Clean Water Act, the Clean Air Act, and the Resource Conservation and Recovery Act and state laws such as California's Proposition 65 exist to protect the environment and the public from abuses by corporate and government organizations. Companies can be found liable for negligence, trespass, or intentional environmental damage, be forced to pay for reparations, and to come into

compliance with existing laws. Prominent cases litigated by Robbins Geller attorneys include representing more than 4,000 individuals suing for personal injury and property damage related to the Stringfellow Dump Site in Southern California, participation in the Exxon Valdez oil spill litigation, and litigation involving the toxic spill arising from a Southern Pacific train derailment near Dunsmuir, California.

Robbins Geller attorneys have led the fight against Big Tobacco since 1991. As an example, Robbins Geller attorneys filed the case that helped get rid of Joe Camel, representing various public and private plaintiffs, including the State of Arkansas, the general public in California, the cities of San Francisco, Los Angeles, and Birmingham, 14 counties in California, and the working men and women of this country in the Union Pension and Welfare Fund cases that have been filed in 40 states. In 1992, Robbins Geller attorneys filed the first case in the country that alleged a conspiracy by the Big Tobacco companies.

## Pro Bono

Robbins Geller provides counsel to those unable to afford legal representation as part of a continuous and longstanding commitment to the communities in which it serves. Over the years the Firm has dedicated a considerable amount of time, energy, and a full range of its resources for many *pro bono* and charitable actions.

Robbins Geller has been honored for its *pro bono* efforts by the California State Bar (including a nomination for the President's Pro Bono Law Firm of the Year award) and the San Diego Volunteer Lawyer's Program, among others.

Some of the Firm's and its attorneys' pro bono and charitable actions include:

- Representing public school children and parents in Tennessee challenging the state's private school voucher law, known as the Education Savings Account (ESA) Pilot Program. Robbins Geller helped achieve favorable rulings enjoining implementation of the ESA for violating the Home Rule provision of the Tennessee Constitution, which prohibits the General Assembly from passing laws that target specific counties without local approval.
- Representing California bus passengers *pro bono* in a landmark consumer and civil rights case against Greyhound for subjecting them to discriminatory immigration raids. Robbins Geller achieved a watershed court ruling that a private company may be held liable under California law for allowing border patrol to harass and racially profile its customers. The case heralds that Greyhound passengers do not check their rights and dignity at the bus door and has had an immediate impact, not only in California but nationwide. Within weeks of Robbins Geller filing the case, Greyhound added "know your rights" information to passengers to its website and on posters in bus stations around the country, along with adopting other business reforms.
- Working with the Homeless Action Center (HAC) to provide no-cost, barrier-free, culturally competent legal representation that makes it possible for people who are homeless (or at risk of becoming homeless) to access social safety net programs that help restore dignity and provide sustainable income, healthcare, mental health treatment, and housing. Based in Oakland and Berkeley, the non-profit is the only program in the Bay Area that specializes in legal services to those who are chronically homeless. In 2016, HAC provided assistance to 1,403 men and 936 women, and 1,691 cases were completed. An additional 1,357 cases were still pending when the year ended. The results include 512 completed SSI cases with a success rate of 87%.

- Representing Trump University students in two class actions against President Donald J. Trump. The historic settlement provides \$25 million to approximately 7,000 consumers. This means individual class members are eligible for upwards of \$35,000 in restitution an extraordinary result.
- Representing children diagnosed with Autism Spectrum Disorder, as well as children with significant disabilities, in New York to remedy flawed educational policies and practices that cause substantial harm to these and other similar children year after year.
- Representing 19 San Diego County children diagnosed with Autism Spectrum Disorder in their appeal of the San Diego Regional Center's termination of funding for a crucial therapy. The victory resulted in a complete reinstatement of funding and set a precedent that allows other children to obtain the treatments they need.
- Serving as Northern California and Hawaii District Coordinator for the United States Court of Appeals for the Ninth Circuit's Pro Bono program since 1993.
- Representing the Sierra Club and the National Economic Development and Law Center as *amici curiae* before the U.S. Supreme Court.
- Obtaining political asylum, after an initial application had been denied, for an impoverished Somali family whose ethnic minority faced systematic persecution and genocidal violence in Somalia, as well as forced female mutilation.
- Working with the ACLU in a class action filed on behalf of welfare applicants subject to San Diego County's "Project 100%" program. Relief was had when the County admitted that food-stamp eligibility could not hinge upon the Project 100% "home visits," and again when the district court ruled that unconsented "collateral contacts" violated state regulations. The decision was noted by the *Harvard Law Review*, *The New York Times*, and *The Colbert Report*.
- Filing numerous *amicus curiae* briefs on behalf of religious organizations and clergy that support civil rights, oppose government-backed religious-viewpoint discrimination, and uphold the American traditions of religious freedom and church-state separation.
- Serving as *amicus* counsel in a Ninth Circuit appeal from a Board of Immigration Appeals deportation decision. In addition to obtaining a reversal of the BIA's deportation order, the Firm consulted with the Federal Defenders' Office on cases presenting similar fact patterns, which resulted in a precedent-setting *en banc* decision from the Ninth Circuit resolving a question of state and federal law that had been contested and conflicted for decades.

# PROMINENT CASES, PRECEDENT-SETTING DECISIONS, AND JUDICIAL COMMENDATIONS

## **Prominent Cases**

Over the years, Robbins Geller attorneys have obtained outstanding results in some of the most notorious and well-known cases, frequently earning judicial commendations for the quality of their representation.

• In re Enron Corp. Sec. Litig., No. H-01-3624 (S.D. Tex.). Investors lost billions of dollars as a result of the massive fraud at Enron. In appointing Robbins Geller lawyers as sole lead counsel to represent the interests of Enron investors, the court found that the Firm's zealous prosecution and level of "insight" set it apart from its peers. Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street's biggest banks, and successfully obtained settlements in excess of \$7.2 billion for the benefit of investors. This is the largest securities class action recovery in history.

The court overseeing this action had utmost praise for Robbins Geller's efforts and stated that "[t]he experience, ability, and reputation of the attorneys of [Robbins Geller] is not disputed; it is one of the most successful law firms in securities class actions, if not the preeminent one, in the country." *In re Enron Corp. Sec., Derivative & "ERISA" Litig.*, 586 F. Supp. 2d 732, 797 (S.D. Tex. 2008).

The court further commented: "[I]n the face of extraordinary obstacles, the skills, expertise, commitment, and tenacity of [Robbins Geller] in this litigation cannot be overstated. Not to be overlooked are the unparalleled results, . . . which demonstrate counsel's clearly superlative litigating and negotiating skills." *Id.* at 789.

The court stated that the Firm's attorneys "are to be commended for their zealousness, their diligence, their perseverance, their creativity, the enormous breadth and depth of their investigations and analysis, and their expertise in all areas of securities law on behalf of the proposed class." *Id*.

In addition, the court noted, "This Court considers [Robbins Geller] 'a lion' at the securities bar on the national level," noting that the Lead Plaintiff selected Robbins Geller because of the Firm's "outstanding reputation, experience, and success in securities litigation nationwide." *Id.* at 790.

The court further stated that "Lead Counsel's fearsome reputation and successful track record undoubtedly were substantial factors in . . . obtaining these recoveries." *Id.* 

Finally, Judge Harmon stated: "As this Court has explained [this is] an extraordinary group of attorneys who achieved the largest settlement fund ever despite the great odds against them." *Id.* at 828.

• Jaffe v. Household Int'l, Inc., No. 02-C-05893 (N.D. Ill). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of \$1.575 billion after 14 years of litigation, including a sixweek jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury's verdict that defendants made false or misleading statements of material fact about the company's business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants "made" certain false statements, whether those false statements caused plaintiffs' losses, and the amount of

damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the seventh-largest settlement ever in a post-PSLRA securities fraud case. According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

In approving the settlement, the Honorable Jorge L. Alonso noted the team's "skill and determination" while recognizing that "Lead Counsel prosecuted the case vigorously and skillfully over 14 years against nine of the country's most prominent law firms" and "achieved an exceptionally significant recovery for the class." The court added that the team faced "significant hurdles" and "uphill battles" throughout the case and recognized that "[c]lass counsel performed a very high-quality legal work in the context of a thorny case in which the state of the law has been and is in flux." The court succinctly concluded that the settlement was "a spectacular result for the class." *Jaffe v. Household Int'l, Inc.*, No. 02-C-5892, 2016 U.S. Dist. LEXIS 156921, at \*8 (N.D. Ill. Nov. 10, 2016); *Jaffe v. Household Int'l, Inc.*, No. 02-C-05893, Transcript at 56, 65 (N.D. Ill. Oct. 20, 2016).

- In re Valeant Pharms. Int'l, Inc. Sec. Litig., No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that Vanity Fair reported as "the corporate scandal of its era" that had raised "fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations." The settlement resolves claims that defendants made false and misleading statements regarding Valeant's business and financial performance during the class period, attributing Valeant's dramatic growth in revenues and profitability to "innovative new marketing approaches" as part of a business model that was low risk and "durable and sustainable." Valeant is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- In re Am. Realty Cap. Props., Inc. Litig., No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP's manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.

In approving the settlement, the Honorable Alvin K. Hellerstein lauded the Robbins Geller litigation team, noting: "My own observation is that plaintiffs' representation is adequate and that the role of lead counsel was fulfilled in an extremely fine fashion by [Robbins Geller]. At every juncture, the representations made to me were reliable, the arguments were cogent, and the representation of their client was zealous."

• In re UnitedHealth Grp. Inc. PSLRA Litig., No. 06-CV-1691 (D. Minn.). In the UnitedHealth case, Robbins Geller represented the California Public Employees' Retirement System ("CalPERS") and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. For example, in 2006, the issue of high-level executives backdating stock options made national headlines. During that time, many law firms, including Robbins Geller, brought shareholder derivative lawsuits against the companies' boards of directors for breaches of their fiduciary duties or for improperly granting backdated options. Rather than pursuing a shareholder derivative case, the Firm filed a securities fraud class action against the company on behalf of CalPERS. In doing so, Robbins Geller faced significant and unprecedented legal

obstacles with respect to loss causation, *i.e.*, that defendants' actions were responsible for causing the stock losses. Despite these legal hurdles, Robbins Geller obtained an \$895 million recovery on behalf of the UnitedHealth shareholders. Shortly after reaching the \$895 million settlement with UnitedHealth, the remaining corporate defendants, including former CEO William A. McGuire, also settled. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders. The total recovery for the class was over \$925 million, the largest stock option backdating recovery ever, and *a recovery that is more than four times larger than the next largest options backdating recovery*. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company's board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.

- Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.), No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom's bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm's clients included major public institutions from across the country such as CalPERS, CalSTRS, the state pension funds of Maine, Illinois, New Mexico, and West Virginia, union pension funds, and private entities such as AIG and Northwestern Mutual. Robbins Geller attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- Luther v. Countrywide Fin. Corp., No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.

In approving the settlement, Judge Mariana R. Pfaelzer repeatedly complimented plaintiffs' attorneys, noting that it was "beyond serious dispute that Class Counsel has vigorously prosecuted the Settlement Actions on both the state and federal level over the last six years." Judge Pfaelzer also commented that "[w]ithout a settlement, these cases would continue indefinitely, resulting in significant risks to recovery and continued litigation costs. It is difficult to understate the risks to recovery if litigation had continued." *Me. State Ret. Sys. v. Countrywide Fin. Corp.*, No. 2:10-CV-00302, 2013 U.S. Dist. LEXIS 179190, at \*44, \*56 (C.D. Cal. Dec. 5, 2013).

Judge Pfaelzer further noted that the proposed \$500 million settlement represents one of the "largest MBS class action settlements to date. Indeed, this settlement easily surpasses the next largest . . . MBS settlement." *Id.* at \*59.

In re Wachovia Preferred Sec. & Bond/Notes Litig., No. 09-cv-06351 (S.D.N.Y.). In litigation over bonds and preferred securities, issued by Wachovia between 2006 and 2008, Robbins Geller and co-counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company (\$590 million) and Wachovia auditor KPMG LLP (\$37 million). The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history. The settlement is also one of the biggest securities class action recoveries arising from the credit crisis.

As alleged in the complaint, the offering materials for the bonds and preferred securities misstated and failed to disclose the true nature and quality of Wachovia's mortgage loan portfolio, which exposed the bank and misled investors to tens of billions of dollars in losses on mortgage-related assets. In reality, Wachovia employed high-risk underwriting standards and made loans to subprime borrowers, contrary to the offering materials and their statements of "pristine credit quality." Robbins Geller served as co-lead counsel representing the City of Livonia Employees' Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

• In re Cardinal Health, Inc. Sec. Litig., No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors. On behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund, the Firm aggressively pursued class claims and won numerous courtroom victories, including a favorable decision on defendants' motion to dismiss. In re Cardinal Health, Inc. Sec. Litigs., 426 F. Supp. 2d 688 (S.D. Ohio 2006). At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit. Judge Marbley commented: "[T]his is an extraordinary settlement relative to all the other settlements in cases of this nature and certainly cases of this magnitude.... This was an outstanding settlement.... [I]n most instances, if you've gotten four cents on the dollar, you've done well. You've gotten twenty cents on the dollar, so that's been extraordinary. In re Cardinal Health, Inc. Sec. Litig., No. 2:04-CV-575, Transcript at 16, 32 (S.D. Ohio Oct. 19, 2007). Judge Marbley further stated:

The quality of representation in this case was superb. Lead Counsel, [Robbins Geller], are nationally recognized leaders in complex securities litigation class actions. The quality of the representation is demonstrated by the substantial benefit achieved for the Class and the efficient, effective prosecution and resolution of this action. Lead Counsel defeated a volley of motions to dismiss, thwarting wellformed challenges from prominent and capable attorneys from six different law firms.

In re Cardinal Health Inc. Sec. Litigs., 528 F. Supp. 2d 752, 768 (S.D. Ohio 2007).

• AOL Time Warner Cases I & II, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner's disastrous 2001 merger with Internet high flier America Online. Robbins Geller attorneys exposed a massive and sophisticated accounting fraud involving America Online's ecommerce and advertising revenue. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents' case pending in California state court was scheduled to go to trial. The Regents' gross recovery of \$246 million is the largest individual opt-out securities recovery in history.

- Abu Dhabi Commercial Bank v. Morgan Stanley & Co., No. 1:08-cv-07508-SAS-DCF (S.D.N.Y.), and King County, Washington v. IKB Deutsche Industriebank AG, No. 1:09-cv-08387-SAS (S.D.N.Y.). The Firm represented multiple institutional investors in successfully pursuing recoveries from two failed structured investment vehicles, each of which had been rated "AAA" by Standard & Poors and Moody's, but which failed fantastically in 2007. The matter settled just prior to trial in 2013. This result was only made possible after Robbins Geller lawyers beat back the rating agencies' longtime argument that ratings were opinions protected by the First Amendment.
- In re HealthSouth Corp. Sec. Litig., No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA. HealthSouth and its financial advisors perpetrated one of the largest and most pervasive frauds in the history of U.S. healthcare, prompting Congressional and law enforcement inquiry and resulting in guilty pleas of 16 former HealthSouth executives in related federal criminal prosecutions. In March 2009, Judge Karon Bowdre commented in the *HealthSouth* class certification opinion: "The court has had many opportunities since November 2001 to examine the work of class counsel and the supervision by the Class Representatives. The court finds both to be far more than adequate." *In re HealthSouth Corp. Sec. Litig.*, 257 F.R.D. 260, 275 (N.D. Ala. 2009).
- In re Facebook Biometric Info. Privacy Litig., No. 3:15-cv-03747 (N.D. Cal.). Robbins Geller served as co-lead class counsel in a cutting-edge certified class action, securing a record-breaking \$650 million all-cash settlement, the largest privacy settlement in history. The case concerned Facebook's alleged privacy violations through its collection of its users' biometric identifiers without informed consent through its "Tag Suggestions" feature, which uses proprietary facial recognition software to extract from user-uploaded photographs the unique biometric identifiers (*i.e.*, graphical representations of facial features, also known as facial geometry) associated with people's faces and identify who they are. The Honorable James Donato called the settlement "a groundbreaking settlement in a novel area" and praised the unprecedented 22% claims rate as "pretty phenomenal" and "a pretty good day in class settlement history."
- In re Dynegy Inc. Sec. Litig., No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynegy investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynegy, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Given Dynegy's limited ability to pay, Robbins Geller attorneys structured a settlement (reached shortly before the commencement of trial) that maximized plaintiffs' recovery without bankrupting the company. Most notably, the settlement agreement provides that Dynegy will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynegy's stockholders.
- Jones v. Pfizer Inc., No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfonds obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.

In approving the settlement, United States District Judge Alvin K. Hellerstein commended the Firm, noting that "[w]ithout the quality and the toughness that you have exhibited, our society would not be as good as it is with all its problems. So from me to you is a vote of thanks for devoting yourself to this work and doing it well.... You did a really good job. Congratulations."

- In re Qwest Commc'ns Int'l, Inc. Sec. Litig., No. 01-cv-1451 (D. Colo.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased Qwest securities. In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Qwest's financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Qwest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Qwest during large portions of the class period.
- Fort Worth Emps.' Ret. Fund v. J.P. Morgan Chase & Co., No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation. In granting approval of the settlement, the court stated the following about Robbins Geller attorneys litigating the case: "[T]here is no question in my mind that this is a very good result for the class and that the plaintiffs' counsel fought the case very hard with extensive discovery, a lot of depositions, several rounds of briefing of various legal issues going all the way through class certification."
- Smilovits v. First Solar, Inc., No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in Smilovits v. First Solar, Inc. The settlement, which was reached after a long legal battle and on the day before jury selection, resolves claims that First Solar violated §\$10(b) and 20(a) of the Securities Exchange Act of 1934 and SEC Rule 10b-5. The settlement is the fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.
- NECA-IBEW Health & Welfare Fund v. Goldman Sachs & Co., No. 1:08-cv-10783 (S.D.N.Y.). As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs' shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit's decision rejected the concept of "tranche" standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities.

In approving the settlement, the Honorable Loretta A. Preska of the Southern District of New York complimented Robbins Geller attorneys, noting:

Counsel, thank you for your papers. They were, by the way, extraordinary

papers in support of the settlement, and I will particularly note Professor Miller's declaration in which he details the procedural aspects of the case and then speaks of plaintiffs' counsel's success in the Second Circuit essentially changing the law.

I will also note what counsel have said, and that is that this case illustrates the proper functioning of the statute.

- Schuh v. HCA Holdings, Inc., No. 3:11-cv-01033 (M.D. Tenn.). As sole lead counsel, Robbins Geller obtained a groundbreaking \$215 million settlement for former HCA Holdings, Inc. shareholders the largest securities class action recovery ever in Tennessee. Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action. At the hearing on final approval of the settlement, the Honorable Kevin H. Sharp described Robbins Geller attorneys as "gladiators" and commented: "Looking at the benefit obtained, the effort that you had to put into it, [and] the complexity in this case . . . I appreciate the work that you all have done on this." Schuh v. HCA Holdings, Inc., No. 3:11-CV-01033, Transcript at 12-13 (M.D. Tenn. Apr. 11, 2016).
- *Silverman v. Motorola, Inc.*, No. 1:07-cv-04507 (N.D. Ill.). The Firm served as lead counsel on behalf of a class of investors in Motorola, ultimately recovering \$200 million for investors just two months before the case was set for trial. This outstanding result was obtained despite the lack of an SEC investigation or any financial restatement. In May 2012, the Honorable Amy J. St. Eve of the Northern District of Illinois commented: "The representation that [Robbins Geller] provided to the class was significant, both in terms of quality and quantity." *Silverman v. In affirming the district court's award of attorneys' fees, the Seventh Circuit noted that "no other law firm was willing to serve as lead counsel. Lack of competition not only implies a higher fee but also suggests that most members of the securities bar saw this litigation as too risky for their practices." *Silverman v. Motorola Sols., Inc.*, 739 F.3d 956, 958 (7th Cir. 2013).

• In re AT&T Corp. Sec. Litig., MDL No. 1399 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased AT&T common stock. The case charged defendants AT&T and its former Chairman and CEO, C. Michael Armstrong, with violations of the federal securities laws in connection with AT&T's April 2000 initial public offering of its wireless tracking stock, one of the largest IPOs in American history. After two weeks of trial, and on the eve of scheduled testimony by Armstrong and infamous telecom analyst Jack Grubman, defendants agreed to settle the case for \$100 million. In granting approval of the settlement, the court stated the following about the Robbins Geller attorneys handling the case:

- Carpenters Health & Welfare Fund v. Coca-Cola Co., No. 00-CV-2838 (N.D. Ga.). As co-lead counsel representing Coca-Cola shareholders, Robbins Geller attorneys obtained a recovery of \$137.5 million after nearly eight years of litigation. Robbins Geller attorneys traveled to three continents to uncover the evidence that ultimately resulted in the settlement of this hard-fought litigation. The case concerned Coca-Cola's shipping of excess concentrate at the end of financial reporting periods for the sole purpose of meeting analyst earnings expectations, as well as the company's failure to properly account for certain impaired foreign bottling assets.
- Schwartz v. TXU Corp., No. 02-CV-2243 (N.D. Tex.). As co-lead counsel, Robbins Geller attorneys obtained a recovery of over \$149 million for a class of purchasers of TXU securities. The recovery compensated class members for damages they incurred as a result of their purchases of TXU securities at inflated prices. Defendants had inflated the price of these securities by concealing the fact that TXU's operating earnings were declining due to a deteriorating gas pipeline and the failure of the company's European operations.

The services provided by Lead Counsel [Robbins Geller] were efficient and highly successful, resulting in an outstanding recovery for the Class without the substantial expense, risk and delay of continued litigation. Such efficiency and effectiveness supports the requested fee percentage.

Cases brought under the federal securities laws are notably difficult and notoriously uncertain... Despite the novelty and difficulty of the issues raised, Lead Plaintiffs' counsel secured an excellent result for the Class.

... Based upon Lead Plaintiff's counsel's diligent efforts on behalf of the Class, as well as their skill and reputations, Lead Plaintiff's counsel were able to negotiate a very favorable result for the Class.... The ability of [Robbins Geller] to obtain such a favorable partial settlement for the Class in the face of such formidable opposition confirms the superior quality of their representation....

Robbins Geller attorneys served on the Plaintiffs' Coordinating Committee and Plaintiffs' Law Committee in this massive litigation resulting from the Exxon Valdez oil spill in Alaska in March 1989. The jury awarded hundreds of millions in compensatory damages, as well as \$5 billion in punitive damages (the latter were later reduced by the U.S. Supreme Court to \$507 million).
- *Mangini v. R.J. Reynolds Tobacco Co.*, No. 939359 (Cal. Super. Ct., San Francisco Cnty.). In this case, R.J. - Does I v. The Gap, Inc., No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: Does I v. Advance Textile Corp., No. 99 0002 (D. N. Mar. I.), which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and UNITE v. The Gap, Inc., No. 300474 (Cal. Super. Ct., San Francisco Cty.), which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team's efforts in bringing about the precedent-setting settlement of the actions.

- In re Honeywell Int'l, Inc. Sec. Litig., No. 00-cv-03605 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased Honeywell common stock. The case charged Honeywell and its top officers with violations of the federal securities laws, alleging the defendants made false public statements concerning Honeywell's merger with Allied Signal, Inc. and that defendants falsified Honeywell's financial statements. After extensive discovery, Robbins Geller attorneys obtained a \$100 million settlement for the class.
- Schwartz v. Visa Int'l, No. 822404-4 (Cal. Super. Ct., Alameda Cnty.). After years of litigation and a six-month trial, Robbins Geller attorneys won one of the largest consumer protection verdicts ever awarded in the United States. Robbins Geller attorneys represented California consumers in an action against Visa and MasterCard for intentionally imposing and concealing a fee from their cardholders. The court ordered Visa and MasterCard to return \$800 million in cardholder losses, which represented 100% of the amount illegally taken, plus 2% interest. In addition, the court ordered full disclosure of the hidden fee.
- *Thompson v. Metro. Life Ins. Co.*, No. 00-cv-5071 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel and obtained \$145 million for the class in a settlement involving racial discrimination claims in the sale of life insurance.
- *In re Prudential Ins. Co. of Am. Sales Pracs. Litig.*, MDL No. 1061 (D.N.J.). In one of the first cases of its kind, Robbins Geller attorneys obtained a settlement of \$4 billion for deceptive sales practices in connection with the sale of life insurance involving the "vanishing premium" sales scheme.

# **Precedent-Setting Decisions**

Robbins Geller attorneys operate at the vanguard of complex class action of litigation. Our work often changes the legal landscape, resulting in an environment that is more-favorable for obtaining recoveries for our clients.

- Stoyas v. Toshiba Corp., 896 F.3d 933 (9th Cir. 2018), cert. denied, 588 U.S. \_\_ (2019). In July 2018, the Ninth Circuit ruled in plaintiffs' favor in the Toshiba securities class action. Following appellate briefing and oral argument by Robbins Geller attorneys, a three-judge Ninth Circuit panel reversed the district court's prior dismissal in a unanimous, 36-page opinion, holding that Toshiba ADRs are a "security" and the Securities Exchange Act of 1934 could apply to those ADRs that were purchased in a domestic transaction. Id. at 939, 949. The court adopted the Second and Third Circuits' "irrevocable liability" test for determining whether the transactions were domestic and held that plaintiffs must be allowed to amend their complaint to allege that the purchase of Toshiba ADRs on the over-the-counter market was a domestic purchase and that the alleged fraud was in connection with the purchase.
- *Cyan, Inc. v. Beaver Cnty. Emps. Ret. Fund*, No. 15-1439 (U.S.). In March 2018, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller, holding that state courts continue to have jurisdiction over class actions asserting violations of the Securities Act of 1933. The court's ruling secures investors' ability to bring Securities Act actions when companies fail to make full and

fair disclosure of relevant information in offering documents. The court confirmed that the Securities Litigation Uniform Standards Act of 1998 was designed to preclude securities class actions asserting violations of state law – not to preclude securities actions asserting federal law violations brought in state courts.

- *Mineworkers' Pension Scheme v. First Solar Inc.*, 881 F.3d 750 (9th Cir. 2018), *cert. denied*, 588 U.S. \_\_\_\_\_(2019). In January 2018, the Ninth Circuit upheld the district court's denial of defendants' motion for summary judgment, agreeing with plaintiffs that the test for loss causation in the Ninth Circuit is a general "proximate cause test," and rejecting the more stringent revelation of the fraudulent practices standard advocated by the defendants. The opinion is a significant victory for investors, as it forecloses defendants' ability to immunize themselves from liability simply by refusing to publicly acknowledge their fraudulent conduct.
- In re Quality Sys., Inc. Sec. Litig., No. 15-55173 (9th Cir.). In July 2017, Robbins Geller's Appellate Practice Group scored a significant win in the Ninth Circuit in the *Quality Systems* securities class action. On appeal, a three-judge Ninth Circuit panel unanimously reversed the district court's prior dismissal of the action against Quality Systems and remanded the case to the district court for further proceedings. The decision addressed an issue of first impression concerning "mixed" future and present-tense misstatements. The appellate panel explained that "non-forward-looking portions of mixed statements are not eligible for the safe harbor provisions of the PSLRA . . . . Defendants made a number of mixed statements that included projections of growth in revenue and earnings based on the state of QSI's sales pipeline." The panel then held *both* the non-forward-looking and forward-looking statements false and misleading and made with scienter, deeming them actionable. Later, although defendants sought rehearing by the Ninth Circuit sitting *en banc*, the circuit court denied their petition.
- Local 703, I.B. of T. Grocery & Food Emps. Welfare Fund v. Regions Fin. Corp., No. CV-10-J-2847-S (N.D. Ala.). In the Regions Financial securities class action, Robbins Geller represented Local 703, I.B. of T. Grocery and Food Employees Welfare Fund and obtained a \$90 million settlement in September 2015 on behalf of purchasers of Regions Financial common stock during the class period. In August 2014, the Eleventh Circuit Court of Appeals affirmed the district court's decision to certify a class action based upon alleged misrepresentations about Regions Financial's financial health before and during the recent economic recession, and in November 2014, the U.S. District Court for the Northern District of Alabama denied defendants' third attempt to avoid plaintiffs' motion for class certification.
- Omnicare, Inc. v. Laborers Dist. Council Constr. Indus. Pension Fund, No. 13-435 (U.S.). In March 2015, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller that investors asserting a claim under §11 of the Securities Act of 1933 with respect to a misleading statement of opinion do not, as defendant Omnicare had contended, have to prove that the statement was subjectively disbelieved when made. Rather, the court held that a statement of opinion may be actionable either because it was not believed, or because it lacked a reasonable basis in fact. This decision is significant in that it resolved a conflict among the federal circuit courts and expressly overruled the Second Circuit's widely followed, more stringent pleading standard for §11 claims involving statements of opinion. The Supreme Court remanded the case back to the district court for determination under the newly articulated standard. In August of 2016, upon remand, the district court applied the Supreme Court's new test and denied defendants' motion to dismiss in full.

securities fraud action involving mortgage-backed securities, the Second Circuit rejected the concept of "tranche" standing and found that a lead plaintiff has class standing to pursue claims on behalf of purchasers of securities that were backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities. The court noted that, given those common lenders, the lead plaintiff's claims as to its purchases implicated "the same set of concerns" that purchasers in several of the other offerings possessed. The court also rejected the notion that the lead plaintiff lacked standing to represent investors in different tranches.

• In re VeriFone Holdings, Inc. Sec. Litig., 704 F.3d 694 (9th Cir. 2012). The panel reversed in part and affirmed in part the dismissal of investors' securities fraud class action alleging violations of §§10(b), 20(a), and 20A of the Securities Exchange Act of 1934 and SEC Rule 10b-5 in connection with a restatement of financial results of the company in which the investors had purchased stock.

The panel held that the third amended complaint adequately pleaded the §10(b), §20A, and Rule 10b-5 claims. Considering the allegations of scienter holistically, as the U.S. Supreme Court directed in *Matrixx Initiatives, Inc. v. Siracusano*, 563 U.S 27, 48-49 (2011), the panel concluded that the inference that the defendant company and its chief executive officer and former chief financial officer were deliberately reckless as to the truth of their financial reports and related public statements following a merger was at least as compelling as any opposing inference.

- Fox v. JAMDAT Mobile, Inc., 185 Cal. App. 4th 1068 (2010). Concluding that Delaware's shareholder ratification doctrine did not bar the claims, the California Court of Appeal reversed dismissal of a shareholder class action alleging breach of fiduciary duty in a corporate merger.
- In re Constar Int'l Inc. Sec. Litig., 585 F.3d 774 (3d Cir. 2009). The Third Circuit flatly rejected defense contentions that where relief is sought under §11 of the Securities Act of 1933, which imposes liability when securities are issued pursuant to an incomplete or misleading registration statement, class certification should depend upon findings concerning market efficiency and loss causation.
- *Matrixx Initiatives, Inc. v. Siracusano*, 563 U.S 27 (2011), *aff* g 585 F.3d 1167 (9th Cir. 2009). In a securities fraud action involving the defendants' failure to disclose a possible link between the company's popular cold remedy and a life-altering side effect observed in some users, the U.S. Supreme Court unanimously affirmed the Ninth Circuit's (a) rejection of a bright-line "statistical significance" materiality standard, and (b) holding that plaintiffs had successfully pleaded a strong inference of the defendants' scienter.
- *Alaska Elec. Pension Fund v. Flowserve Corp.*, 572 F.3d 221 (5th Cir. 2009). Aided by former U.S. Supreme Court Justice O'Connor's presence on the panel, the Fifth Circuit reversed a district court order denying class certification and also reversed an order granting summary judgment to defendants. The court held that the district court applied an incorrect fact-for-fact standard of loss causation, and that genuine issues of fact on loss causation precluded summary judgment.
- In re F5 Networks, Inc., Derivative Litig., 207 P.3d 433 (Wash. 2009). In a derivative action alleging unlawful stock option backdating, the Supreme Court of Washington ruled that shareholders need not make a pre-suit demand on the board of directors where this step would be futile, agreeing with plaintiffs that favorable Delaware case law should be followed as persuasive authority.
- Lormand v. US Unwired, Inc., 565 F.3d 228 (5th Cir. 2009). In a rare win for investors in the Fifth

Circuit, the court reversed an order of dismissal, holding that safe harbor warnings were not meaningful when the facts alleged established a strong inference that defendants knew their forecasts were false. The court also held that plaintiffs sufficiently alleged loss causation.

- Institutional Inv'rs Grp. v. Avaya, Inc., 564 F.3d 242 (3d Cir. 2009). In a victory for investors in the Third Circuit, the court reversed an order of dismissal, holding that shareholders pled with particularity why the company's repeated denials of price discounts on products were false and misleading when the totality of facts alleged established a strong inference that defendants knew their denials were false.
- *Alaska Elec. Pension Fund v. Pharmacia Corp.*, 554 F.3d 342 (3d Cir. 2009). The Third Circuit held that claims filed for violation of §10(b) of the Securities Exchange Act of 1934 were timely, adopting investors' argument that because scienter is a critical element of the claims, the time for filing them cannot begin to run until the defendants' fraudulent state of mind should be apparent.
- *Rael v. Page*, 222 P.3d 678 (N.M. Ct. App. 2009). In this shareholder class and derivative action, Robbins Geller attorneys obtained an appellate decision reversing the trial court's dismissal of the complaint alleging serious director misconduct in connection with the merger of SunCal Companies and Westland Development Co., Inc., a New Mexico company with large and historic landholdings and other assets in the Albuquerque area. The appellate court held that plaintiff's claims for breach of fiduciary duty were direct, not derivative, because they constituted an attack on the validity or fairness of the merger and the conduct of the directors. Although New Mexico law had not addressed this question directly, at the urging of the Firm's attorneys, the court relied on Delaware law for guidance, rejecting the "special injury" test for determining the direct versus derivative inquiry and instead applying more recent Delaware case law.
- *Lane v. Page*, No. 06-cv-1071 (D.N.M. 2012). In May 2012, while granting final approval of the settlement in the federal component of the Westland cases, Judge Browning in the District of New Mexico commented:

In addition, Judge Browning stated: "'Few plaintiffs' law firms could have devoted the kind of time, skill, and financial resources over a five-year period necessary to achieve the pre- and post-Merger benefits obtained for the class here.'... • *Luther v. Countrywide Home Loans Servicing LP*, 533 F.3d 1031 (9th Cir. 2008). In a case of first impression, the Ninth Circuit held that the Securities Act of 1933's specific non-removal features had not been trumped by the general removal provisions of the Class Action Fairness Act of 2005.

- *In re Gilead Scis. Sec. Litig.*, 536 F.3d 1049 (9th Cir. 2008). The Ninth Circuit upheld defrauded investors' loss causation theory as plausible, ruling that a limited temporal gap between the time defendants' misrepresentation was publicly revealed and the subsequent decline in stock value was reasonable where the public had not immediately understood the impact of defendants' fraud.
- In re WorldCom Sec. Litig., 496 F.3d 245 (2d Cir. 2007). The Second Circuit held that the filing of a class action complaint tolls the limitations period for all members of the class, including those who choose to opt out of the class action and file their own individual actions without waiting to see whether the district court certifies a class reversing the decision below and effectively overruling multiple district court rulings that *American Pipe* tolling did not apply under these circumstances.
- In re Merch & Co. Sec., Derivative & ERISA Litig., 493 F.3d 393 (3d Cir. 2007). In a shareholder derivative suit appeal, the Third Circuit held that the general rule that discovery may not be used to supplement demand-futility allegations does not apply where the defendants enter a voluntary stipulation to produce materials relevant to demand futility without providing for any limitation as to their use. In April 2007, the Honorable D. Brooks Smith praised Robbins Geller partner Joe Daley's efforts in this litigation:

Thank you very much Mr. Daley and a thank you to all counsel. As Judge Cowen mentioned, this was an exquisitely well-briefed case; it was also an extremely well-argued case, and we thank counsel for their respective jobs here in the matter, which we will take under advisement. Thank you.

- *Alaska Elec. Pension Fund v. Brown*, 941 A.2d 1011 (Del. 2007). The Supreme Court of Delaware held that the Alaska Electrical Pension Fund, for purposes of the "corporate benefit" attorney-fee doctrine, was presumed to have caused a substantial increase in the tender offer price paid in a "going private" buyout transaction. The Court of Chancery originally ruled that Alaska's counsel, Robbins Geller, was not entitled to an award of attorney fees, but Delaware's high court, in its published opinion, reversed and remanded for further proceedings.
- *Crandon Cap. Partners v. Shelk*, 157 P.3d 176 (Or. 2007). Oregon's Supreme Court ruled that a shareholder plaintiff in a derivative action may still seek attorney fees even if the defendants took actions to moot the underlying claims. The Firm's attorneys convinced Oregon's highest court to take the case, and reverse, despite the contrary position articulated by both the trial court and the Oregon Court of Appeals.
- *In re Qwest Commc'ns Int'l*, 450 F.3d 1179 (10th Cir. 2006). In a case of first impression, the Tenth Circuit held that a corporation's deliberate release of purportedly privileged materials to governmental agencies was not a "selective waiver" of the privileges such that the corporation could refuse to produce the same materials to non-governmental plaintiffs in private securities fraud litigation.

Orrick in the Northern District of California. She serves on the expert and trial committees and represents, among others, one of the trial bellwethers. Baig and her team have recently completed discovery and are currently preparing for expert reports and trial. She has also been appointed by the Honorable Charles R. Breyer in the Northern District of California to the Plaintiffs' Steering Committee in *In re McKinsey & Co., Inc. National Prescription Opiate Consultant Litigation*.

Additionally, Baig prosecuted an action against Wells Fargo's directors and officers accusing the giant of engaging in the robosigning of foreclosure papers so as to mass-process home foreclosures, a practice which contributed significantly to the 2008-2009 financial crisis. The resulting settlement was worth more than \$67 million in cash, corporate preventative measures, and new lending initiatives for residents of cities devastated by Wells Fargo's alleged unlawful foreclosure practices. Baig and a team of Robbins Geller attorneys recently obtained a \$62.5 million settlement in Villella v. Chemical and Mining Company of Chile Inc., a securities class action against a Chilean mining company. The case alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, Baig and the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Baig was also part of the litigation and trial team in White v. Cellco Partnership d/b/a Verizon Wireless, which resulted in a \$25 million settlement and Verizon's agreement to an injunction restricting its ability to impose early termination fees in future subscriber agreements. She was also part of the team that prosecuted dozens of stock option backdating actions, securing tens of millions of dollars in cash recoveries as well as the implementation of comprehensive corporate governance enhancements for numerous companies victimized by their directors' and officers' fraudulent stock option backdating practices. Additionally, Baig prosecuted an action against Prudential Insurance for its alleged failure to pay life insurance benefits to beneficiaries of policyholders it knew or had reason to know had died, resulting in a settlement in excess of \$30 million.

#### Case 3:22-cv-00055-REP Document 43-5 Filed 09/16/22 Page 87 of 168 PageID# 1326 ATTORNEY BIOGRAPHIES

Most recently, Drosman was part of the Robbins Geller litigation team in *Monroe County Employees' Retirement System v. The Southern Company* in which an \$87.5 settlement was reached after three years of litigation. The settlement resolved claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant that was designed to transform coal into synthetic gas that could then be used to fuel the power plant. In another recent case, Drosman and the Robbins Geller litigation team obtained a \$62.5 million settlement in *Villella v. Chemical and Mining Company of Chile Inc.*, which alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014.

In a pair of cases – Abu Dhabi Commercial Bank, et al. v. Morgan Stanley & Co. Inc. ("Cheyne" litigation) and King County, Washington, et al. v. IKB Deutsche Industriebank AG ("Rhinebridge" litigation) – Drosman led a group of attorneys prosecuting fraud claims against the credit rating agencies, where he is distinguished as one of the few plaintiffs' counsel to defeat the rating agencies' traditional First Amendment defense and their motions for summary judgment based on the mischaracterization of credit ratings as mere opinions not actionable in fraud.

Prior to joining the Firm, Drosman served as an Assistant District Attorney for the Manhattan District Attorney's Office, and an Assistant United States Attorney in the Southern District of California, where he investigated and prosecuted violations of the federal narcotics, immigration, and official corruption law.

### Jason A. Forge | Partner

Jason Forge is a partner in the Firm's San Diego office. He specializes in complex investigations, litigation, and trials. As a federal prosecutor and private practitioner, Forge has conducted and supervised scores of jury and bench trials in federal and state courts, including the month-long trial of a defense contractor who conspired with Congressman Randy "Duke" Cunningham in the largest bribery scheme in congressional history. He recently obtained approval of a \$160 million recovery in the first successful securities fraud case against Wal-Mart Stores, Inc. in *City of Pontiac General Employees' Retirement System v. Wal-Mart Stores, Inc.* In addition, Forge was a member of the Firm's trial team in *Hsu v. Puma Biotechnology, Inc.*, a securities fraud class action that resulted in a verdict in favor of investors after a two-week jury trial.

After the trial victory over Puma Biotechnology and Alan Auerbach, Forge joined a Robbins Geller litigation team that had defeated 12 motions for summary judgment against 40 defendants and was about to depose 17 experts in the home stretch to trial. Forge and the team used these depositions to disprove a truth-on-the-market argument that nine defense experts had embraced. Soon after the last of these expert depositions, the Robbins Geller team secured a \$1.025 billion settlement from American Realty Capital Properties and other defendants that included a record \$237 million contribution from individual defendants and represented more than twice the recovery rate obtained by several funds that had opted

out of the class.

Forge was a key member of the litigation team that secured a historic recovery on behalf of Trump University students in two class actions against President Donald J. Trump. The settlement refunds over 90% of the money thousands of students paid to "enroll" in Trump University. He represented the class on a *pro bono* basis. Forge has also successfully defeated motions to dismiss and obtained class certification against several prominent defendants, including the first federal RICO case against Scotts Miracle-Gro, which recently settled for up to \$85 million. He was a member of the litigation team that obtained a \$125 million settlement in *In re LendingClub Securities Litigation*, a settlement that ranked among the top ten largest securities recoveries ever in the Northern District of California.

In a case against another prominent defendant, Pfizer Inc., Forge led an investigation that uncovered key documents that Pfizer had not produced in discovery. Although fact discovery in the case had already closed, the district judge ruled that the documents had been improperly withheld and ordered that discovery be reopened, including reopening the depositions of Pfizer's former CEO, CFO, and General Counsel. Less than six months after completing these depositions, Pfizer settled the case for \$400 million.

Notably, before devoting his practice to the representation of consumers and investors, he defended companies in high-stakes class action and multi-district litigation, providing him with an invaluable perspective. Geller has tried bench and jury trials on both the plaintiffs' and defendants' sides and has argued before numerous state, federal, and appellate courts throughout the country.

Geller was recently selected to serve in a leadership position on behalf of governmental entities and other plaintiffs in the sprawling litigation concerning the nationwide prescription opioid epidemic. In reporting on the selection of the lawyers to lead the case, *The National Law Journal* reported that "[t]he team reads like a 'Who's Who' in mass torts." Geller was also a critical member of the team that negotiated over \$26 billion in settlements against certain opioid distributors and manufacturers. Prior to the opioid litigation, Geller was a member of the leadership team representing consumers in the massive *Volkswagen "Clean Diesel"* emissions case. The San Francisco legal newspaper *The Recorder* labeled the group that was appointed in that case, which settled for more than \$17 billion, a "class action dream team."

Geller is currently serving as a Lead Counsel in *In re EpiPen (Epinephrine Injection, USP) Mktg., Sales Pracs.* & *Antitrust Litig.*, a nationwide class action that alleges that pharmaceutical company Mylan N.V. and others engaged in anti-competitive and unfair business conduct in its sale and marketing of the EpiPen auto-injector device. The case was recently settled for \$609 million.

Some of Geller's other recent noteworthy successes include the largest privacy class action settlement in history – a \$650 million recovery in a cutting-edge class action in *In re Facebook Biometric Info. Privacy Litig.*, concerning Facebook's use of biometric identifiers through its "tag" feature. In addition to the monetary recovery, Facebook recently disabled the tag feature altogether, deleting user facial profiles and discontinuing the use of facial recognition software.

## **About Berger Montague**

Berger Montague is a full-spectrum class action and complex civil litigation firm, with nationally known attorneys highly sought after for their legal skills. The firm has been recognized by courts throughout the country for its ability and experience in handling major complex litigation, particularly in the fields of antitrust, securities, mass torts, civil and human rights, whistleblower cases, employment, and consumer litigation. In numerous precedent-setting cases, the firm has played a principal or lead role.

The National Law Journal selected Berger Montague in 12 out of 14 years (2003-2005, 2007-2013, 2015-2016) for its "Hot List" of top plaintiffs-oriented litigation firms in the United States. The select group of law firms recognized each year had done "exemplary, cutting-edge work on the plaintiffs' side." The National Law Journal ended its "Hot List" award in 2017 and replaced it with "Elite Trial Lawyers," which Berger Montague has won from 2018-2021. The firm has also achieved the highest possible rating by its peers and opponents as reported in Martindale-Hubbell and was ranked as a 2021 "Best Law Firm" by U.S. News - Best Lawyers.

Currently, the firm consists of 75 lawyers; 16 paralegals; and an experienced support staff. Few firms in the United States have our breadth of practice and match our successful track record in such a broad array of complex litigation.

## History of the Firm

Berger Montague was founded in 1970 by the late David Berger to concentrate on the representation of plaintiffs in a series of antitrust class actions. David Berger helped pioneer the use of class actions in antitrust litigation and was instrumental in extending the use of the class action procedure to other litigation areas, including securities, employment discrimination, civil and human rights, and mass torts. The firm's complement of nationally recognized lawyers has represented both plaintiffs and defendants in these and other areas and has recovered billions of dollars for its clients. In complex litigation, particularly in areas of class action litigation, Berger Montague has established new law and forged the path for recovery.

The firm has been involved in a series of notable cases, some of them among the most important in the last 50 years of civil litigation. For example, the firm was one of the principal counsel for

plaintiffs in the *Drexel Burnham Lambert/Michael Milken* securities and bankruptcy litigation. Claimants in these cases recovered approximately \$2 billion in the aftermath of the collapse of the junk bond market and the bankruptcy of *Drexel* in the late 1980's. The firm was also among the principal trial counsel in the *Exxon Valdez Oil Spill* litigation in Anchorage, Alaska, a trial resulting in a record jury award of \$5 billion against Exxon, later reduced by the U.S. Supreme Court to \$507.5 million. Berger Montague was lead counsel in the *School Asbestos Litigation*, in which a national class of secondary and elementary schools recovered in excess of \$200 million to defray the costs of asbestos abatement. The case was the first mass tort property damage class action certified on a national basis. Berger Montague was also lead class counsel and lead trial counsel in the *Cook v. Rockwell International Corporation* litigation arising out of a serious incident at the Rocky Flats nuclear weapons facility in Colorado.

Additionally, in the human rights area, the firm, through its membership on the executive committee in the *Holocaust Victim Assets Litigation*, helped to achieve a \$1.25 billion settlement with the largest Swiss banks on behalf of victims of Nazi aggression whose deposits were not returned after the Second World War. The firm also played an instrumental role in bringing about a \$4.37 billion settlement with German industry and government for the use of slave and forced labor during the Holocaust.

## **Diversity, Equity and Inclusion Initiatives**

Berger Montague not only supports the idea of its Diversity, Equity and Inclusion ("DEI") initiatives, it is a part of the DNA and fabric of the firm—internally amongst the Berger Montague family and in the way we practice law with co-counsel, opposing counsel, the courts, and with our clients. Through our DEI initiatives, Berger Montague actively works to increase diversity at all levels of our firm and to ensure that professionals of all races, religions, national origins, gender identities, ethnicities, sexual orientations, and physical abilities feel supported and respected in the workplace.

Berger Montague has enacted a broad range of diversity and inclusion projects, including successful efforts to hire and retain attorneys and non-attorneys from diverse backgrounds and to foster an inclusive work environment, including through firmwide trainings on implicit bias issues that may impact the workplace.

Additionally, at Berger Montague women lead. Women comprise over 30% of Berger Montague's shareholders, well above the national average as reported by the National Association of Women Lawyers. Moreover, women at the firm are encouraged and have taken advantage of professional development support to bolster their trajectories into key participation and leadership roles, both within and outside the firm, including mentoring, networking, and educational opportunities for women across all career levels. As a result of these intentional policies and initiatives, women attorneys at Berger Montague are managing departments, running offices, overseeing major

administrative programs, generating new business, serving as first chair in trials, handling large matters, and holding numerous other leadership positions firmwide.

Berger Montague's commitment to DEI activities extends beyond our firm. For example, DEI Task Force members are involved in numerous community and professional activities outside of the firm. ## **Practice Areas and Case Profiles**

## Antitrust

In antitrust litigation, the firm has served as lead, co-lead or co-trial counsel on many of the most significant civil antitrust cases over the last 50 years, including *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation* (settlement of approximately \$5.6 billion), *In re Namenda Direct Purchaser Antitrust Litigation* (recovery of \$750 million), *In re Loestrin 24 Fe Antitrust Litigation* (recovery of \$120 million), and *In re Domestic Drywall Antitrust Litigation* (settlements totaling \$190.7 million).

Once again, Berger Montague has been selected by *Chambers and Partners* for its 2021 *Chambers USA* Guide as one of Pennsylvania's top antitrust firms. *Chambers USA 2021* states that Berger Montague's antitrust practice group is "a preeminent force in the Pennsylvania antitrust market, offering expert counsel to clients from a broad range of industries."

*The Legal 500*, a guide to worldwide legal services providers, ranked Berger Montague as a Top Tier Law Firm for Antitrust: Civil Litigation/Class Actions: Plaintiff in the United States in its 2021 guide and states that Berger Montague's antitrust department "has a flair for handling high-stakes plaintiff-side cases, regularly winning high-value settlements for clients following antitrust law violations."

- In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation: Berger Montague served as co-lead counsel for a national class including millions of merchants in the Payment Card Interchange Fee and Merchant Discount Antitrust Litigation against Visa, MasterCard, and several of the largest banks in the U.S. (e.g., Chase, Bank of America, and Citi). The lawsuit alleged that merchants paid excessive fees to accept Visa and MasterCard cards because the payment cards, individually and together with their respective member banks, violated the antitrust laws. The challenged conduct included, inter alia, the collective fixing of interchange fees and adoption of rules that hindered any competitive pressure by merchants to reduce those fees. The lawsuit further alleged that defendants maintained their conspiracy even after both Visa and MasterCard changed their corporate forms from joint ventures owned by member banks to publicly-owned corporations following commencement of this litigation. On September 18, 2018, after thirteen years of hard-fought litigation, Visa and MasterCard agreed to pay as much as approximately \$6.26 billion, but no less than approximately \$5.56 billion, to settle the case. This result is the largest-ever class action settlement of an antitrust case. The settlement received preliminary approval on January 24, 2019. The settlement received final approval on December 16, 2019, for approximately \$5.6 billion.
- Contant, et al. v. Bank of America Corp., et al.: Berger Montague served as lead class counsel in the multistate indirect purchaser antitrust class action Contant, et al. v. Bank of America Corp., et al., against 16 of the world's largest dealer banks. Plaintiffs alleged that the defendants colluded to manipulate prices on foreign currency ("FX") instruments, using a number of methods to carry out their conspiracies, including sharing confidential price and order information through electronic chat rooms, thereby enabling the defendants to coordinate pricing and eliminate price competition. As with prior bank rigging scandals involving conspiracies to manipulate prices on other financial instruments, the defendants' alleged conspiracy to manipulate FX prices was the subject of numerous governmental investigations as well as direct purchaser class actions brought under antitrust federal law. However, the Contant action was the first of such cases to bring claims under state indirect purchaser antitrust laws on behalf of state-wide classes of retail investors of those financial instruments and whose claims have never been redressed. On July 29, 2019, U.S. District Judge Lorna G. Schofield granted preliminary approval of a \$10 million settlement with Citigroup and a \$985,000 settlement with MUFG Bank Ltd. On July 17, 2020, the Court granted preliminary approval of three settlements with all remaining defendants for a combined \$12.695 million. Each of the five settlements, totaling \$23.63 million, received final approval on November 19, 2020.
- In re Dental Supplies Antitrust Litigation: Berger Montague served as co-lead counsel for a class of dental practices and dental laboratories in *In re Dental Supplies Antitrust Litigation*, a suit brought against Henry Schein, Inc., Patterson Companies, Inc., and Benco Dental Supply Company, the three largest distributors of dental supplies in the United States. On September 7, 2018, co-lead counsel announced that they agreed with defendants to settle on a classwide basis for \$80 million. The settlement received final

approval on June 24, 2019. The suit alleged that the defendants, who collectively control close to 90 percent of the dental supplies and equipment distribution market, conspired to restrain trade and fix prices at anticompetitive levels, in violation of the Sherman Act. In furtherance of the alleged conspiracy, plaintiffs claimed that the defendants colluded to boycott and pressure dental manufacturers, dental distributors, and state dental associations that did business with or considered doing business with the defendants' lower-priced rivals. The suit claimed that, because of the defendants' anticompetitive conduct, members of the class were overcharged on dental supplies and equipment. In the 2019 Fairness Hearing, Judge Brian M. Cogan of the U.S. District Court for the Eastern District of New York said: "This is a substantial recovery that has the deterrent effect that class actions are supposed to have, and I think it was done because we had really good Plaintiffs' lawyers in this case who were running it."

- In re Domestic Drywall Antitrust Litigation: Berger Montague served as co-lead counsel on behalf of a class of direct purchasers of drywall, in a case alleging that the dominant manufacturers of drywall engaged in a conspiracy to fix drywall prices in the U.S. and to abolish the industry's long-standing practice of limiting price increases for the duration of a construction project through "job guotes." Berger Montague represented a class of direct purchasers of drywall from defendants for the period from January 1, 2012 to January 31, 2013. USG Corporation and United States Gypsum Company (collectively, "USG"), New NGC, Inc., Lafarge North America Inc., Eagle Materials, Inc., American Gypsum Company LLC, TIN Inc. d/b/a Temple-Inland Inc., and PABCO Building Products, LLC were named as defendants in this action. On August 20, 2015, the district court granted final approval of two settlements—one with USG and the other with TIN Inc. totaling \$44.5 million. On December 8, 2016, the district court granted final approval of a \$21.2 million settlement with Lafarge North America, Inc. On February 18, 2016, the district court denied the motions for summary judgment filed by American Gypsum Company, New NGC, Inc., Lafarge North America, Inc., and PABCO Building Products. On August 23, 2017, the district court granted direct purchaser plaintiffs' motion for class certification. On January 29, 2018, the district court granted preliminary approval of a joint settlement with the remaining defendants, New NGC, Inc., Eagle Materials, Inc., American Gypsum Company LLC, and PABCO Building Products, LLC, for \$125 million. The settlement received final approval on July 17, 2018, bringing the total amount of settlements for the class to \$190.7 million.
- In re Currency Conversion Fee Antitrust Litigation: Berger Montague, as one of two co-lead counsel, spearheaded a class action lawsuit alleging that the major credit cards had conspired to fix prices for foreign currency conversion fees imposed on credit card transactions. After eight years of litigation, a settlement of \$336 million was approved in October 2009, with a Final Judgment entered in November 2009. Following the resolution of eleven appeals, the District Court, on October 5, 2011, directed distribution of the settlement funds to more than 10 million timely filed claimants, among the largest class of claimants in an antitrust consumer class action. A subsequent settlement with American Express increased the settlement amount to \$386 million. (MDL No. 1409 (S.D.N.Y)).

- In re Marchbanks Truck Service Inc., et al. v. Comdata Network, Inc.: Berger Montague was co-lead counsel in this antitrust class action brought on behalf of a class of thousands of Independent Truck Stops. The lawsuit alleged that defendant Comdata Network, Inc. had monopolized the market for specialized Fleet Cards used by long-haul truckers. Comdata imposed anticompetitive provisions in its agreements with Independent Truck Stops that artificially inflated the fees Independents paid when accepting the Comdata's Fleet Card for payment. These contractual provisions, commonly referred to as anti-steering provisions or merchant restraints, barred Independents from taking various competitive steps that could have been used to steer fleets to rival payment cards. The settlement for \$130 million and valuable prospective relief was preliminary approved on March 17, 2014, and finally approved on July 14, 2014. In its July 14, 2014 order approving Class Counsel's fee request, entered contemporaneously with its order finally approving the settlement, the Court described this outcome as "substantial, both in absolute terms, and when assessed in light of the risks of establishing liability and damages in this case."
- Ross, et al. v. Bank of America (USA) N.A., et al.: Berger Montague, as lead counsel for the cardholder classes, obtained final approval of settlements reached with Chase, Bank of America, Capital One and HSBC, on claims that the defendant banks unlawfully acted in concert to require cardholders to arbitrate disputes, including debt collections, and to preclude cardholders from participating in any class actions. The case was brought for injunctive relief only. The settlements remove arbitration clauses nationwide for 3.5 years from the so-called "cardholder agreements" for over 100 million credit card holders. This victory for consumers and small businesses came after nearly five years of hardfought litigation, including obtaining a decision by the Court of Appeals reversing the order dismissing the case, and will aid consumers and small businesses in their ability to resist unfair and abusive credit card practices. In June 2009, the National Arbitration Forum (or "NAF") was added as a defendant. Berger Montague also reached a settlement with NAF. Under that agreement, NAF ceased administering arbitration proceedings involving business cards for a period of three and one-half (3.5) years, which relief is in addition to the requirements of a Consent Judgment with the State of Minnesota, entered into by the NAF on July 24, 2009.
- Johnson, et al. v AzHHA, et al.: Berger Montague was co-lead counsel in this litigation on behalf of a class of temporary nursing personnel, against the Arizona Hospital and Healthcare Association, and its member hospitals, for agreeing and conspiring to fix the rates and wages for temporary nursing personnel, causing class members to be underpaid. The court approved \$24 million in settlements on behalf of this class of nurses. (Case No. 07-1292 (D. Ariz.)).

Rockwell International Corporation: In February 2006, the firm won a \$554 million jury verdict on behalf of thousands of property owners whose homes were exposed to plutonium from the former Rocky Flats nuclear weapons site northwest of Denver, Colorado. Judgment in the case was entered by the court in June 2008 which, with

interest, totaled \$926 million. Recognizing this tremendous achievement, the Public Justice Foundation bestowed its prestigious Trial Lawyer of the Year Award for 2009 on Merrill G. Davidoff, David F. Sorensen, and the entire trial team for their "long and hard-fought" victory against "formidable corporate and government defendants." (No. 90-cv-00181-JLK (D. Colo.)). The jury verdict in that case was vacated on appeal in 2010, but on a second trip to the Tenth Circuit, Plaintiffs secured a victory in 2015, with the case then being sent back to the district court. A \$375 million settlement was reached in May 2016, and final approval by the district court was obtained in April 2017.

- In re Exxon Valdez Oil Spill Litigation: On September 16, 1994, a jury trial of several months duration resulted in a record punitive damages award of \$5 billion against the Exxon defendants as a consequence of one of the largest oil spills in U.S. history. The award was reduced to \$507.5 million pursuant to a Supreme Court decision. David Berger was co-chair of the plaintiffs' discovery committee (appointed by both the federal and state courts). Harold Berger served as a member of the organizing case management committee. H. Laddie Montague was specifically appointed by the federal court as one of the four designated trial counsel. Both Mr. Montague and Peter Kahana shared (with the entire trial team) the 1995 "Trial Lawyer of the Year Award" given by the Trial Lawyers for Public Justice. (No. A89-0095-CVCHRH (D. Alaska)).
- Drayton v. Pilgrim's Pride Corp.: The firm served as counsel in a consolidation of wrongful death and other catastrophic injury cases brought against two manufacturers of turkey products, arising out of a 2002 outbreak of Listeria Monocytogenes in the Northeastern United States, which resulted in the recall of over 32 million pounds of turkey the second largest meat recall in U.S. history at that time. A significant opinion issued in the case is Drayton v. Pilgrim's Pride Corp., 472 F. Supp. 2d 638 (E.D. Pa. 2006) (denying the defendants' motions for summary judgment and applying the alternative liability doctrine). All of the cases settled on confidential terms in 2006. (No. 03-2334 (E.D. Pa.)).

We focus on fraudulent, deceptive and unfair business practices across all lines of insurance and financial products and services sold by insurers and their affiliates, which include annuities, securities and other investment vehicles.

• **Spencer v. Hartford Financial Services Group, Inc.:** The firm, together with co-counsel, prosecuted this national class action against The Hartford Financial Services Group, Inc. and its affiliates in the United States District Court for the District of Connecticut (*Spencer*)

*v. Hartford Financial Services Group, Inc.*, Case No. 05-cv-1681) on behalf of approximately 22,000 claimants, each of whom entered into structured settlements with Hartford property and casualty insurers to settle personal injury and workers' compensation claims. To fund these structured settlements, the Hartford property and casualty insurers purchased annuities from their affiliate, Hartford Life. By purchasing the annuity from Hartford Life, The Hartford companies allegedly were able to retain up to 15% of the structured amount of the settlement in the form of undisclosed costs, commissions and profit - all of which was concealed from the settling claimants. On March 10, 2009, the U.S. District Court certified for trial claims on behalf of two national subclasses for civil RICO and fraud (256 F.R.D. 284 (D. Conn. 2009)). On October 14, 2009, the Second Circuit Court of Appeals denied The Hartford's petition for interlocutory appeal under Federal Rule of Civil Procedure 23(f). O'Dell: The firm, together with co-counsel, prosecuted this class action against Nationwide Mutual Insurance Company in West Virginia Circuit Court, Roane County (Nationwide Mutual Insurance Company v. O'Dell, Case No. 00-C-37), on behalf of current and former West Virginia automobile insurance policyholders, which arose out of Nationwide's failure, dating back to 1993, to offer policyholders the ability to purchase statutorily-required optional levels of underinsured ("UIM") and uninsured ("UM") motorist coverage in accordance with West Virginia Code 33-6-31. The court certified a trial class seeking monetary damages, alleging that the failure to offer these optional levels of coverage, and the failure to provide increased first party benefits to personal injury claimants, breached Nationwide's insurance policies and its duty of good faith and fair dealing, and violated the West Virginia Unfair Trade Practices Act. On June 25, 2009, the court issued final approval of a settlement that provided a minimum estimated value of \$75 million to Nationwide auto policyholders and their passengers who were injured in an accident or who suffered property damage.

## **Antitrust Cases**

From Judge Lorna G. Schofield, of the U.S. District Court for the Southern District of New York:

"I'm not sure I've ever seen a case without a single objection or opt-out, so congratulations on that."

Transcript of the November 19, 2020 Hearing in *Contant, et al. v. Bank of America Corp., et al.*, No. 1:17-cv-03139 (S.D.N.Y.).

From Judge William E. Smith, of the U.S. District Court for the District of Rhode Island:

"The degree to which you all litigated the case is – you know, I can't imagine attorneys litigating a case more rigorously than you all did in this case. It seems like every conceivable, legitimate, substantive dispute that could have been fought over was fought over to the max. So you, both sides, I think litigated the case as vigorously as any group of attorneys could. The level of representation of all parties in terms of the sophistication of counsel was, in my view, of the highest levels. I can't imagine a case in which there was really a higher quality of representation across the board than this one."

Transcript of the August 27, 2020 Hearing in *In re Loestrin 24 Fe Antitrust Litigation*, No. 13-md-02472 (D.R.I.).

From Judge Margo K. Brodie, of the U.S. District Court for the Eastern District of New York:

"Class counsel has without question done a tremendous job in litigating this case. They have also demonstrated the utmost professionalism despite the demands of the extreme perseverance that this case has required..."

From Judge Brian M. Cogan, of the U.S. District Court of the Eastern District of New York:

From **Judge Madeline Cox Arleo**, of the U.S. District Court for the District of New Jersey praising the efforts of all counsel:

"I just want to thank you for an outstanding presentation. I don't say that lightly . . . it's not lost on me at all when lawyers come very, very prepared. And really, your clients should be very proud to have such fine lawyering. I don't see lawyering like this every day in the federal courts, and I am very grateful. And I appreciate the time and the effort you put in, not only to the merits, but the respect you've shown for each other, the respect you've shown for the Court, the staff, and the time constraints. And as I tell my law clerks all the time, good lawyers don't fight, good lawyers advocate. And I really appreciate that more than I can express."

Transcript of the September 9 to 11, 2015 Daubert Hearing in *Castro v. Sanofi Pasteur*, No. 11-cv-07178 (D.N.J.) at 658:14-659:4.

From Judge William H. Pauley, III, of the U.S. District Court of the Southern District of New York:

"Class Counsel did their work on their own with enormous attention to detail and unflagging devotion to the cause. Many of the issues in this litigation . . . were unique and issues of first impression."

\* \* \*

"Class Counsel provided extraordinarily high-quality representation. This case raised a number of unique and complex legal issues .... The law firms of Berger Montague and Coughlin Stoia were indefatigable. They represented the Class with a high degree of professionalism, and vigorously litigated every issue against some of the ablest lawyers in the antitrust defense bar."

In re Currency Conversion Fee Antitrust Litigation, 263 F.R.D. 110, 129 (2009).

From Judge Faith S. Hochberg, of the United States District court for the District of New Jersey:

"[W]e sitting here don't always get to see such fine lawyering, and it's really wonderful for me both to have tough issues and smart lawyers ... I want to congratulate all of you for the really hard work you put into this, the way you presented the issues, ... On behalf of the entire federal judiciary I want to thank you for the kind of lawyering we wish everybody would do." In re Remeron Antitrust Litig., Civ. No. 02-2007 (Nov. 2, 2005).

From U.S. District **Judge Jan DuBois**, of the U.S. District Court of the Eastern District of Pennsylvania:

"[T]he size of the settlements in absolute terms and expressed as a percentage of total damages evidence a high level of skill by petitioners ... The Court has repeatedly stated that the lawyering in the case at every stage was superb, and does so again."

*In re Linerboard Antitrust Litig.*, 2004 WL 1221350, at \*5-\*6 (E.D. Pa. 2004).

From Judge Nancy G. Edmunds, of the U.S. District Court of the Eastern District of Michigan:

"[T]his represents an excellent settlement for the Class and reflects the outstanding effort on the part of highly experienced, skilled, and hard working Class Counsel....[T]heir efforts were not only successful, but were highly organized and efficient in addressing numerous complex issues raised in this litigation[.]"

In re Cardizem CD Antitrust Litig., MDL No. 1278 (E.D. Mich., Nov. 26, 2002).

From Judge Charles P. Kocoras, of the U.S. District Court for the Northern District of Illinois:

"The stakes were high here, with the result that most matters of consequence were contested. There were numerous trips to the courthouse, and the path to the trial court and the Court of Appeals frequently traveled. The efforts of counsel for the class has [sic] produced a substantial recovery, and it is represented that the cash settlement alone is the second largest in the history of class action litigation. . . .There is no question that the results achieved by class counsel were extraordinary [.]"

Regarding the work of Berger Montague in achieving more than \$700 million in settlements with some of the defendants in *In Re Brand Name Prescription Drugs Antitrust Litigation*, 2000 U.S. Dist. LEXIS 1734, at \*3-\*6 (N.D. III. Feb. 9, 2000).

From Judge Peter J. Messitte, of the U.S. District Court for the District of Maryland:

"The experience and ability of the attorneys I have mentioned earlier, in my view in reviewing the documents, which I have no reason to doubt, the plaintiffs' counsel are at the top of the profession in this regard and certainly have used their expertise to craft an extremely favorable settlement for their clients, and to that extent they deserve to be rewarded."

Settlement Approval Hearing, Oct. 28, 1994, in *Spawd, Inc. and General Generics v. Bolar Pharmaceutical Co., Inc.*, CA No. PJM-92-3624 (D. Md.).

From Judge Donald W. Van Artsdalen, of the U.S. District Court for the Eastern District of Pennsylvania:

"As to the quality of the work performed, although that would normally be reflected in the not immodest hourly rates of all attorneys, for which one would expect to obtain excellent quality work at all times, the results of the settlements speak for themselves. Despite the extreme uncertainties of trial, plaintiffs' counsel were able to negotiate a cash settlement of a not insubstantial sum, and in addition, by way of equitable relief, substantial concessions by the defendants which, subject to various condition, will afford the right, at least, to lessee-dealers to obtain gasoline supply product from major oil companies and suppliers other than from their respective lessors. The additional benefits obtained for the classes by way of equitable relief would, in and of itself, justify some upward adjustment of the lodestar figure."

Bogosian v. Gulf Oil Corp., 621 F. Supp. 27, 31 (E.D. Pa. 1985).

From Judge Krupansky, who had been elevated to the Sixth Circuit Court of Appeals:

"Finally, the court unhesitatingly concludes that the quality of the representation rendered by counsel was uniformly high. The attorneys involved in this litigation are extremely experienced and skilled in their prosecution of antitrust litigation and other complex actions. Their services have been rendered in an efficient and expeditious manner, but have nevertheless been productive of highly favorable result."

In re Art Materials Antitrust Litigation, 1984 CCH Trade Cases ¶65,815 (N.D. Ohio 1983).

From Judge Joseph Blumenfeld, of the U.S. District Court for the District of Connecticut:

"The work of the Berger firm showed a high degree of efficiency and imagination, particularly in the maintenance and management of the national class actions."

In re Master Key Antitrust Litigation, 1977 U.S. Dist. LEXIS 12948, at \*35 (Nov. 4, 1977).

**Securities & Investor Protection Cases** 

From **Judge Brantley Starr** of the U.S. District Court for the Northern District of Texas, Dallas Division:

"I think y'all have been a model on how to handle a case like this. So I appreciate the diligence y'all have put in separating the fee negotiations until after the main event is resolved...Everything I see here is in great shape, and really a testament to y'all's diligence and professionalism. So hats off to y'all...So thanks again for your professionalism in handling this case and handling the stipulated settlement. Y'all are model citizens, and so I wish I could send everyone to y'all's school of litigation management."

*Howell Family Trust DTD 1/27/2004 v. Hollis Greenlaw, et al.*, No. 3:18-cv-02864-X (N.D. Tex., March 25, 2021).

From Judge Jed Rakoff of the U.S. District Court for the Southern District of New York:

Court stated that lead counsel had made "very full and well-crafted" and "excellent submissions"; that there was a "very fine job done by plaintiffs' counsel in this case"; and that this was "surely a very good result under all the facts and circumstances."

*In re Merrill Lynch & Co., Inc. Securities, Derivative & ERISA Litigation*, Master File No. 07-cv-9633(JSR)(DFE) (S.D.N.Y., July 27, 2009).

From Judge Michael M. Baylson of the U.S. District Court for the Eastern District of Pennsylvania:

"The Court is aware of and attests to the skill and efficiency of class counsel: they have been diligent in every respect, and their briefs and arguments before the Court were of the highest quality. The firm of Berger Montague took the lead in the Court proceedings; its attorneys were well prepared, articulate and persuasive."

In re CIGNA Corp. Sec. Litig., 2007 U.S. Dist. LEXIS 51089, at \*17-\*18 (E.D. Pa. July 13, 2007).

From Judge Stewart Dalzell of the U.S. District Court for the Eastern District of Pennsylvania:

"The quality of lawyering on both sides, but I am going to stress now on the plaintiffs' side, simply has not been exceeded in any case, and we have had some marvelous counsel appear before us and make superb arguments, but they really don't come any better than Mrs. Savett... [A]nd the arguments we had on the motion to dismiss [Mrs. Savett argued the motion], both sides were fabulous, but plaintiffs' counsel were as good as they come." In re U.S. Bioscience Secs. Litig., No. 92-0678 (E.D. Pa. April 4, 1994).

From Judge Wayne Andersen of the U.S. District Court for the Northern District of Illinois:

"[Y]ou have acted the way lawyers at their best ought to act. And I have had a lot of cases...in 15 years now as a judge and I cannot recall a significant case where I felt people were better represented than they are here...I would say this has been the best representation that I have seen."

In re: Waste Management, Inc. Secs. Litig., No. 97-C 7709 (N.D. III. 1999).

From **Chancellor William Chandler, III** of the Delaware Chancery Court:

"All I can tell you, from someone who has only been doing this for roughly 22 years, is that I have yet to see a more fiercely and intensely litigated case than this case. Never in 22 years have I seen counsel going at it, hammer and tong, like they have gone at it in this case. And I think that's a testimony – Mr. Valihura correctly says that's what they are supposed to do. I recognize that; that is their job, and they were doing it professionally."

Ginsburg v. Philadelphia Stock Exchange, Inc., No. 2202 (Del. Ch., Oct. 22, 2007).

From Judge Stewart Dalzell of the U.S. District Court for the Eastern District of Pennsylvania:

"Thanks to the nimble class counsel, this sum, which once included securities worth \$149.5 million is now all cash. Seizing on an opportunity Rite Aid presented, class counsel first renegotiated what had been stock consideration into Rite Aid Notes and then this year monetized those Notes. Thus, on February 11, 2003, Rite Aid redeemed those Notes from the class, which then received \$145,754,922.00. The class also received \$14,435,104 in interest on the Notes."

"Co-lead counsel ... here were extraordinarily deft and efficient in handling this most complex matter... they were at least eighteen months ahead of the United States Department of Justice in ferreting out the conduct that ultimately resulted in the write down of over \$1.6 billion in previously reported Rite Aid earnings. In short, it would be hard to equal the skill class counsel demonstrated here."

*In re Rite Aid Corp. Securities Litigation*, 269 F. Supp. 2d 603, 605, n.1, 611 (E.D. Pa. 2003).

From **Judge Helen J. Frye**, United States District Judge for the U.S. District Court for the District of Oregon:

"In order to bring about this result [partial settlements then totaling \$54.25 million], Class Counsel were required to devote an unusual amount of time and effort over more than eight years of intense legal litigation which included a four-month long jury trial and full briefing and argument of an appeal before the Ninth Circuit Court of Appeals, and which produced one of the most voluminous case files in the history of this District."

\* \* \*

"Throughout the course of their representation, the attorneys at Berger Montague and Stoll, Stoll, Berne, Lokting & Shlachter who have worked on this case have exhibited an unusual degree of skill and diligence, and have had to contend with opposing counsel who also displayed unusual skill and diligence."

In Re Melridge, Inc. Securities Litigation, No. CV 87-1426-FR (D. Ore. April 15, 1996).

From Judge Marvin Katz of the U.S. District Court for the Eastern District of Pennsylvania:

"[T]he co-lead attorneys have extensive experience in large class actions, experience that has enabled this case to proceed efficiently and professionally even under short deadlines and the pressure of handling thousands of documents in a large multi-district action... These counsel have also acted vigorously in their clients' interests...."

\* \* \*

"The management of the case was also of extremely high quality.... [C]lass counsel is of high caliber and has extensive experience in similar class action litigation.... #### **Civil/Human Rights Cases**

#### From Deputy Treasury Secretary Stuart E. Eizenstat:

"We must be frank. It was the American lawyers, through the lawsuits they brought in U.S. courts, who placed the long-forgotten wrongs by German companies during the Nazi era on the international agenda. It was their research and their work which highlighted these old injustices and forced us to confront them. Without question, we would not be here without them.... For this dedication and commitment to the victims, we should always be grateful to these lawyers."

In his remarks at the July 17, 2000, signing ceremony for the international agreements which established the German Foundation to act as a funding vehicle for the payment of claims to Holocaust survivors.

#### **Insurance Litigation**

From Judge Janet C. Hall, of the U.S. District Court of the District of Connecticut:

Noting the "very significant risk in pursuing this action" given its uniqueness in that "there was no prior investigation to rely on in establishing the facts or a legal basis for the case....[and] no other prior or even now similar case involving parties like these plaintiffs and a party like these defendants." Further, "the quality of the representation provided to the plaintiffs ... in this case has been consistently excellent.... [T]he defendant[s] ... mounted throughout the course of the five years the case pended, an extremely vigorous defense.... [B]ut for counsel's outstanding work in this case and substantial effort over five years, no member of the class would have recovered a penny.... [I]t was an extremely complex and substantial class ... case ... [with an] outstanding result."

"[H]aving participated over the last 17 years in 400 arbitrations and trials in various settings, ... the professionalism and the detail and generally the civility of everyone involved has been not just a cause for commentary at the end of these proceedings but between ourselves [the arbitration panel] during the course of them, and ... the detail and the intellectual rigor that went into the documents was fully reflective of the effort that was made in general. I wanted to make that known to everyone and to express my particular respect and admiration."

From **Judge Joseph F. Bataillon**, United States District Judge for the U.S. District Court for the District of Nebraska:

[P]laintiffs' counsel succeeded in vindicating important rights. ... The court is familiar with "donning and doffing" cases and based on the court's experience, defendant meat packing companies' litigation conduct generally reflects "what can only be described as a deeply-entrenched resistance to changing their compensation practices to comply with the requirements of FLSA." (citation omitted). Plaintiffs' counsel perform a recognized public service in prosecuting these actions as a 'private Attorney General' to protect the rights of underrepresented workers.

The plaintiffs have demonstrated that counsel's services have benefitted the class. ... The fundamental policies of the FLSA were vindicated and the rights of the workers were protected.

The clients, corporate and individual, should be proud of the manner in which their legal interests were brought before and presented to the Court by their lawyers and law firms."

and

"...the Court would be remiss if it did not commend class counsel and all those who worked for firms representing the thousands of current and former employees of Kodak for the outstanding job they did in representing the interests of their clients. For the last several years, lead counsel responsibilities were shared by Shanon Carson .... Their legal work in an extraordinarily complex case was exemplary, their tireless commitment to seeking justice for their clients was unparalleled and their conduct as officers of the court was beyond reproach."

In a long-running environmental class action on behalf of property owners whose land was contaminated by plutonium from a neighboring nuclear weapons facility (Rocky Flats near Denver, Colorado), Mr. Davidoff served as lead counsel and lead trial counsel in a 2005-2006 trial that resulted in a \$554 million jury verdict, third largest of 2006. In 2009 the Rocky Flats trial team, led by Mr. Davidoff, received the prestigious Public Justice Award for "Trial Lawyer of the Year." A 2010 decision by the 10th Circuit Court of Appeals reversed the judgment that had been won in the district court, but Berger Montague persevered and sought entry of judgment under alternative state law grounds. After losing this battle in the district court, plaintiffs appealed to the 10th Circuit again, and, after an appeal argued by Mr. Davidoff, the Court of Appeals (by then-judge, now Justice, Neil Gorsuch) reversed and held that plaintiffs could proceed on state law nuisance grounds. Just before competing petitions for certiorari were to be decided by the Supreme Court, a settlement of \$375 million was announced in May 2016. The settlement received final approval on April 28, 2017.

Mr. Davidoff also concentrates his practice in representation for commodities futures and options traders as well as derivatives matters. He was co-lead counsel for the customer class in *In re MF Global Holdings Limited Investment Litigation*, which settled for well over a billion dollars and resulted in the recovery and return of 100% of lost customer funds after MF Global's October 31, 2011 collapse.

In the Canadian Radio-Television and Telecommunications Commission ("CRTC") Decisions (Challenge Communications, Ltd. v. Bell Canada), Mr. Davidoff was lead counsel for Applicant (plaintiff) in three evidentiary hearings before the CRTC. The hearings resulted in the first precedent-breaking Bell Canada's monopoly over the telecommunications equipment which was connected to its telephone network. He was lead counsel in the *Revco Securities Litigation*, an innovative "junk bond" class action, which settled for \$36 million. Mr. Davidoff was lead plaintiffs' counsel and lead trial counsel in *In re Melridge Securities Litigation* tried to jury verdicts for \$88 million (securities fraud) and \$240 million (RICO). He was co-lead counsel for the class in *In re Graphite Electrodes Antitrust Litigation*, an international price-fixing case which yielded settlements ranging from 18% to 32% of the plaintiffs' and class' purchases from the defendants (aggregate settlements totaled \$134 million). He was

one of co-lead counsel in the *Ikon Securities Litigation*, in which a settlement of \$111 million was obtained. He was co-lead counsel and designated lead trial counsel in the *In Re Sunbeam Securities Litigation*, where settlements of \$142 million were reached. Mr. Collins has served as lead counsel or co-lead counsel in numerous cases that have achieved significant benefits on behalf of the Class. These cases include: In re AMF Bowling Securities Litigation (S.D.N.Y.) (\$20 million recovery, principally against investment banks, where defendants asserted that Class suffered no damages); In re Aero Systems, Inc. Securities Litigation (S.D. Fla.) (settlement equal to 90 percent or more of Class members' estimated damages); Price v. Wilmington Trust Co. (Del. Ch.) (in litigation against bank trustee for breach of fiduciary duty, settlement equal to 70% of the losses of the Class of trust beneficiaries); In re Telematics International, Inc. Securities Litigation (S.D. Fla.) (settlements achieved, after extensive litigation, following 11th Circuit reversal of dismissal below); In re Ex-Cell-O Securities Litigation (E.D. Mich.); In re Seguoia Systems, Inc. (D. Mass.); In re Sapiens International, Inc. Securities Litigation (S.D.N.Y.); In re Datastream Securities Litigation (D.S.C.); Copland v. Tolson (Pa. Mr. Collins is at the forefront of litigation designed to achieve meaningful corporate governance reform. Fla.), a corporate derivative action brought on behalf of the shareholders of FPL Group, plaintiffs challenged excessive "change of control" payments made to top executives. In the settlement, plaintiffs recovered not only a substantial cash amount but also a range of improvements in FPL's corporate governance structure intended to promote the independence of the outside directors.

Similarly, in *Ashworth Securities Litigation* (S.D. Cal.), a Section 10(b) fraud case, in which Mr. Collins was co-lead counsel, plaintiffs again have been successful in recovering millions of dollars and also securing important governance changes. In this case, the changes focused on strengthening the accounting function and improving revenue recognition practices.

In corporate acquisition cases, Mr. Collins has served as co-lead counsel in cases such as *In re Portec Rail Products, Inc. Shareholders Litig.* (C.P. He serves as co-lead counsel in a variety of complex antitrust cases, including *Le, et al. v. Zuffa, LLC*, No. 15-1045 (D. Nev.) (alleging the Ultimate Fighting Championship ("UFC") obtained illegal monopoly power of the market for Mixed Martial Arts promotions and suppressed the compensation of MMA fighters).

Most recently, as co-lead counsel, Mr. Dell'Angelo helped to reach settlements totaling more than \$190 million in the multidistrict litigation *In re Domestic Drywall Antitrust Litig.*, No. 13-md-2437 (E.D. *The National Law Journal* featured Mr. Dell'Angelo in its profile of Berger Montague for a special annual report entitled "Plaintiffs' Hot List." *The National Law Journal*'s Hot List identifies the top

plaintiff practices in the country. The Hot List profile focused on Mr. Dell'Angelo's role in the MF Global litigation (*In re MF Global Holding Ltd. Inv. Litig.*, No. 12-MD-2338-VM (S.D.N.Y.)). In *MF Global*, Mr. Dell'Angelo represented former commodity account holders seeking to recover approximately \$1.6 billion of secured customer funds after the highly publicized collapse of MF Global, a major commodities brokerage. At the outset of this high-risk litigation, the odds appeared grim: MF Global had declared bankruptcy, leaving the corporate officers, a bank, and a commodity exchange as the only prospect for the recovery of class's misappropriated funds. Nonetheless, four years later, a result few would have believed possible was achieved. Through a series of settlements, the former commodity account holders recovered more than 100 percent of their missing funds, totaling over \$1.6 billion.

Mr. Dell'Angelo has been recognized consistently as a Pennsylvania Super Lawyer, a distinction conferred upon him annually since 2007. He is regularly invited to speak at Continuing Legal Education (CLE) and other seminars and conferences, both locally and abroad. ("Anthem") alleging the class was paid insufficient cash compensation in connection with Anthem's conversion from a

mutual insurance company to a publicly-owned stock insurance company (a process known as "demutualization") (Ormond v. Anthem, Inc., et al., USDC, S.D. Ind., Case No. 1:05-cv-01908 (S.D. Ind. 2012)); settlement in 2010 for \$72.5 million of a nationwide civil RICO and fraud class action (certified for trial in 2009) against The Hartford and its affiliates on behalf of a class of personal injury and workers compensation claimants for the Hartford's alleged deceptive business practices in settling these injury claims for Hartford insureds with the use of structured settlements (Spencer, et al. v. Conn. 2009)); settlement in 2009 for \$75 million of breach of contract, Unfair Trade Practices Act and insurance bad faith tort claims on behalf of a class of West Virginia automobile policyholders (certified for trial in 2007) alleging that Nationwide Mutual Insurance Company failed to properly offer and provide them with state-required optional levels of uninsured and underinsured motorist coverage (Nationwide Mutual Insurance Company v. O'Dell, et al., Circuit Court of Roane County, W. Va., Civ. Action No. 00-C-37); and, settlement in 2004 for \$20 million on behalf of a class of cancer victims alleging that their insurer refused to pay for health insurance benefits for chemotherapy and radiation treatment (Bergonzi v. CSO, USDC, D.S.D., Case No. C2-4096). For his efforts in regard to the Bergonzi matter, Mr. Kahana was named as the recipient of the American Association for Justice's Steven J. Sharp Public Service Award, which is presented annually to those attorneys whose cases tell the story of American civil justice and help educate state and national policymakers and the public about the importance of consumers' rights.

**CLASS ACTION** 

### DECLARATION OF JONATHAN M. PETTY FILED ON BEHALF OF PHELAN PETTY, PLC IN SUPPORT OF APPLICATION FOR AWARD OF ATTORNEYS' FEES AND EXPENSES

I, Jonathan M. Petty, declare as follows:

1. I am a member of Phelan Petty, PLC ("the "Firm"). I am submitting this declaration in support of my firm's application for an award of attorneys' fees and expenses/charges ("expenses") in connection with services rendered in the above-entitled action.

2. This Firm is counsel for plaintiffs in this action, and, along with my co-counsel,

have been appointed by the Court as Class Counsel.

3. The information in this declaration regarding the Firm's time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am the partner who oversaw and/or conducted the dayto-day activities in the litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries as well as the necessity for, and reasonableness of, the time and expenses committed to the litigation. As a result of this review, reductions were made to both time and expenses in the exercise of billing judgment. Based on this review and the adjustments made, I believe that the time reflected in the Firm's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the litigation.

4. After the reductions referred to above, the number of hours spent on the Litigation by my Firm is 92.20. A breakdown of this lodestar organized by category of work conducted is provided in Exhibit A. The lodestar amount for attorney time based on the Firm's current rates is \$46,100.00. The hourly rates shown in Exhibit A are consistent with hourly rates submitted by the Firm in 2022 in other securities class action litigation. The Firm's rates are set based on periodic analysis of rates charged by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the Firm, the "current rate" used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with the Firm.

5. My Firm seeks an award of \$4,033.75 in expenses and charges in connection with the prosecution of the litigation. Those expenses and charges are summarized by category in Exhibit B.

6. The expenses pertaining to this case are reflected in the books and records of this Firm. These books and records are prepared from receipts, expense vouchers, check records and other documents and are an accurate record of the expenses.

The identification and background of my Firm and its partners is attached hereto as
 Exhibit C.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 1st

day of September, 2022, at Richmond, Virginia.

# DECLARATION OF CAMERON R. AZARI, ESQ. ON IMPLEMENTATION AND ADEQUACY OF SETTLEMENT NOTICE PLAN

I, Cameron Azari, declare as follows:

1. My name is Cameron R. Azari, Esq. I have personal knowledge of the matters set

forth herein, and I believe them to be true and correct.

2. I am a nationally recognized expert in the field of legal notice, and I have served as an expert in hundreds of federal and state cases involving class action notice plans.

3. I am a Senior Vice President with Epiq Class Action & Claims Solutions, Inc. ("Epiq") and the Director of Legal Notice for Hilsoft Notifications ("Hilsoft"), a firm that specializes in designing, developing, analyzing and implementing large-scale legal notification plans. 4. This declaration will describe the implementation of the Settlement Notice Plan ("Notice Plan" or "Plan") and notices (the "Notice" or "Notices") for the Settlement in *Haney v. Genworth Life Ins. Co.*, No. 3:23-cv-00055-REP, in the United States District Court for the Eastern District of Virginia.

5. I previously executed my Declaration of Cameron R. Azari, Esq. on Settlement

*Notice Plan and Administration,* on March 31, 2022, in which I detailed Hilsoft's class action notice experience and attached Hilsoft's *curriculum vitae*. I also provided my educational and professional experience relating to class actions and my ability to render opinions on overall adequacy of notice programs.

6. The facts in this declaration are based on my personal knowledge, as well as information provided to me by my colleagues in the ordinary course of my business at Hilsoft and Epiq, who worked with us to implement the Notice Plan.

# **OVERVIEW**

7. On May 2, 2022, the Court approved the Notice Plan as designed by Hilsoft and appointed Epiq as the Settlement Administrator in the *Order Granting Preliminary Approval of Settlement and Directing Notice to Class* ("Preliminary Approval Order"). In the Preliminary Approval Order, the Court preliminarily certified for settlement purposes only, the following "Class":

[A]ll Policyholders<sup>1</sup> of GLIC and GLICNY long-term care insurance Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policies and state variations of those Class Policies<sup>2</sup> in force at any time during the Class Period<sup>3</sup> and issued in any of the States<sup>4</sup>.

Excluded from the Class are:

<sup>&</sup>lt;sup>1</sup> "Policyholder(s)" means the policy owner, except:

a) where a single policy or certificate insures both a policy owner and another insured person, "Policyholder(s)" means both the policy owner and another insured person jointly;

b) where the Class Policy at issue is certificate 7042CRT, 7044CRT, or any other Class Policy that is a certificate issued under a group long-term care insurance policy, "Policyholder(s)" means the certificate holder.

<sup>&</sup>lt;sup>2</sup> "Class Policy" or "Class Policies" mean Genworth long-term care insurance policies on the policy forms identified in Appendix A to the Settlement Agreement in force at any time during the Class Period and issued in any of the fifty (50) states of the United States or the District of Columbia.

<sup>&</sup>lt;sup>3</sup> "Class Period" means any time on or between January 1, 2013 and the date the Class Notice is mailed.

(1) those Policyholders whose policies entered Non-Forfeiture Status<sup>5</sup> or entered a Fully Paid-Up Status<sup>6</sup> prior to January 1, 2014;

(2) those Policyholders whose Class Policy is Lapsed<sup>7</sup> and is outside any period Genworth allows for the Class Policy to be automatically reinstated with payment of past due premium, or whose Class Policy has otherwise Terminated<sup>8</sup>, as of the date of the Class Notice; and those Policyholders whose Class Policy is Lapsed and is outside any period Genworth allows for the Class Policy to be automatically reinstated with payment of past due premium or has otherwise Terminated, as of the date the Special Election Letter<sup>9</sup> would otherwise be mailed to the Policyholder;

(3) those Policyholders who are deceased at any time before their signed Special Election Option<sup>10</sup> is post-marked for mailing to Genworth, or is faxed or emailed to Genworth;

(4) Genworth's current officers, directors, and employees as of the date Class Notice is mailed; and

(5) Judge Robert E. Payne and his immediate family and staff.

<sup>&</sup>lt;sup>5</sup> "Non-Forfeiture Status" means a policy status where the Policyholder has exercised a "Non-Forfeiture Option." "Non-Forfeiture Options" include, but are not limited to, benefits that may have been made available pursuant to: an optional Non-Forfeiture Benefit Rider; the Limited Benefits Upon Lapse Due to a Substantial Premium Increase (also called a Contingent Non-forfeiture Benefit); the Limited Non-Forfeiture Option; the Optional Limited Benefit Endorsement; or the Limited Benefit with Payment for Partial Policy Disposition.

<sup>&</sup>lt;sup>6</sup> "Fully Paid-Up Status" means a status whereby a Class Policy is continued in full force and effect and no further premiums are owed. A Class Policy in Fully Paid-Up Status does not include a Class Policy that is in a Non-Forfeiture Status.

<sup>&</sup>lt;sup>7</sup> "Lapse" or "Lapsed" means a status whereby a policy is no longer in force because premium was not paid as required. A Lapsed policy terminates and cannot be reinstated if it is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium. For purposes of this Settlement Agreement, a policy in Non-Forfeiture Status (defined below) is not a Lapsed policy.

<sup>&</sup>lt;sup>8</sup> "Terminated" means a status whereby a Class Policy is no longer in force and is unable to be automatically reinstated by the Policyholder with payment of past due premium. It includes, for example, a Class Policy that has Lapsed beyond the period permitted for automatic reinstatement, a Class Policy that has been cancelled, or a Class Policy (including a policy in Non-Forfeiture Status) that is no longer in force because all available benefits have been exhausted.

<sup>&</sup>lt;sup>9</sup> "Special Election Letter" means the letter that Genworth will send, as part of consideration to the Class under this Settlement that provides disclosures and settlement options available to the Class Member.

discuss the administration activity to date.

### **NOTICE PLAN**

9. Rule 23 of the Federal Rules of Civil Procedure directs that the best notice practicable under the circumstances must include "individual notice to all members who can be identified through reasonable effort."<sup>11</sup> The Notice Plan here satisfies this requirement. The Notice Plan in this case provided for Epiq sending a detailed Class Notice to Class Members via United States Postal Service ("USPS") first class mail, a publication notice to appear one time in three of the highest circulated, nationwide newspapers in the country, and a case website.

10. Because notice remailing efforts are still underway and the exclusion request and objection deadlines have not passed, I will provide the Court with a supplemental declaration prior to the Final Approval Hearing, which will include the final calculated reach of the Notice Plan as implemented. Still, based on the data available to date, the Notice Plan is estimated to reach at least 95% of the Class.

11. In my opinion, the Notice Plan as designed and implemented to date, has reached the greatest practicable number of Class Members through the use of individual notice and publication notice. In my opinion, the Notice Plan is the best notice practicable under the circumstances of this case and satisfies the requirements of due process, including its "desire to actually inform" requirement.<sup>12</sup>

# **CAFA NOTICE**

12. As described in the *Declaration of Stephanie J. Fiereck, Esq. on Implementation of CAFA Notice*, dated April 11, 2022, ("Fiereck Declaration"), Epiq sent a CAFA notice packet (or "CAFA Notice"), on behalf of Defendants Genworth Life Insurance Company and Genworth Life

The CAFA Notice was mailed by USPS certified mail to 52 officials, including the State Insurance Commissioner (or comparable regulatory department head) of each of the 50 States and the District of Columbia. The CAFA Notice was also sent by United Parcel Service ("UPS") to the Attorney General of the United States. The Fiereck Declaration is included as **Attachment 2**.

# NOTICE PLAN IMPLEMENTATION Individual Notice

13. On July 5, 2022, Epiq received one data file from counsel for Defendants, which contained 352,952 Class Member records. On July 19, 2022, Epiq received a second data file from counsel for Defendants, which contained 17 additional Class Member records and 318 records identified by Defendants as requiring exclusion from the Class, including records of policyholders whose policies have terminated due to death or other reasons. Epiq conducted an analysis of the Class Member records and removed exact duplicates of other records based on name, address, and Social Security number fields, as well as records with invalid mailing addresses. This resulted in 352,146 Class Members to receive Notice.

14. On August 1, 2022, Epiq sent the detailed Notice via USPS first-class mail to the 352,146 Class Members. The Notice was a 14-image detailed Notice inserted into a windowed envelope that clearly and concisely summarizes the Settlement. The Notice directs the recipients to a case website dedicated to the Settlement where they can access additional information. The Class Notice is included as **Attachment 3**.

15. Prior to mailing, all mailing addresses were checked against the National Change of Address ("NCOA") database maintained by the USPS.<sup>13</sup> Any addresses that were not confirmed

<sup>&</sup>lt;sup>13</sup> The NCOA database contains records of all permanent change of address submissions received by the USPS for the last four years. The USPS makes this data available to mailing firms and lists submitted to it are automatically updated with any reported move based on a comparison with the person's name and known address.

DECLARATION OF CAMERON R. AZARI, ESQ. ON IMPLEMENTATION AND ADEQUACY OF SETTLEMENT NOTICE PLAN

as valid by the NCOA database were updated, pre-mail through a third-party address search service. In addition, the addresses were certified via the Coding Accuracy Support System ("CASS") to ensure the quality of the zip code, and verified through Delivery Point Validation ("DPV") to verify the accuracy of the addresses. This address updating process is standard for the industry and for the majority of promotional mailings that occur today.

16. The USPS automatically forwards Class Notices with an available forwarding address order that has not expired ("Postal Forwards"). The return address on these Class Notice mailings is a post office box maintained by Epiq, and for Class Notices returned as undeliverable, Epiq re-mailed the Class Notice to any new address available through USPS information (for example, to the address provided by the USPS on returned pieces for which the automatic forwarding order has expired, but which is still during the period in which the USPS returns the piece with the address indicated). For other returned Class Notice mailings, Epiq also has obtained better addresses by using a third-party lookup service, a process commonly referred to as "skiptracing". Epiq also has worked with Defendants to ensure that any such changes of address for Class Members appear current. Upon successfully locating better addresses through these means, Class Notices have been promptly re-mailed, and while undeliverable processing and remailing efforts are ongoing, to date, Epiq has received from the USPS and re-mailed three such Class Notices.

17. Additionally, a Class Notice has been mailed to all persons who requested one via the toll-free telephone number maintained by Epiq (as detailed below) or by mail. As of September 14, 2022, Epiq has mailed 29 additional Class Notices as a result of such requests.

### Supplemental Publication Notice

18. The Notice Plan also includes a Publication Notice to be published for one business day in the national editions of *The New York Times*, *The Wall Street Journal*, and *USA Today*, which is no later than 15 days before the deadline for requesting exclusion from the Class or filing objections.

## DECLARATION OF CAMERON R. AZARI, ESQ. ON IMPLEMENTATION AND ADEQUACY OF SETTLEMENT NOTICE PLAN

19. On September 2, 2022, the Publication Notice was published for one business day in the national editions of *The New York Times*, *The Wall Street Journal*, and *USA Today* as an 1/8 page ad unit. The combined average weekday circulation of these three publications is approximately 1.26 million. The Publication Notice is included as **Attachment 4**. Copies of the tear sheets are included as **Attachment 5**.

### Case Website, Toll-free Telephone Number, and Postal Mailing Address

20. On August 1, 2022, Epiq established a dedicated website for the Settlement with an easy to remember domain name (www.Choice2LongTermCareInsuranceSettlement.com). Class Members are able to obtain detailed information about the case and review key documents, including the Notice, Settlement Agreement and its exhibits, the Complaint, and the Preliminary Approval Order, as well as answers to frequently asked questions ("FAQs") and a toll-free telephone number. The case website address is displayed prominently in all Notices.

21. As of September 14, 2022, there have been 34,198 unique visitor sessions to the case website, and 63,937 web pages have been presented to visitors.

22. On August 1, 2022, Epiq also established a toll-free telephone number (1-855-662-0078) to allow Class Members to call for additional information, listen to answers to FAQs, request that a Notice be mailed to them, and choose to speak to a live operator during normal business hours. This automated phone system is available 24 hours per day, 7 days per week. The toll-free telephone number also is prominently displayed in the Notices. As of September 14, 2022, the toll-free number has handled 10,373 calls for 62,610 minutes of use and live operators have handled 2,295 calls for 25,567 minutes of use.

23. A post office box has also been established to allow Class Members to send inquiries about the Settlement.

### **Exclusion Requests and Objections**

24. The deadline to request exclusion or objection to the Settlement is September 30,2022. As of September 14, 2022, Epiq has received 60 requests for exclusion from the Settlement.

# DECLARATION OF CAMERON R. AZARI, ESQ. ON IMPLEMENTATION AND ADEQUACY OF SETTLEMENT NOTICE PLAN

As of September 12, 2022, I am aware of two objections (which I understand must be submitted by the objectors to the Court). I have reviewed the objections and none relate to the method of providing notice or settlement administration.

# **CONCLUSION**

25. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, by state and local rules and statutes, and by case law pertaining to the recognized notice standards under Rule 23. This framework directs that the notice plan be optimized to reach the class and, in a Class action notice situation such as this, that the notice or notice plan itself not limit knowledge of the availability of benefits—nor the ability to exercise other options—to class members in any way. All of these requirements are met in this case.

26. The Notice Plan included individual, direct-mail notice to all Class Members who were identified with reasonable effort. Because of the address updating protocols that were used, we reasonably expect to deliver individual notice to at least 95% of the identified Class. The established website and the supplemental publication notice expanded the reach of the notice further. In 2010, the Federal Judicial Center issued a Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide. This Guide states that, "the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%." Here, we have developed and implemented a Notice Plan that readily achieved a reach at the higher end of that standard.

27. The Notice Plan described above provides for the best notice practicable under the circumstances of this case, conforms to all aspects of the Rule 23, and comports with the guidance for effective notice set out in the Manual for Complex Litigation, Fourth.

28. The Notice Plan schedule affords sufficient time to provide full and proper notice to Class Members before the opt-out and objection deadlines.

29. I will provide a supplemental declaration to the Court prior to the Final Approval Hearing to provide updated information regarding re-mailing totals, administration statistics, requests for exclusions and objections to the Settlement.

I declare under penalty of perjury that the foregoing is true and correct. Executed on September 14, 2022, at Beaverton, Oregon.

# **Class Action Fairness Act – Notice to Federal and State Officials**

Re: Notice of Proposed Settlement Pursuant to 28 U.S.C. § 1715 in Fred Haney, et al. v. Genworth Life Insurance Company and Genworth Life Insurance Company of New York, Case No. 3:22-CV-55-REP, United States District Court for the Eastern District of Virginia, Richmond Division

Dear Sir or Madam:

Pursuant to the Class Action Fairness Act of 2005 ("CAFA"), 28 U.S.C. § 1715, Defendants Genworth Life Insurance Company ("GLIC") and Genworth Life Insurance Company of New York ("GLICNY") (together, GLIC and GLICNY, "Genworth") provide notice of the proposed settlement with the plaintiffs in the above-entitled action (the "Action").

# I. Background

On January 28, 2022, Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten ("Named Plaintiffs") filed a putative class action complaint (the "Complaint") against Genworth for alleged failures to disclose material information and alleged misrepresentations in premium rate increase letters sent for certain GLIC and GLICNY Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled long-term care insurance policies. Named Plaintiffs sought to represent a class of such policyholders in all fifty States and the District of Columbia. Named Plaintiffs asserted claims for fraudulent inducement by omission and for declaratory relief.

Genworth denies Named Plaintiffs' allegations and contends that neither Named Plaintiffs nor the putative class are entitled to relief.

Nevertheless, Genworth has concluded that further litigation will likely be protracted and expensive and therefore has agreed to settle Named Plaintiffs' and the putative class' claims pursuant to the terms of a Joint Stipulation of Settlement and Release (the "Stipulation of Settlement"), which is enclosed as <u>Exhibit 6</u>. On April 1, 2022, Named Plaintiffs filed in the United States District Court for the Eastern District of Virginia a

Motion to Direct Notice of Proposed Settlement to the Class, together with a copy of the parties' Stipulation of Settlement and various related documents.

If the Court grants final approval of the Settlement, Class Members will receive a Special Election Letter with two primary components—additional Disclosures and Special Election Options. The Disclosures concern Genworth's current plans (if any) for future rate increases on each Class Member's respective policy and Genworth's financial condition. The Special Election Options allow each Class Member to make an election (as available based on his or her particular policy) to (1) stop paying premiums and receive a reduced paid-up benefit, or (2) reduce his or her premiums and benefits. Some of the Special Election Options also include a cash damages payment. Class Members are not required to elect any Special Election Option and may keep their respective policies as-is. For more details about the Special Election Letter, the Disclosures, and the Special Election Options, please see Appendices B, C, and D of the Stipulation of Settlement (Exhibit 6).

This Notice is served to comply with the subsequent required notice provisions of 28 U.S.C. §1715. A copy of this Notice is concurrently being provided to the United States Attorney General and the insurance regulators of the 50 states, and the District of Columbia.

# II. Compliance with 28 U.S.C. § 1715

# 5. Any Settlement or Other Agreement (28 U.S.C. § 1715(b)(5))

No other contemporaneous written agreement has been made between Genworth and Named Plaintiffs.

The parties estimate the total putative nationwide settlement class size to include approximately 343,865 persons. Genworth has preliminarily identified potential settlement class members, and a list of such persons in your State or territory is attached as <u>Exhibit 8</u>.<sup>1</sup>

Genworth is providing these names of potential settlement class members pursuant to its obligations under 28 U.S.C. § 1715(b)(7)(a), but requests that these names not be publicly disclosed, in order to protect the confidentiality and privacy of the persons listed.

<sup>&</sup>lt;sup>1</sup> Genworth's identification of potential settlement class members is preliminary and reflects Genworth's best efforts as of April 6, 2022, and is subject to modifications and corrections through the time of class notice. Genworth specifically notes that where a single insurance policy or certificate identified as within the Settlement insures more than one person, only the primary owner of the policy or certificate is listed on the enclosed list.

### A. DESCRIPTION OF THE CLASS ACTION

On January 28, 2022, five individuals with GLIC or GLICNY Choice 2, Choice 2.1, California CADE, California Reprice, and/or California Unbundled long term care insurance policies, Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten, filed a Class Action Complaint against Genworth in the United States District Court for the Eastern District of Virginia, alleging that Genworth intentionally withheld material information from Policyholders with respect to the full scope and magnitude of Genworth's rate increase action plans and its reliance on Policyholders paying increased rates to pay future claims (the "Complaint"). The Named Plaintiffs' Complaint alleged that they did not challenge Genworth's right to increase premiums under the policies or Genworth's justification for rate increases. Instead, the Complaint asserted claims for Fraudulent Inducement by Omission and for Declaratory Relief.

Genworth denies any wrongdoing or legal liability for any alleged wrongdoing in connection with any facts or claims that have been or could have been alleged in Named Plaintiffs' lawsuit, whether on behalf of the Named Plaintiffs or Class Members. Genworth contends that the Named Plaintiffs' and Class Members' claims challenged Genworth's right to increase premiums and thus are barred by the filed-rate doctrine, and that neither Named Plaintiffs nor the putative Class has been injured or is entitled to any relief. The Court has not ruled on the merits of the claims or defenses.

All Parties believe in the merits of their respective claims and defenses. Nevertheless, due to the uncertainties, risks, expenses, and business disruption of continued litigation, the Parties have agreed to settle the lawsuit after voluntary mediation proceedings involving a mediator. The Parties have entered into a Joint Stipulation of Class Action Settlement and Release, which the Court has preliminarily approved as fair and reasonable, and which was amended and superseded by an Amended Joint Stipulation of Class Action Settlement and Release on July 6, 2022 ("Settlement Agreement"). The principal terms of the Settlement Agreement are summarized in this Notice. The full Settlement Agreement is on file with the Court and available at:

### **B. CLASS MEMBERS**

The "Class Members" for purposes of this settlement are defined as all Policyholders<sup>1</sup> of GLIC and GLICNY long-term care insurance Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policies, and State variations of those policies in force at any time during the Class Period and issued in any of the fifty (50) States of the United States or the District of Columbia (the "States")<sup>2</sup> excluding: (1) those Policyholders whose policies went into Non-Forfeiture Status<sup>3</sup> or a Fully Paid-Up Status<sup>4</sup> prior to January 1, 2014; (2) those Policyholders whose Class Policy is Lapsed<sup>5</sup> and is outside any period Genworth allows for the Class Policy has otherwise Terminated, <sup>6</sup> as of the date of the Class Notice; and those Policyholders whose Class Policy is Lapsed and is outside any period Genworth allows for the Class Policy has otherwise the payment of past due premium or has otherwise Terminated, as of the date the Special Election Letter<sup>7</sup> would otherwise be mailed to the Policyholder; (3) those Policyholders who are deceased at any time prior to sending their Special Election Option to Genworth; (4) Genworth's current officers, directors, and employees as of the date Class Notice is mailed; and (5) Judge Robert E. Payne and his immediate family and staff.

Changes to your policy status or coverage (including, for example, whether your policy lapses or is terminated) may also impact whether you are in the proposed settlement class. If your policy lapses after the date of this notice, it must be reinstated within your applicable auto-reinstatement period if you wish to exercise rights and options in the settlement.

<sup>&</sup>lt;sup>1</sup> "Policyholder(s)" means the policy owner, except: (a) where a single policy or certificate insures both a policy or certificate owner and another insured person, "Policyholder(s)" means both the policy or certificate owner and the other insured person jointly; (b) where the Class Policy at issue is certificate 7042CRT, 7044CRT, or any other Class Policy that is a certificate issued under a group long-term care insurance policy, "Policyholder(s)" means the certificate holder. <sup>2</sup> A list of Class Policy forms is attached hereto as **Appendix 1**.

<sup>&</sup>lt;sup>3</sup> "Non-Forfeiture Status" means a policy status where the Policyholder (defined below) has exercised a "Non-Forfeiture Option." "Non-Forfeiture Options" include, but are not limited to, benefits that may have been made available pursuant to: an optional Non-Forfeiture Benefit Rider; the Limited Benefits Upon Lapse Due to a Substantial Premium Increase (also called a Contingent Non-forfeiture Benefit); the Limited Non-Forfeiture Option; the Optional Limited Benefit Endorsement; or the Limited Benefit with Payment for Partial Policy Disposition.

<sup>&</sup>lt;sup>4</sup> "Fully Paid-Up Status" means a status whereby a Class Policy is continued in full force and effect and no further premiums are owed. A Class Policy in Fully Paid-Up Status does not include a Class Policy that is in a Non-Forfeiture Status.

<sup>&</sup>lt;sup>5</sup> "Lapse" or "Lapsed" means a status whereby a policy is no longer in force because premium was not paid as required. A Lapsed policy terminates and cannot be reinstated if it is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium. For purposes of this Settlement Agreement, a policy in Non-Forfeiture Status is not a Lapsed policy.

<sup>&</sup>lt;sup>6</sup> "Terminated" means a status whereby a Class Policy is no longer in force and is unable to be automatically reinstated by the Policyholder with payment of past due premium. It includes, for example, a Class Policy that has Lapsed beyond the period permitted for automatic reinstatement, a Class Policy that has been cancelled, or a Class Policy (including a policy in Non-Forfeiture Status) that is no longer in force because all available benefits have been exhausted.

<sup>&</sup>lt;sup>7</sup> A "Special Election Letter" is an individualized letter to be sent to all Class Members who have not opted-out providing certain disclosures and settlement options available to that Class Member.

### C. YOUR OPTIONS

As a Class Member, you have several options and you should read this entire Notice carefully before acting.

**OPTION #1:** If you do not oppose the settlement of the lawsuit, then simply do nothing. You do not need to send any documents to the Settlement Administrator. IF YOU DO NOTHING, YOU WILL BE BOUND BY THE TERMS OF THE SETTLEMENT, INCLUDING THE RELEASE. If you do nothing, you will not have the right to pursue your own action for the claims covered by the Class Action Release. If the Settlement Agreement is approved by the Court, you will then be sent another correspondence with options to elect to receive benefits under the Settlement Agreement.

**OPTION #2:** If you do NOT want to be bound by the Settlement Agreement and wish to retain the right to proceed against GLIC and/or GLICNY on your own as to the claims that were alleged, or that have a reasonable connection with any matter of fact set forth in the Class Action, subject to any defenses that may be available to GLIC and/or GLICNY to any claims you may have, including, but not limited to, statutes of limitation and statutes of repose, then you must notify the Settlement Administrator that you wish to exclude yourself from the Settlement Agreement and the Class (also known as "opting out").

To do so, you must send a signed letter to the Settlement Administrator, which includes: (1) your name, (2) your address, (3) if available, your policy number, (4) a statement that you are "requesting exclusion" from the Settlement Agreement, (5) the name of the case and case number (*Haney, et al. v. Genworth Life Insurance Company, et al.*, Case No. 3:22-cv-00055-REP), and (6) your signature.

Opt-out letters can be mailed to the Settlement Administrator at the following mailing address: P.O. Box 2860, Portland, OR 97208-2860.

The letter requesting exclusion must be postmarked no later than <u>September 30, 2022</u>. Any request for exclusion received with a postmark after that date will be invalid.

## IF YOU CHOOSE TO EXCLUDE YOURSELF, YOU WILL <u>NOT</u> RECEIVE THE SETTLEMENT AGREEMENT POLICY ELECTION OPTIONS OR OTHER RELIEF AND THE TERMS OF THE SETTLEMENT WILL NOT APPLY TO YOU.

## **OPTION #3:** If you want to remain in the Settlement Agreement and be bound by its terms, but you oppose any aspect of the Settlement Agreement, or Class Counsel's application for an award of fees and expenses, you may object to the Settlement Agreement.

In order to object, you must file a written Objection with the Clerk of United States District Court for the Eastern District of Virginia, located at 701 East Broad Street, Richmond, VA 23219, and you must serve a copy of the written Objection on the Settlement Administrator at the following address: P.O. Box 2860, Portland, OR 97208-2860.

A written Objection must include: (1) your full name, (2) your current address, (3) the name of the case and the case number (*Haney et al. v. Genworth Life Insurance Company et al.*, Case No. 3:22-cv-00055-REP), (5) the basis or reason(s) for your objection(s), (6) your signature, and (7) if you (or someone on your behalf such as an attorney) intends to appear at the Final Approval Hearing, a statement stating that you (or someone on your behalf) intend to appear at the Final Approval Hearing.

Any written Objection must be filed with the Court <u>and</u> sent to the Settlement Administrator with a postmark no later than <u>September 30, 2022</u>. Any written Objection filed and/or mailed with a post-mark after this deadline will be invalid.

You may be permitted to appear personally (or through an attorney) at the Final Approval Hearing to present your objections directly to the Court **if you first timely file and serve a written Objection and do not submit a request for exclusion**. A written Objection must state whether you (or someone on your behalf, such as an attorney) intends to appear at the Final Approval Hearing. If you wish to have an attorney represent you in connection with any written Objection, including to appear at the Final Approval Hearing, you will be responsible for any fees or expenses of that attorney. If you submit a written Objection, you will remain a Class Members and, if the Court rejects your objection(s), you will still be bound by the terms of the Settlement Agreement, including the Release.

### D. SUMMARY OF PROPOSED SETTLEMENT TERMS

This Settlement Agreement is conditioned upon the Court entering an order granting final approval of the Settlement Agreement as fair, reasonable, and adequate and in the best interests of the Class. Subject to the Settlement Agreement becoming final, the terms of the Settlement Agreement are as follows:

- 1. <u>Special Election Disclosures and Options</u>: In consideration for a Release as described in Paragraph D.2, and as a direct result of the Class Action and the Settlement Agreement, Genworth will send a special election letter ("Special Election Letter") to all Class Members after the Settlement has been finally approved. The Special Election Letter will contain, subject to approval by the Court and being approved by and/or not objected to by State insurance regulators:
  - (a) Disclosure of certain information about GLIC's and/or GLICNY's future rate increase plans and need for future rate increases (the "Disclosures"); and
  - (b) Class Members' right to make an election of either (1) maintaining current benefits at existing filed rates (subject to the future approved rate increases), or (2) electing from a selection of reduced paid-up benefit options or reduced benefit options (the "Special Election Options"), subject to the availability of those options depending on each Class Member' current policy terms and benefits and certain State Partnership Plan ("Partnership Plan") requirements. Special Election Options that may be available could increase the amount of your current non-forfeiture paid-up benefit or entitle you to cash damages pay-outs. The actual Special Election Options available to you will depend upon many factors including, but not limited to, your current policy status and benefits, final court approval, and State regulatory review and comment.
  - (c) Please visit the settlement website, www.Choice2LongTermCareInsuranceSettlement.com, for a full description of these options and a sample of the Special Election Letter.
- 2. <u>Release</u>: Each member of the Class who does not timely and validly opt out of the Class, will forever release and discharge GLIC and GLICNY (collectively "Genworth") and each of those entities' respective affiliates, predecessors, successors, parents, subsidiaries, and, for each of the foregoing, their current, former, and future directors, officers, direct and indirect owners, members, managers, attorneys, representatives, employees, and agents (the "Genworth Released Parties") of and from any and all known or unknown, contingent or absolute, matured or unmatured, suspected or unsuspected, disclosed or undisclosed,

foreseeable or unforeseeable, liquidated or unliquidated, existing or arising in the future, and accrued or unaccrued claims, demands, interest, penalties, fines, and causes of action, that the Named Plaintiffs and Class Members may have from the beginning of time through and including the Final Settlement Date that relate to claims alleged, or that have a reasonable connection with any matter of fact set forth in the Class Action including, but not limited to, any claims relating to rate increases on Class Policies prior to the Final Settlement Date. This release specifically includes any legal or equitable claim arising from or related to any election or policy change made or not made by any Class Members to his or her policy benefits prior to the Final Settlement Date. Named Plaintiffs and Class Members, subject to the exception set forth below, will further release the Genworth Released Parties and Class Counsel from any claims relating to or arising out of the Disclosures or the Special Election Letters the Class Members are provided as part of the Settlement Agreement, including (but not limited to) claims specifically relating to any alleged omissions in the Disclosures or the Special Election Letters or to any decision, or non-decision, to maintain, modify, or give up coverage based on the Disclosures, the Special Election Letters, or the Special Election Options offered. A claim that a Class Member was harmed by an express and intentional misrepresentation: in the completed portion of the Disclosures that currently is bracketed in the template Special Election Letter appended as Appendix D to the Settlement Agreement, in the completed portions of the Special Election Options that are made available to that Class Member that currently are bracketed in the template Special Election Letter, or by the Genworth Released Parties or Class Counsel about the Disclosures, shall not be a Released Claim. A Class Member may pursue such a claim in the Court via complaint or petition within three years of the date the Class Member makes a Special Election or three years of the deadline for the Class Member to make a Special Election, whichever is earlier, provided that, before filing any such claim, the Class Member shall first notify the Parties of the basis for the claim and provide them with a reasonable opportunity to investigate and, if appropriate, remedy the alleged harm.

This Release will not prevent a Class Member from making a claim for benefits under his or her long-term care insurance policy consistent with his or her policy coverage, nor shall it include a Class Member's challenge or appeal of Genworth's denial of benefits under his or her Class Policy.

This Class Notice only contains a summary of the actual benefits and release language contained in the Stipulation of Settlement, which is on file with the Court and available for your review, including on the settlement website described below. If the Settlement Agreement is not approved by the Court or does not become final for any reason, the Class Action will continue, this Release will not be binding, and the Special Election Options will not be available.

**3.** <u>Attorneys' Fees and Litigation Expenses</u>: As part of the request for Final Approval of the Settlement Agreement, Class Counsel will file a request seeking to be paid a contingent payment of 15% of certain amounts related to Special Election Options selected by the Class, which shall be no greater than \$13,000,000.00. None of the attorneys' fees will be deducted from payments made by Genworth to Class Members.

Class Counsel will also file a request for an award of reasonable litigation expenses in this case. These expenses will be no more than \$50,000.

These are the only attorneys' fees and litigation expenses that Class Counsel will be paid as a result of the Settlement. Class members will not be required to separately pay Class Counsel for any other attorneys' fees or expenses. Genworth has agreed to pay all fees and

expenses separately. The actual amounts of attorneys' fees and litigation expenses to be paid to Class Counsel will be determined by the Court, and these amounts will be paid by Genworth directly to Class Counsel.

This Class Notice only contains a summary of the actual Attorneys' Fees and Litigation Expenses provisions contained in the Settlement Agreement, which is on file with the Court and available for your review, including on the settlement website described below.

4. <u>Class Representative Service Payment:</u> Named Plaintiffs Fred Haney, Marsha Merrill, Sylvia Rausch, Stephen Swenson, and Alan Wooten have been appointed as class representatives by the Court. As part of the request for Final Approval of the Settlement Agreement, Class Counsel will request that service payments be awarded to each class representative in an amount of up to \$15,000 for each of them for the time, work, and risk they undertook in bringing this Class Action and achieving a settlement on behalf of all Class Members. None of the service payments approved by the Court will be deducted from payments made by Genworth to Class Members.

### E. FINAL APPROVAL HEARING ON PROPOSED SETTLEMENT

The Final Approval Hearing on the fairness and adequacy of the Settlement Agreement will be held on **November 17, 2022**, at 10:00 AM ET in Courtroom 7400 in The Spottswood W. Robinson III and Robert R. Merhige, Jr., Federal Courthouse, 701 East Broad Street, Richmond, VA 23219. You are not required to attend the Final Approval Hearing in order to participate in the Settlement Agreement, although you are free to do so if you choose. The Court, in its discretion, may continue the Final Approval Hearing to a later date, in which case no additional written notice will be sent to Class Members, so it is incumbent upon you to check the settlement website regarding the Final Approval Hearing date and time if you wish to attend.

### F. ADDITIONAL IMPORTANT INFORMATION

The Special Election Options described in this notice still require final approval by the Court and are subject to review by State insurance regulators.

You should also consider the following additional information, which may impact the availability of Special Election Options under this settlement:

- 1. If you currently have a long-term care policy with Genworth, you must continue to pay premiums (unless they have been waived) to keep your policy in force so that it is eligible for Special Election Options under this settlement. Your premiums also remain subject to any rate increases that may be approved or otherwise permitted.
- 2. Changes to your policy status or coverage (including lapse or termination) may impact whether you are in the proposed settlement class and/or whether Special Election Options will be available to you.
  - If your policy lapses after the date of this notice but is still in the period during which your policy can be automatically reinstated by paying any past-due premium, you will need to reinstate your policy by paying the past-due premium to exercise any rights and options under the settlement.
  - If, before you are sent a Special Election Letter, your policy lapses and is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium, or terminates for any other reason, then you will be excluded from the Settlement Class and the Special Election Options will not be available to you.

- If, after you have been sent a Special Election Letter, your policy lapses and is outside any period Genworth allows for the policy to be automatically reinstated with payment of past due premium, or terminates for any other reason, then you will remain in the Settlement Class and release your claims, but you will no longer be eligible for the Special Election Options.
- 3. If you reduce your coverage, including in response to a rate increase on your policy, your reduction in coverage may affect the Special Election Options that otherwise may become available to you under this settlement. As a Policyholder, you have options to reduce your coverage that are separate from the Special Election Options that may become available to you under this settlement. For example, if there is a premium rate increase on your policy, you will have options for reducing your coverage. Those options will be different from any Special Election Options that may become available under the possibility of a cash damages payout. If you select an option to reduce your coverage separate from the Special Election Options that may be available under this settlement, you may eliminate or reduce the availability of any future Special Election Options or the value of any corresponding cash damages payments that may be available. Whether one of these options or any Special Election Option will best meet your needs will depend on your specific circumstances.

This Notice is only a summary of the Settlement Agreement. For the precise terms and conditions of the settlement, the complete Settlement Agreement, pleadings and documents on file in this case, and other information about this settlement including important dates, PLEASE VISIT THE SETTLEMENT WEBSITE AT www.Choice2LongTermCareInsuranceSettlement.com OR CALL THE SETTLEMENT ADMINISTRATOR AT (855) 662-0078.

Do you own a Choice 2, Choice 2.1, California CADE, California Reprice, or California Unbundled long-term care insurance policy issued by Genworth Life Insurance Company or Genworth Life Insurance Company of New York? If so, you may be part of a class action settlement. Genworth has agreed to settle a proposed class action involving certain Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled long-term care policies.

In January 2022, five policyholders brought a lawsuit on behalf of a class alleging that Genworth should have included certain additional information in letters sent to Genworth Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policyholders about premium rate increases. Genworth denies all allegations and maintains that its disclosures to policyholders were reasonable, appropriate and truthful.

Pending final Court approval and subject to certain conditions, impacted policyholders may receive certain disclosures and policy options, including potential payments or credits. If you are a class member, you may be entitled to obtain this relief, and you may have other rights relating to the proposed settlement. ### Union Bids and Rising Costs Await as Starbucks Picks a New Chief

### By ANDREW ROSS SORKIN and MICHAEL J. de la MERCED

Κ

Starbucks has hired Laxman Narasimhan as its next chief executive, the company announced on Thursday, putting him in charge of the world's largest coffee chain as it grapples with a growing unionization movement, rising inflation and losses in China.

Mr. Narasimhan will take over in April from Howard Schultz, Starbucks's longtime leader, who took back the reins of the company last April after Kevin Johnson stepped down as chief executive.

"We were looking for somebody that was a true servant leader that had a deep sense of humility," Mr. Schultz said in an interview. "Laxman first and foremost is a true servant leader."

Mr. Narasimhan, 55, will be thrust into one of the world's most prominent corporate leadership roles, overseeing roughly 35,000 stores and 383,000 employees globally. A former senior PepsiCo executive, he has most recently led Reckitt Benckiser, the British conglomerate that makes Lysol disinfectant and Durex condoms.

Born in Pune, India, Mr. Narasimhan moved to the United States in 1991 to attend the Univer-

In 2012, he moved to PepsiCo, where he rose through the ranks, overseeing operations in Latin America, Europe and sub-Saharan Africa, and becoming chief commercial officer.

He was hired at Reckitt in 2019 to revive the conglomerate, which had been burdened by the \$16.6 billion takeover of the infant products maker Mead Johnson and an ill-fated move to split the company. He drew praise from investors and analysts for selling underperforming operations and steering the company through the pandemic.

Shares in Reckitt fell more than 5 percent on Thursday after the company unexpectedly announced that Mr. Narasimhan would step down as its chief executive on Sept. 30 - explaining only that he "has been approached for an opportunity that enables him to live" in the United States. He had been looking for a job that would return him to the United States, where his two adult children live.

It was that breadth of experience across industries and international borders that drew Starbucks to Mr. Narasimhan. "He's a true operator and has the DNA of an entrepreneur," Mr. Schultz said, adding that his background in technology and supply chains would be invaluable to the company.

Mr. Schultz is expected to remain the company's interim chief executive until April, and then become an adviser to Mr. Narasimhan. Mr. Schultz will remain on the company's board as well.

In Starbucks's most recent earnings report, in August, Mr. Schultz spoke of the company's early progress in reinventing itself a task that will now fall to Mr. Narasimhan.

The coffee chain has become a focal point for a resurgent unionization movement over the past year, as workers press for higher pay and better working conditions. Since December, Starbucks has gone from no unions at its roughly 9,000 company-owned stores in the United States to 230 as of Monday.

Labor organizers and the National Labor Relations Board have accused Starbucks of illegally interfering with unionization drives and retaliating by closing stores and firing pro-union workers. The

Laxman Narasimhan is a former senior executive for PepsiCo.

company has denied those claims, though it continues to resist unionization efforts. Last month, it raised wages for baristas except those at unionized stores, saying workers there needed to collectively bargain with management.

Mr. Schultz — who has pushed Starbucks to take progressive stands on issues like same-sex marriage and race relations,

drawing criticism from conservatives - has said he opposes unions among the company's employees. "We don't believe that a third party should lead our people," he said in June.

Still, the labor organization effort faces challenges, including reaching collective bargaining agreements at newly unionized stores. The pace of new union petitions filed with the National Labor Relations Board, which peaked in the spring, has fallen sharply since.

Starbucks faces other challenges as well. In its earnings report last month, the company said that its profit margins had fallen, under pressure from the rising costs of ingredients and higher wages. It also suffered from lower sales in China, one of its biggest markets outside the United States, tied to pandemic restrictions in the country, though customers had begun to return.

Mr. Schultz has also spoken about an even more transformative shift in Starbucks's business model.

The chain has long described itself as a "third place," between work and home, where customers could lounge for hours. But the pandemic upended that hangingout model. So too has the rise of pickup and drive-through orders that drastically cuts customers' time in stores and increases expectations of quick service, putting more pressure on baristas.

Ν

Even consumers' evolving drink preferences are driving change. As customized frozen drinks, which require more intricate and labor-intensive preparation, grow in popularity, the company has been forced to retool its stores to account for ice storage and new layouts to help its baristas.

Mr. Narasimhan will join the company in October, Mr. Schultz said, spending the next several months getting "immersed" in the culture of Starbucks, traveling to stores around the world and even working behind the counter at some before officially taking over. "He will make us better," Mr. Schultz said.

### A Solar Company Plans Off-Grid Neighborhoods in California **Abortion Rights**

FROM FIRST BUSINESS PAGE owned utilities like Pacific Gas & Electric and Southern California Edison. If approved by regulators, the micro-utility model, also known as a microgrid, could undermine the growth of those larger utilities by depriving them access to new homes or forcing In recent years, funds focused in them to lower their rates to keep that business.

> Sunnova executives argue that the approach they are seeking approval for was authorized under a California law passed almost two decades ago for a resort just south of Lake Tahoe. In addition, the company says advances in solar and battery technology mean that neighborhoods can be designed to generate more than enough electricity to meet their own needs at a lower cost than relying on the grid.

"If they don't want to choose me, that should be their right; if they don't want to choose you, that should be their right, too," said John Berger, the chief executive of Sunnova.

A small number of homeowners have gone off the grid as the cost of solar panels and batteries has fallen. But doing so can be hard or impossible. Some local governments have rejected permits for off-grid homes on health and safety grounds, arguing that a connection to the grid is essential. But connecting a single home to the grid can cost tens or even hundreds of thousands of dollars, which means an off-grid system may actually be cheaper - especially for properties in remote areas, or in places where the local grid is at its capacity and would require significant upgrades to serve more homes. Off-grid setups can also be appealing because once a system is paid off, the cost of operating and maintaining it is often modest and predictable, whereas utility rates can move up sharply. In recent months, electric bills have surged because the war in Ukraine has caused the cost of natural gas to iump. The nationwide average retail electricity rate increased 11 percent in June from a year earlier, according to the Energy Information Administration. But the kind of micro-utilities that Sunnova hopes to create have also had problems. The utopian visions of generating electricity where it is used have often run into maintenance and other problems. Many tiny utilities created under such models in the United States and Canada were later swallowed up by larger power companies. In California, the Kirkwood Mountain Resort near Lake Tahoe used a micro-utility to provide power to residents and tourists for years. But the electricity it produced sometimes cost up to 70 cents a kilowatt-hour, or three to five times the rates charged by larger utilities in the state. Eventually, the town of Kirkwood took over the utility and connected it to the state electric grid. Sunnova's microgrid approach could suffer a similar fate. But the costs of solar panels and batteries have tumbled over the last decade, making the energy that offgrid systems generate much more affordable than when the dieselbased system in Kirkwood was built. Sunnova is asking the state utilities commission to allow it to become a micro-utility under the same state law that allowed the one in Kirkwood. Mr. Berger said his company would work with developers to install solar panels and batteries as part of home construction in developments with fewer than 2.000 units.

energy industry. He said that the traditional regulated utility monopoly model might seem antiquated but that it had ensured that everyone, regardless of income, had access to a generally reliable electric grid.

"What we need to make sure of is that the system is designed to provide reliable, affordable electric service to every customer,' said Mr. McNamee, a partner at McGuireWoods, a law firm. "People throw around things like competition and markets. All of these things are complicated."

But Mr. McNamee acknowledged that regulators needed to figure out how to treat popular new technologies like residential solar and battery systems, which could make it possible for some homes or neighborhoods to generate enough electricity to function without having to draw power from the grid most of the time.

Utilities have been pressing regulators to reduce the compensation homeowners receive for the excess solar energy their rooftop systems send to the grid. The companies have argued that customers with solar panels are being offered generous credits for power that they are not contributing adequately toward the cost of maintaining power lines and other grid equipment. California's utilities commission is expected to soon release a proposal on rooftop solar compensation after it scrapped an earlier proposal that many rooftop companies and homeowners criticized for being too favorable to utilities. Rooftop solar businesses, which have grown fast in recent years, are confronting their own challenges, especially figuring out how to become consistently profitable. Many of them are reliant on the tax credits that the federal government offers to encourage the use of renewable energy. The Inflation Reduction Act. which President Biden signed recently, expanded and extended those credits. Building and operating microgrids could provide a steady source of income to companies like Sunnova. That could essentially transform the rooftop solar companies into the kinds of utilities that they have long fought against.

companies that back

- as in a basket of stocks - "with companies that were supporting the cause," Ms. Halimi told the DealBook newsletter. "We saw a rush of activity."

That first, spontaneous usercreated playlist included companies that were taking a stand to support abortion access, rather than those connected to women's health, echoing public demand for businesses to weigh in on the issue.

Later, users asked for an updated version of the playlist, and the founders adopted that same standard. It now includes about 50 firms - Levi's, Apple, Pfizer and Tesla among them — that have taken a stand against the overturning of Roe v. Wade or help pay for employees' access to abortion services, or both.

Data from the platform shows reproductive rights looming large in investment decisions. But location and gender matter. One month after the decision, Alinea had about 10,000 female users. Of those

■ About 11 percent are in Texas, where abortion access was threatened, and slightly more than half are now investing in companies that support abortion access.

■ About 25 percent are in New York City, where reproductive rights remain robust, and only about 40 percent of them are investing in companies that support abortion access

More than 30 percent of new app users now cite the change in reproductive rights as a reason for their interest in both investing and financial independence.

No male users have invested in playlists that are made up of companies supporting abortion rights.

Reproductive rights at the corporate level are the newest frontier for the environmental, social and governance investing framework, according to Confluence Philanthropy, a network of investment managers, shareholder activists and others that convened a panel discussion on the matter in June. Expect a flurry of proxy proposals as activists plan to push deeper into the corporate arena. Previous efforts have failed, but E.S.G. experts are certainly telling companies to start preparing.

The company has lined up sup-

microgrids if regulators approve them.

"We are a proud partner of Sunnova's and support highly qualified participants seeking to solve some of the world's most important problems," said Stuart Miller. Lennar's executive chairman. "We value the current electric grid and we're intrigued by new microgrid solutions that can supplement and support the traditional utility grid and help solve extreme reliability during weather and peak demand."

The utilities commission said it would review the Sunnova application, a process that would include soliciting public responses. Representatives for investorowned utilities said that they could not comment on the proposal and that they needed more time to review it.

Solar panels and batteries will be installed at each home and in common areas like at clubhouses. All of that equipment would be tied together, Sunnova executives said. The company expects such microgrids to experience outages of 30 minutes or less annually, compared with an average of two

simplified electric bill showing how much electricity the system on their own properties produced, how much they used and their net benefit or cost.

New homes and developments offer the most realistic opportunity to create microgrids because existing homes are generally already served by investor-owned, municipal or cooperative utilities.

Sunnova said its systems would not be completely isolated. It plans to connect them to the larger statewide grid so it could send excess power to other utilities or draw energy in case of an emergency. But its systems would not be owned or operated by the three major power providers in the state - Pacific Gas & Electric, Southern California Edison or San Diego Gas & Electric.

That, Sunnova says, would reduce consumers' electricity cost by as much as \$60 a month for the typical California home, based on the state's average electricity rate in June. The recent increase in rates is evidence for the superi-

Still, energy experts said the odds were stacked against Sunnova. The utility industry and its

# Dow, S&P Gain After Days of Declines

Index performance Thursday

Oil prices extend run of losses amid demand fears and China lockdown worry

### BY PAUL VIGNA AND WILL HORNER

U.S. stocks broke their losing streak, with the S&P 500 and Dow Jones Industrial Average rising slightly even as expectations of higher-for-longer interest rates pummeled other markets.

THURSDAY'S The S&P 500 MARKETS added 11.85 points, or

0.3%, to 3966.85, after falling as much as 1.3% earlier in the session. The Dow rose 145.99 points, or 0.5%, to 31656.42. The Nasdaq Composite slipped 31.08 points, or 0.3%, to 11785.13, a fifth straight down day. In the morning, it fell more than 2%.

The afternoon bounce was a slight respite for a battered market. The major indexes had suffered their fourth day of losses Wednesday, continuing a selloff that saw them end August with declines of between 4% and 5%. Gold, oil and other com-

modities fell, and bond yields hit their highest levels since June, driven by strength in the dollar that pushed the U.S. currency to its highest point in two decades.

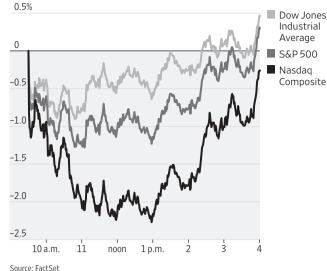

\* \* \* \* \*

The market is looking at relatively strong economic reports, like Thursday morning's iobless-claims data, and expecting they will compel the Federal Reserve to keep raising rates aggressively, said Thomas Hayes, chairman of Great Hill Capital.

"The bears are going to be in control until the 13th," Mr. Hayes said, referring the date of the next inflation report.

Comments from Fed Chairman Jerome Powell last week that doubled down on his message that interest rates must continue rising to tame inflation—even if the economy suffers-have sent stocks tumbling. The recent declines have reversed much of the gains made during a summer rally that had lifted stocks and bonds from their lows.

The fall has come as investors reassessed hopes that the Fed could ease off its cam-

paign of big interest-rate increases. Instead, many are girding for a lengthier period of higher interest rates, though expectations of when the Fed will start cutting interest rates are likely still too hopeful, said David Donabedian, chief investment officer of CIBC Private Wealth US.

"There was too much Fed optimism. The idea that the

Fed was getting close to the end of tightening and would begin cutting rates next spring

never really made sense to us," he said. "I feel a bit more optimistic about the market now over the next three to six months. There has been a reality check and a reassessment of expectations, and I prefer it when the market is in a sober mood rather than a euphoric one," Mr. Donabedian said.

Yields on benchmark U.S. government bonds climbed to their highest levels since June. The yield on the 10-year Treasurv note rose to 3.264% from 3.131% on Wednesday.

Thursday's data provided new clues on the economy and the employment market ahead of Friday's highly anticipated jobs report. U.S. workers' filings for unemployment benefits fell last week, suggesting layoffs are holding at a low level in a tight job market.

A survey of U.S. manufacturing activity for August came in stronger than expected. The ISM Manufacturing PMI came in at 52.8, even with July and above expectations of 51.8.

In commodity markets, oil extended a streak of declines, falling for a third consecutive day, as worries about global demand mount. U.S. crude futures fell 3.3% to \$86.61.

Fresh Covid-19 lockdowns in China are threatening to weaken oil demand, adding to jitters about flagging global growth. The city of Chengdu, with 21 million people, became the latest to impose restrictions.

Overseas, major indexes fell across the board. In Europe, the pan-continental Stoxx Europe 600 retreated 1.8%, led by losses among resource stocks. In Asia, stocks closed lower. At midday Friday, Japan's Nikkei 225 was down 0.2% and the Hang Seng in Hong Kong dropped 0.7%. In mainland China, the Shanghai Composite was up 0.1%.

## **Secondary Buyers Expect Investors to Seek Exits**

#### BY LAURA KREUTZER

Wealthy individuals, including so-called accredited investors, poured billions of dollars into private-equity funds and other alternative investments in recent years. Now, more firms that trade in secondhand stakes of private assets are betting some investors will want out.

A survey of around 30 secondary buyers conducted in early 2022 by WSJ Pro Private Equity found 80% of respondents expect to see increased deal volume from family offices and high-net-worth individuals in the next 12 months, up from 70% of buyers who responded to a similar survey in 2021 and 55% in 2020.

Wealthy investors flocked to private equity in recent years in pursuit of higher returns, often through vehicles called feeder funds that aggregate many investments into a single commitment to one fund.

Over the past decade, a host of companies have also emerged, such as Moonfare GmbH, Beneficient Co. Group LP and Institutional Capital Network Inc., commonly known as iCapital, offering technology or investment structures to help high-networth investors access private-markets funds, often by working with advisers.

Even in good times, however, some investors want to cash out of investments before the end of a fund's term. Terms typically range from 10 to 12 years. A survey of 600 mid- to high-net-worth invesand marketing consultant VSA Partners LLC found 82% of respondents tried to seek liquidity for their alternative assets

number of Kline Hill Partners deals below \$1 million

#### at least once over the previous five years.

But the relatively small investments wealthy individuals typically make and the complexities associated with feeder funds they use can make cashing out early from

tors last year by Beneficient holdings difficult and costly. "There are a lot of [secondary] buyers that won't even take a call for [deals of] less than \$50 million," said Verdun Perry, senior managing director at **Blackstone** Inc. and global head of the firm's Strategic Partners unit. Over the past five years,

Blackstone completed more than 50 such transactions, including some as small as \$250,000, according to the New York firm. Prospective buyers of private-fund stakes from wealthy individuals often need to educate sellers about the structures and terms associated with such deals, Mr. Perry added.

"You have to understand that these people have made their livings as doctors, pro-

fessors and entrepreneurs," Mr. Perry said. "So they may not be as familiar with [secondary transactions] as people who do it all the time."

The structures of feeder vehicles used to invest in private funds, often through banks and other financial institutions, can also make cashing out early more complex.

The feeder fund "may be a different entity with a different fee load or a different cash flow profile," said Tom Kerr, global head of secondaries at private-markets firm Hamilton Lane Inc. "And they are typically raised on a bank platform, so you're not interacting directly with the investor, but with the institution that created that" feeder fund.

Private-equity firms globally spent a record \$220.83 billion on take-private deals in the first half of 2022, up from \$162.81 billion in the comparable period last year, according to data provider Dealogic. In the U.S., private-equity firms spent \$130.23 billion on takeprivate deals between January and June, nearly double the vear-earlier amount. Do you own a Choice 2, Choice 2.1, California CADE, California Reprice, or California Unbundled long-term care insurance policy issued by Genworth Life Insurance Company or Genworth Life Insurance Company of New York? If so, you may be part of a class action settlement. Genworth has agreed to settle a proposed class action involving certain Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled long-term care policies.

Do you own a Choice 2, Choice 2.1, California CADE, California Reprice, or California Unbundled long-term care insurance policy issued by Genworth Life Insurance Company or Genworth Life Insurance Company of New York? If so, you may be part of a class action settlement. Genworth has agreed to settle a proposed class action involving certain Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled long-term care policies.

In January 2022, five policyholders brought a lawsuit on behalf of a class alleging that Genworth should have included certain additional information in letters sent to Genworth Choice 2, Choice 2.1, California CADE, California Reprice, and California Unbundled policyholders about premium rate increases. Genworth denies all allegations and maintains that its disclosures to policyholders were reasonable, appropriate and truthful.

Pending final Court approval and subject to certain conditions, impacted policyholders may receive certain disclosures and policy options, including potential payments or credits. If you are a class member, you may be entitled to obtain this relief, and you may have other rights relating to the proposed settlement. To learn more about the settlement (including whether you are a class member and how to be excluded from or object to the settlement), you may visit this website, www.Choice2LongTermCareInsuranceSettlement.com, or call the Settlement Administrator at (855) 662-0078.

### IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA

FRED HANEY, MARSHA MERRILL, SYLVIA RAUSCH, STEPHEN SWENSON, and ALAN WOOTEN, individually, and on behalf of all others similarly situated,

Plaintiffs,

v.

GENWORTH LIFE INSURANCE COMPANY and GENWORTH LIFE INSURANCE COMPANY OF NEW YORK, Civil Action No.: 3:22-cv-00055-REP

### Defendants.

### **Declaration of Harris D. Butler, III, Esquire**

I, Harris D. Butler, III, on this 15<sup>th</sup> day of September, 2022, declare under penalty of perjury that the following statements set forth in this Declaration are true and correct.

1. I am over the age of eighteen years and have personal knowledge of the statements made herein.

2. I am an attorney licensed by the Virginia State Bar (VSB No. 26483) and have been admitted to practice before all courts in the Commonwealth of Virginia; the United States District Court for the Eastern District of Virginia; appellate Courts in Virginia, Texas, and the District of Columbia; the Fourth, Fifth, and Ninth United States Circuit Courts of Appeal; and the United States Supreme Court.

3. I am a partner of Butler Curwood, PLC, 140 Virginia Street, Suite 302, Richmond, Virginia 23219, where I maintain offices.

4. I graduated from the University of Houston School of Law, Houston, Texas in 1981 and practiced civil litigation in Houston from 1981-1986, concentrating primarily in the areas of civil rights, employment law, medical malpractice, and products liability. In 1987, I relocated to Richmond, Virginia and continued my litigation practice in state and federal courts, concentrating in civil litigation. In 1993, I co-founded the Richmond law firm of Butler, Macon, Williams, Pantele & Lowndes, P.C., which evolved into Butler, Williams & Skilling, P.C. and, since 2011, the plaintiffs' complex litigation side of our practice, first Butler Royals, PLC and now Butler Curwood, PLC.

5. For many years, my peers have included me among the Super Lawyers in Employment Litigation. I was honored to be recognized by Virginia Lawyers Weekly as one of the 2016 Virginia "Leaders in the Law."

6. Since founding the Butler Macon firm in 1993, I have developed an extensive employment practice involving the litigation of individual and class/collective employment matters. The majority of my practice now involves representing employee plaintiffs in employment litigation; however, I have also continued to occasionally work on complex civil cases in state and federal court outside of the employment law field. For example, I was recently involved in the Virginia state court Volkswagen Clean Diesel Litigation consumer fraud claims litigated under the Virginia Multi-Claimant Act in Fairfax County (coordinated pretrial), and Richmond (trial/settlement) Virginia Circuit Courts and served as a member of that case's initial Plaintiffs' steering committee.

7. I am a Fellow of the American College of Trial Lawyers ("ACTL") and serve on its Virginia state council. I am also a member of the National Employment Lawyers Association ("NELA"), its Virginia affiliate ("VELA"), the American Association of Justice ("AAJ"), the Virginia Trial Lawyers Association ("VTLA"), and the Richmond ("RBA"), Virginia ("VBA") and the American ("ABA") Bar Associations.

8. I have served in several bar association capacities, including service as Chair of the VBA's Law Practice Management Section, Chair of the Employment section of the VTLA, a member of the VTLA Board of Governors and member of the VBA Labor and Employment Section Executive Committee. I am the past Chair of the VBA Law and Employment Law Section.

9. I have been active in church and civic activities, as well as professional continuing legal education. In that regard, I regularly speak on employment and civil litigation issues at continuing legal education and other seminars for the VBA, Virginia Continuing Legal Education, VTLA, RBA, and other organizations. I have also presented for Virginia Continuing Judicial Education, the Impact Fund and at the Annual North and South Carolina Bar Associations' Labor and Employment Conference on collective and class action topics. From 2013-2017, I served as an adjunct professor of trial skills at the University of Richmond, T.C. Williams School of Law.

10. Through my career, I have successfully litigated numerous employment discrimination and other federal statutory cases on behalf of employees in Virginia as well as in jurisdictions outside Virginia. I am presently lead counsel in a putative Rule 23 Section 1981/Title VII action styed *Cobb, et al v. Arc Energy, Inc.*, 21cv1913 (JMC/SVH) (D.S.C.); co-lead counsel in a Rule 23 ERISA putative class action styled *Moore v. Virginia Community Bankshares, Inc., et al*, 3:19-cv-00045 (W.D. Va.); and lead/local counsel in numerous collective action matters, *e.g. Wade, et al v. Capital One Financial Corporation,* 3:20cv00415-MHL (ADEA and FLSA collective); *Sziber v. Dominion Energy, Inc.,* 

3:20cv00117-JAG (FLSA collective); *Hall, et al v. Dominion Energy, Inc., et al*; 3:18cv321-JAG (FLSA collective);

11. I am regularly asked to provide expert testimony in fee application proceedings in matters of complex federal litigation, including employment litigation. *See, e.g. Jones v. Southpeak Interactive Corp., et al,* 2014 U.S. Dist. LEXIS 91177 (E.D. Va. July 2, 2014), *aff*'d 777 F.3d 658 (4th Cir. 2015) (award based on 2014 rates); *Owen v. Rutherford Supply Corp.,* 3:19cv225 (HEH) (April 2020); *White Coat Waste Project v. Great Richmond Transit Company,* 3:17cv719 (June 2020); *Titilayo Shiyanbade v. Exec. Health Group, PC,* 3:19cv726 (E.D. Va.); *Fisher v. Land and Sea Restaurant Co.,* LLC, 7:18cv512 (GEC) (Western District of Virginia); *Rogers v. Virginia State Registrar,* 1:19cv1149 E.D. Va. (Alexandria Division) (RDA/IDD) (November, 2019).

12. I am familiar with the Richmond, Virginia legal market, and the hourly rates charged by attorneys practicing in this area before the U. S. District Courts, including in Richmond, Virginia, with similar years of experience and practice as Class Counsel, and in similar complex federal litigation. I am familiar with the Rule 23 class settlement review processes and the determination of fees under Rule 23. I am also familiar with decisions of the Fourth Circuit Court of Appeals and Eastern District of Virginia considering the calculation of fees in class actions. These decisions include *Brown v. Transurban USA, Inc.*, 318 F.R.D. 560, 575 (E.D. Va. 2016), *Grisson v. The Mills Corp.*, 549 F. 3d 313, 320 (4<sup>th</sup> Cir. 2008), and *In re Genworth Financial Securities Litigation*, 210 F. Supp. 3d 837, 843 (E.D. Va. 2016). I have also reviewed and am familiar with this Court's November 13, 2020 Memorandum Opinion concerning attorneys' fees involving counsel before the Court in this case in the matter of *Jerome* 

*Skochin et al. v. Genworth Financial, Inc., et al.*, Civil Action No. 3:19-cv-49, as well as this Court's June 28, 2022 Memorandum Opinion concerning attorneys' fees involving the same counsel in the matter of *Judy Halcom et al. v. Genworth Life Insurance Co., et al.*, Civil Action No. 3:21-cv-19.

13. I am personally familiar with local Class Counsel, Jonathan Petty and Michael Phelan of Phelan Petty, PLC. I formerly practiced with Mr. Phelan at Butler, Williams & Skilling, P.C., and am aware that both attorneys regularly handle complex civil litigation matters in state and federal courts throughout Virginia and nationwide. I know them to possess extensive civil litigation experience of over twenty-five years each, and their firm enjoys a well-deserved reputation for excellence in the Richmond, Virginia legal community and across the Commonwealth.

14. I am also personally familiar with the Berger Montague firm, having cocounseled with Merrill Davidoff and Alan Sandals of that firm in *Church, et al v. Consolidated Freightways, Inc.*, No. C-90-2290 (DLJ) (hybrid Rule 23 securities/ERISA action, ADEA collective action), *see, e.g.* 137 F.R.D. 294 (N.D. Cal 1991). While I do not personally know the Berger Montague attorneys or other attorneys representing the class in this matter, I have reviewed the firm resumes of Berger Montague, Goldman Scarlato & Penny, P.C. and Robbins Geller Rudman & Dowd LLP, which contain the professional biographies describing the backgrounds and past litigation experience of the individual attorneys comprising the class counsel team. All of these firms and the attorneys involved here have significant experience litigating class action and other complex federal claims throughout the country.

15. I am familiar with this case, having read the Complaint, ECF No. 1, and Plaintiffs' Memorandum of Law in Support of Motion to Direct Notice of Proposed Settlement to the Class, ECF No. 27. From reading these materials, and from speaking with counsel Jonathan Petty, I am generally aware of the basic course of the litigation in this action. I understand that this case was filed after Class Counsel had litigated extensively with these same defendants and defense counsel in achieving a highly successful settlement in this Court in two similar class actions, the Skochin and Halcom matters. Armed with the knowledge and expertise gained in that litigation, the parties agreed to, and did participate in, a multi-day mediation with experienced mediator Rodney A. Max of Upchurch, Watson, White & Max Mediation Group, who had previously mediated both the Skochin and Halcom settlements. I have also used Mr. Max as a mediator. I understand that the parties reached an agreement to settle all claims involving the class, as described in the Joint Stipulation of Class Action Settlement and Release, ECF No. 33. I am of the opinion that the settlement achieved in this case represents an excellent result for the class.

16. To achieve the result obtained, Class Counsel applied skill and expertise in identifying claims, anticipating and neutralizing defenses, analyzing large amounts of data, and working collaboratively with opposing counsel toward a negotiated result for a class consisting of tens of thousands of members. Having successfully litigated and resolved the *Skochin* case involving a large class with similar complex claims against these same defendants, class counsel was truly uniquely positioned and qualified to provide efficient and effective representation to the class before the Court.1

17. I understand that the law firms comprising the Class Counsel team charge hourly rates in the following ranges:

- Partner: \$500.00 to \$1,100.00
- Associate: \$350.00 to \$630.00
- Paralegal: \$100.00 to \$375.00

I understand that these rates have been used to calculate a lodestar fee application that is contingent upon a successful resolution of this litigation.

18. Contingency fee representation allows litigants who would not be financially able to sustain federal court litigation and expert fees, depositions or other costs to pursue federal statutory rights. The inherent risk of recovery and, importantly, the unknown timing of a future recovery - which could be years after interlocutory appeals, trial and post-verdict appeals - would undermine federal policy if contingency representation were not permitted. For single party or single event cases, the common practice for contingency fee contracts in the Richmond, Virginia legal market is for plaintiffs' attorneys to have a contingency fee contract of 33 to 40% of the gross amount recovered, and in complex federal litigation, a 40% contract is the norm. An hourly rate that is contingent on the outcome of complex federal litigation is typically and justifiably higher than an hourly rate that is billed and paid incrementally throughout the litigation, regardless of the results, because of the significant risk of recovery.

19. Class action litigation is considered complex federal statutory litigation. The representation of a class consisting of tens of thousands of members requires considerations far different from complex federal litigation of a single plaintiff. Successful representation of class requires time and skill, and can be a large burden for a small firm. The complex nature of class action cases is reflected in the fact that very

- 7 -

few attorneys in the Richmond, Virginia legal community successfully prosecute these cases. The results achieved by Class Counsel in this litigation demonstrates the level of expertise commanded by the law firms' efforts, are at or below the market rates for federal court litigation in the Richmond Division of the Eastern District of Virginia, and support the rates requested.

20. The market rate for a particular area of practice within a community is not separated into sub-categories of "plaintiffs" rates and "defense" rates – there is simply a market rate for such litigation. The market rate for complex federal litigation in the Richmond, Virginia market would certainly be commensurate with the amounts that Class Counsel, myself, and defense litigators in this Court regularly charge in such complex federal court litigation. In order to prevail, Class Counsel must overcome the defenses asserted by counsel at these rates and, therefore, the prevailing market rates are, or should be, in the same range.

21. I have consulted with other Richmond based attorneys who regularly appear in the Eastern District of Virginia regarding their firms' billable rates and have conducted research regarding recent fee applications and orders awarding fees in the Eastern District of Virginia that are public record through PACER.

22. It is my understanding that in the *Skochin* matter, counsel for Genworth specifically represented to Class Counsel that the standard billing rates for the Richmond based McGuireWoods attorneys and staff that worked on the case were (in 2020) as follows:

- Senior Partner (partner for 20 plus years): \$1,070.00/hour
- Partner (partner for 10 plus years): \$855.00/hour
- Partner (partner for 4 plus years): \$780.00/hour

•	Associate Attorney:	\$530.00/hour
---	---------------------	---------------

• Paralegal: \$340.00/hour

Additionally concerning Eastern District Virginia market rates, in a recent filing in this Court in the case of *Golden Bethune-Hill, et al. v. Virginia State Board of Elections et al.,* Case No. 3:14-cv-00852-REP-GBL-BMK, McGuire Woods attorney Dion W. Hayes submitted a declaration in support of a motion for attorneys' fees in which he attests to the rates charged in the Richmond legal market, stating: "[i]n my experience, federal courts in Richmond routinely award partner rates in excess of \$1,000 per hour for specialized legal work." Ex. 1, p. 2. He also provides a table listing the historical Richmond rates of McGuireWoods professionals from 2017-2019, to wit:

Title (Years of Experience)	2017 MW Average Richmond Standard Rate	2018 MW Average Richmond Standard Rate	2019 MW Average Richmond Standard Rate	2017 PC Average Richmond Rate	2018 PC Average Richmond Rate	2019 PC Average Richmond Rate
Senior Partner (26+)	\$870	\$879	\$937	\$675	\$715	\$750
Junior Partner (up to 25)	\$732	\$736	\$760	\$504	\$544	\$584
Senior Associate (5+)	\$496	\$507	\$534	\$415	\$430	\$480

Paralegal	\$260	\$267	\$281	\$230	\$235	\$250

Id., at. 5.

23. In the *Golden Bethune-Hill* case, attorney Robert A. Angle of the Richmond based firm Troutman Sanders (now Troutman Pepper) submitted a declaration as an expert witness on the subject of the reasonableness of attorneys' fees in the Eastern District of Virginia. In it, Mr. Angle attests to the 2019 billable rates for the Troutman Sanders Richmond office as follows:

- Partner: \$585/hour to \$855/hour
- Associate: \$370/hour to \$550/hour
- Paralegals: \$145/hour to \$270/hour

Ex. 2, at. 6-7.

24. There are numerous other fee applications with supporting declarations and favorable orders awarding billable rates exceeding \$1,000/hour in the United States Bankruptcy Court for the Eastern District of Virginia, Richmond Division. For example, recently, Judge Keith L. Phillips entered an order granting a fee application in *In re: Gemstone Solutions Group, Inc., et al.,* Case No. 19-30258 (KLP), that included the following billable rates:

•	Tax Partner:	\$1,540/hour
---	--------------	--------------

- Special Counsel: \$1,120/hour
- Associate: \$920/hour
- Legal Assistant: \$300/hour

### Case 3:22-cv-00055-REP Document 43-10 Filed 09/16/22 Page 3 of 6 PageID# 1579

I, Fred Haney, declare pursuant to 28 U.S.C. §1746 as follows:

1. My name is Fred Haney. I am over the age of 18, and I am competent to give testimony. The statements contained herein are based upon my personal knowledge and are true and correct.

2. I am one of the named plaintiffs in the above-captioned action. I submit this Declaration in support of final approval of the proposed settlement of this action, and my request for Genworth's payment to me of a service award for my service as a class representative in this case, subject to the Court's approval.

3. All during my counsel's pre-suit investigation of this case, and since I joined this case as a named plaintiff, I have understood, and currently understand, that my obligations as a class representative include placing the interests of the class ahead of my own. I have consistently demonstrated my commitment by pursuing this litigation actively and diligently. I preserved data and documents in accordance with my obligations, and I devoted many hours on behalf of the class.

4. I worked with my counsel, principally Brian D. Penny of Goldman Scarlato & Penny, P. C., to educate myself regarding the case, the potential claims, and the potential settlement options, including understanding the terms of the prior negotiated settlements in the *Skochin v. Genworth* and *Halcom v. Genworth* cases. I reviewed documents related to those settlements and had numerous discussions with Mr. Penny about mediations scheduled with Genworth to attempt to resolve this case along similar lines as *Skochin* and *Halcom*.

5. Between November 1, 2021, and January 14, 2022, I spoke on several occasions with Mr. Penny about the attorneys' ongoing mediation efforts with mediator Rodney Max to attempt to settle the litigation. I was kept advised by Mr. Penny regarding the progress of each of

1

the mediation sessions and the state of the negotiations, was very well informed of the negotiations as they progressed, and was given ample opportunity to comment on and ask questions about the settlement, which I did. Based on my discussions with counsel and review of communications regarding the mediation and settlement proposals, I approved the settlement terms prior to the entry of the parties into a Memorandum of Understanding on January 15, 2022.

6. Following signing of the MOU, I worked with Mr. Penny to draft the complaint filed in this action, approving the complaint before it was filed with the Court.

7. Following the filing of the complaint, I reviewed all of the document requests and interrogatories that Genworth served on me with Mr. Penny and with Glen L. Abramson of Berger Montague PC, and worked with them to provide careful, correct answers to the interrogatories and to search for, collect, and produce responsive documents concerning my claims and Genworth's defenses, including extremely sensitive information regarding my financial and medical circumstances.

8. My attorneys made certain that I stayed fully informed throughout the pendency of the case, including sending me drafts of all major court filings, communicating case developments with me frequently, and working very hard to assist me in responding to interrogatories and document requests. My counsel also ensured that I was fully informed before making a decision whether to accept the proposed settlement negotiated by my counsel with Genworth's counsel.

9. In my opinion, the settlement with Genworth provides the class with a fair and welldeserved result following the impact of Genworth's actions. Indeed, it is my firm belief that we obtained virtually all of the relief we sought in this case - i.e., the ability to make an informed decision, based on all material facts, regarding our Genworth long term care insurance policies. In addition, I fully support and approved class counsel's fee and expense application to the Court.

2

Absent class counsel's highly professional work and advocacy on behalf both of myself and the Class, the excellent settlement proposed to the Court would not have been achieved.

I declare under penalty of perjury under the laws of the United States the foregoing facts are true and correct and that this declaration was executed this  $\frac{18}{18}$  day of August, 2022.
